

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

AT THE COURT AT OSBORNE HOUSE, ISLE OF WIGHT THE FIFTH DAY OF FEBRUARY, 1870.

Present: The Queen's Most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable Lords Commissioners of the Admiralty, dated 23rd day of December, 1869, in the words following, viz:—

"Whereas We have had under consideration the subject of the Servants now allowed at the public cost to the Commanders-in-Chief of Your Majesty's Ships and Vessels at the Home Ports; their Secretaries; and the Superintendents of Your Majesty's Dockyards at Home; and whereas We are of opinion that it would be for the advantage of Your Majesty's Naval Service, and a saving of expense to the country, if a composition were granted to such Officers to enable them to provide their own Servants; We humbly beg leave, to recommend that Your Majesty will be

graciously pleased, by Your Order in Council to establish the various Commuted allowances proposed in the following table:—

Station.	Rank.	Commuted Allowance
Portsmouth	Com.-in-Chief	£500 0 0
Devonport	ditto	500 0 0
Sheerness	ditto	400 0 0
Queenstown	ditto	250 0 0
Portsmouth	Sec. to Com.-in-Chf.	40 0 0
Devonport	ditto	40 0 0
Sheerness	ditto	40 0 0
Queenstown	ditto	40 0 0
Portsmouth	Adm. Superintend.	200 0 0
Devonport	ditto	200 0 0
Sheerness	Captain ditto	125 0 0
Chatham	ditto ditto	125 0 0
Pembroke	ditto ditto	125 0 0

This change to take place from the 1st April next, except in the cases of the recently appointed Commanders-in-Chief at Devonport and Queenstown, and any other Commander-in-Chief who may be appointed before that date.

"And whereas we are further of opinion that the existing Office of Flag-Lieutenant to the Admirals Superintending

of the Dockyards at Home is no longer required, and that unnecessary expense is consequently occasioned to the public: We humbly beg leave to recommend that Your Majesty will be graciously pleased, by Your Order in Council, to abolish such Offices from the 1st of April next, or before then in case of any fresh appointment of a Superintendent.

"And whereas We have also had under our consideration the existing regulations on the subject of the Table Money allowed to the Commanders-in-Chief at Home, and Admirals Superintending of Your Majesty's Dockyards at Home; and being humbly of opinion that it would be for the advantage of Your Majesty's Naval Service, if, when such Officers are on leave, they should not altogether lose their Table Allowances; We beg leave to submit to your proposal, that from the 1st of October last, Commanders-in-Chief at Home and Admirals Superintending of Home Dockyards, be allowed half the amount of their Table Money during short leave of Absence when granted by the Admiralty, not to exceed six weeks in the year. The Lords Commissioners of Your Majesty's Treasury have signified their approval of these proposals."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly. (Signed) ARTHUR HELPS.

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-Pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-Pay depend upon actual service.

Admiralty, 14th June, 1871.

HALF-PAY.

1. My Lords are pleased to direct that in future every Officer entitled to Half-Pay shall, without application on his part, be placed on the Half-Pay List as soon as his full-pay ceases, and his accounts are clear.

2. Commanding Officers of Her Majesty's Ships are to transmit to the Accountant-General of the Navy and Comptroller of Navy Pay, immediately that either they, or any of the Officers under their command, are discharged to Half-Pay, one of the Returns hereinafter specified, and headed respectively "(A) Foreign Service," and "(B) Home Service."

3. The Form already required to be furnished, and specified at page 175 (Appendix) of the Addenda (1865) to the Admiralty Instructions, will suffice for Officers returning to Half-Pay from Foreign Service, amended as per specimen annexed and marked A:

4. Whenever an Officer is discharged abroad to return to England, who will be entitled to Leave of Absence or Full-Pay after arrival, the Forms headed "(A) Foreign Service," directed to be forwarded to their Lordships, the Commander-in-Chief, and the Accountant-General, are to be handed to him with his pay documents for delivery; but if he will not be entitled to such Full-pay Leave, it will only be necessary to furnish him with the Forms for their Lordships and the Accountant-General. The date of his leaving England, and also the circumstance under which he is returning home, are to be filled in previously; and should he take passage in a Ship of War, the date of arrival is to be inserted and certified by the Commanding Officer of the ship in which he takes passage; should he return to England in any vessel not belonging to the Royal Navy, then the date of arrival is to be inserted and certified by the Commander or Owners of such vessel.

He must also attest his readiness to engage for general service, and to proceed on foreign service when required to do so.

3. He must be registered under the Medical Act in force at the time of his appointment, as licensed to practise Medicine and Surgery in Great Britain or Ireland.

With reference to Circular No. 8 G, of the 30th January last, sanctioning Regulations for the Royal Naval College, Greenwich, my Lords Commissioners of the Admiralty are pleased to direct that the following Regulations for the entry of Engineer Students in Her Majesty's Dockyards shall be substituted for those now in force.

2. Vacancies for Appointments as Engineer Students to the Factories at Chatham, Sheerness, Portsmouth, and Devonport, are open to public competition.

3. The Lists of Candidates for these situations will be kept by the Civil Service Commissioners in London, and the Superintendents of the Dockyards named in paragraph 1, to whom all applications must be addressed before the 1st May in each year. With a view of complying as far as practicable with the wishes of the Candidates as to the distribution among the several Factories, the Candidates' applications for nomination are to write down the names of the four Factories in order of preference.

Candidates will not be admitted for Examination until they have been pronounced fit for Her Majesty's Service by Medical Officers. Candidates in or near London may be sent by the Medical Director-General of the Navy at his discretion. All Candidates must produce Certificates of Recommendation of the examining Medical Officers that they are not vaccinated, or they will be vaccinated before being considered eligible for examination. The Examination will commence on the first Tuesday in each year, and will be held by the Civil Service Commissioners in London as well as at the Dockyards named in paragraph 2.

The following will be the subjects of Examination, and the maximum number of Marks for each subject:—

Candidates will be subjected to a Preliminary Examination, in the first three subjects and should they fail in any of these they will be at once rejected. Those who pass the Preliminary Test will then undergo a Competitive Examination in the remaining subjects, and the Candidates display a competent knowledge of all the above subjects, who obtain not less than 750 marks in the aggregate, are placed in one general list in order of merit, according to the number of marks gained, and will be eligible for appointment as Engineer Students in the Dockyards in the next Vacancies.

Engineer Students will remain for Six Years at the Dockyards for practical training in the Factory Workshops, to receive instruction in Iron Shipbuilding. They will attend the Dockyard Schools for each period, and to see such studies as may from time to time be determined; they will also pass a portion of their time in the Drawing Office. Means will be afforded them of acquiring the groundwork of the knowledge required by a Naval Engineer, seeing the working of Marine Engines and Boilers, in fitting those repairs which can be carried out at sea, the correct use of the various Instruments used in the Engine-room, including the Indicator, and of becoming generally acquainted with the duties of a Naval Engineer.

Engineer Students will be examined once a year under the direction of the Director of Education and the Engineer Officers of the Dockyards. The Examination of the Sixth-Year Students will include tests of their skill as workmen, and those found deficient will, on the completion of their term of service at the Dockyards, proceed to the Royal Naval College at Greenwich as Acting Second Class Assistant Engineers, and on the 1st October succeeding the Examination, where they will pass through a course of higher instruction during the next term.

1. Those Engineer Students who fail to pass the Examination at the end of their Six Years' service will be allowed to remain one year longer at the Dockyards, and will then be re-examined, when, if they are unable to pass, they will not be eligible for the rank of Naval Engineer. The Pay of such Students during this last year of probation will be the same as during their sixth year.

2. Engineer Students will not be entered as Acting Second Class Assistant Engineers until they have been pronounced fit for Her Majesty's Service by the Medical Officers, and have learned to swim.

3. The term for study at Greenwich will be from the 1st October to the 30th June following. All will be examined under the direction of the Director of Education on the completion of their term at Greenwich, and will receive Certificates according to their merit in three classes. Those taking the First Class will be granted twelve months' leave, the Second Class six months' additional time to count for promotion, those taking the Third Class Certificate will only count the time they passed out of the Dockyards.

4. Acting Second Class Assistant Engineers will receive £64 a day, and 1s. 6d. a day towards the mess during their term of study at Greenwich. If selected for further study during one or more terms they will receive their full pay of £64 a day, and 1s. 6d. a day towards the mess.

5. Four Acting Second Class Assistant Engineers will be selected from those who take the highest place at the Examination on the completion of their term at Greenwich, to pass through a further course of scientific instruction if they desire it. These four will be examined at the end of the second term, and one or more will, at the discretion of the Admiralty, be allowed to remain a third term at Greenwich, on the completion of which they will be sent to Sea as Assistant Engineers, and after one year's service at Sea, they will be considered eligible to fill positions in the Dockyards and at the Admiralty.

6. Those passing the Second and Third Term at Greenwich will be attached during the vacations between the 30th June and 1st October, to the Dockyards or Steam Reserves, where they will attend trials of new and repaired Engines, and obtain experience respecting the duties they will have to perform at Sea.

7. No Assistant Engineer who has passed Three Terms at Greenwich will be allowed to leave Her Majesty's Service within seven years of the completion of his term at Greenwich, unless he shall pay the sum of £200, to defray the charges of his education.

8. All time at Greenwich will count as Sea time.

9. The weekly pay of Engineer Students while employed in the Dockyards will be 5s. during the first year of their training, and if they are reported on favourably by the Officers, it will be increased 2s. a week each year until the sixth, and then increased 8s., making their wages 24s. a week for the last year.

10. The Acting Second Class Assistant Engineers during their term of study at Greenwich will be lodged, and will receive 1s. 6d. a day towards their mess expenses, and in addition they will receive pay at the rate of 3s. 6d. a day. Those selected for further study during one or more terms will receive pay at the rate of 5s. a day, and 1s. 6d. a day towards their mess expenses.

11. N.B. The above Regulations will be generally followed, but their Lordships reserve to themselves the right to modify them from time to time as they may consider desirable.

12. The Regulations contained in Art. 84, page 29, of the Appendix to the "Queen's Regulations and Admiralty Instructions," and the Printed Regulations issued to the Dockyards on this subject, dated 31st March, 1871, are hereby cancelled.

PRACTICAL QUALIFICATIONS OF ENGINEER OFFICERS, PASSING AND PROMOTION AT HOME AND ABROAD.

A Candidate for the appointment of Second-Class Assistant-Engineer must produce certificates of servitude in a factory, or proof of his acquaintance with engine work, and of his practical abilities as a mechanic, as well as testimonials of good conduct and character; he must possess all the qualifications requisite to enable him, after a short experience in the working of Marine engines to execute efficiently the duty of Second-Class Assistant-Engineer of any of Her Majesty's Ships; he must be able to keep accounts, and make rough working sketches of engines and boilers; he must understand the general principle of the engine, and be acquainted with the names of the various parts and their uses; and be willing to exert himself as a mechanic and workman in the several contingencies that may arise in the engine-room.

A Second-Class Assistant-Engineer who has served as such in one or more of Her Majesty's Ships, on full pay, for three complete years may be examined as to his qualifications for the appointment of First-Class Assistant-Engineer, by order of the Commander-in-Chief, or senior Officer present,—if at home, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery Afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for the purpose,—and if abroad, by an Inspector of Machinery afloat, and two Chief Engineers, in the presence of a Captain or Commander. The Candidate must possess all the qualifications required of a Second-Class Assistant-Engineer, be fully competent to perform the various duties of a First-Class Assistant-Engineer, and to take charge of a watch in the engine-room, when the steam is up at sea.

An Officer must serve for two complete years, on full pay, as First-Class Assistant-Engineer, in one or more of H.M. Ships, before he is eligible for promotion to Engineer, when he may be examined under regulations similar to those laid down for promotion to First-Class Assistant-Engineer. He must possess all the qualifications required of a First-Class Assistant-Engineer, be fully competent to perform the various duties of an Engineer, well acquainted with the principle upon which marine engines work in all their parts, able to

adjust all the various working parts, and set right defects which may arise in the engines and boilers, and in every way competent to take charge of the engines in the absence of the Chief Engineer.

When a First-Class Assistant-Engineer who possesses a certificate from the Inspector of Schools presents himself for examination for promotion to Engineer, he may also pass an examination in engineering knowledge which will qualify him for Chief Engineer.

An Officer must serve for three complete years, on full pay, as Engineer in one or more of Her Majesty's Ships before he is eligible for promotion to Chief Engineer, when he may be examined touching his fitness for that rank, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for that purpose; but he cannot receive a commission as Chief Engineer until he has a certificate from the Inspector of Schools or has been granted a dispensing order from the Admiralty. He must possess all the qualifications requisite to enable him to execute efficiently the duty of Chief Engineer of any one of Her Majesty's Ships; he must be able to make notes in the register of every particular of the working of the engines and boilers, draw rough sketches of any part of the machinery, with figured dimensions, fit to work from; be able and willing to exert himself practically as a mechanic and workman when occasion requires, either in driving the engines, or packing, repairing, or adjusting the working parts of the machinery, or making good the defects of boilers; he must possess a thorough knowledge of the construction and working of marine engines and boilers in all their parts, and be so far acquainted with the elements of theoretical mechanics as to comprehend the general principles on which the machine works; he must understand how to apply the Indicator, and draw the proper conclusions from the diagrams; and he must be acquainted with the principles of expansion, and able to prove, or at least to illustrate, the advantages to be derived from the use of expansive gear.

An Engineer, or a First or Second Class Assistant-Engineer, who may be serving abroad, where the requisite number of proper examining Officers cannot be obtained, may be provisionally examined, under the directions of the senior Officer present, by an Inspector of Machinery Afloat, or by one, two, or three Chief Engineers, according as such Officers may be on the spot, in the presence of a Captain or Commander, or of the Officer commanding the ship in which the candidate may at the time be borne; and no Engineer Officer is to be considered eligible for advancement to a rank or class for which he has not passed at least a provisional examination; neither will he be eligible for confirmation in any rank which he may have attained after passing provisionally, until he shall have passed the established examination before proper Officers, in accordance with the foregoing instructions.

Engineer Officers of ships about to leave England for service abroad, may present themselves for examination for promotion to superior ranks, twelve months before completing the respective periods of service specified above.

A certain number of Engineers who may be considered fit and deserving, may, at their own request, be selected, from time to time, by the Admiralty, as "Engineers for special charge." As a general rule, they will not be appointed to ships bearing Chief Engineers; but they are not, after being so selected, to be considered eligible for promotion to the rank of Chief Engineer.

By Command of their Lordships, C. PAGET.

MEMORANDUM.

Admiralty, March 15, 1866.

Engineer Officers will be examined by the Chief Engineers of the Dockyards only on the First Tuesday in every month, except under special circumstances.

When a Carpenter is appointed to a ship on a Foreign Station, except Mediterranean, which is provided for above, he is to acquire the information contained in the preceding article as far as may be in his power, and should he be unable to do so on any point from the documents in the ship, or from other means at his disposal, he is to apply to his Captain, who will communicate directly with the Superintendent of the Dock Yard at which the ship fitted out, and the Superintendent will cause the required information to be forwarded to him.

8. My Lords will not fail to notice favourably any Carpenter who may display zeal and ability in securing the details and fittings of the ship to which he belongs.

ROYAL NAVAL COLLEGE, GREENWICH.

CIRCULAR No. 8.—C.

Admiralty, 30th January, 1873.

Her Majesty by Her Order in Council, dated 16th January, 1873, having sanctioned the founding of a Royal Naval College at Greenwich, my Lords have determined to open the said College on the 1st of February next, at which date the instruction of the Gunnery Lieutenants and the Sub-Lieutenants will commence. The arrangements for the higher courses of study will not be complete till the beginning of the ensuing term on the 1st October, but special provisions have been made to prevent any interruption or rearrangement in the studies of any Class of Students who will hereafter be admitted to the College.

The College, subject to the subjoined Regulations, will be open to Officers of the following ranks:—

1. Captains and Commanders.
 2. Lieutenants.
 3. Navigating Officers.
 4. Naval Instructors.
 5. Acting Sub-Lieutenants and Acting Navigating Sub-Lieutenants.
 6. Officers Royal Marine Artillery.
 - Ditto Royal Marine Light Infantry.
 7. Officers of the Engineer Branch, viz.:—
 Chief Engineers.
 1st Class Assistant Engineers.
 Acting 2nd Class Assistant Engineers.
 8. A limited number of Dockyard Apprentices will be annually selected by competitive examination, for admission to the College.
- A course of instruction at the College will also be open to a limited number of—
1. Private Students of Naval Architecture or Marine Engineering.
 2. Officers of the Mercantile Marine.
- It is not intended to provide at Greenwich for the education of the Naval Cadets.
- My Lords intend that the Royal Naval College at Greenwich shall be so organized as to provide for the education of Naval Officers of all ranks above that of Midshipman,

in all branches of theoretical and scientific study bearing upon their profession; but my Lords will continue the instruction given in the 'Excellent' Gunnery Ship as heretofore, and arrangements for instruction in practical surveying will also be continued at Portsmouth.

My Lords desire, by the establishment of the College, to give to the executive Officers of the Navy generally, every possible advantage in respect of scientific education; but no arrangements will be made at all prejudicing the all-important practical training in the active duties of their profession.

The object of securing, in the interest of the Naval Service, the highest possible scientific instruction is, in the opinion of my Lords, most effectually to be attained by bringing together in one establishment all the necessary means for the higher education of Naval Officers and of others connected with the Navy.

The number of Students at the College will render it possible not only to carry out instruction by individual tuition, as hitherto, but to secure a staff of eminent professors, to arrange lectures and classes, and to provide chemical and physical laboratories, on a scale which has hitherto not been possible in any naval establishment.

Complete courses of study suitable for the different classes of Students admitted will be organised, and will be carried out by professors, lecturers, and instructors. Officers and others admitted as Students will have the advantage of these courses of study, whether they reside or not. But Officers and others who may not become students will, under certain regulations, have free access to separate courses of lectures, the benefit of which it is desired, to extend as far as possible.

The following are the proposed courses of study.

Subjects.

1. Pure Mathematics, including Co-Ordinate and Higher Pure Geometry, Differential and Integral Calculus, Finite Differences, and the Calculus of Variations.
2. Applied Mathematics, viz., Kinematics, Mechanics, Optics, and the Theories of Sound, Light, Heat, Electricity, and Magnetism.
3. Applied Mechanics, including the Theory of Struc-

tures, the Principles of Mechanism, and the Theory of Machines.

4. Nautical Astronomy, Surveying, Hydrography, with Maritime Geography, Meteorology, and Chart Drawing.

5. Experimental Sciences—
a. Physics, viz., Sound, Heat, Light, Electricity, and Magnetism.

b. Chemistry.

c. Metallurgy.

6. Marine Engineering in all its branches.

7. Naval Architecture in all its branches.

8. Fortification, Military Drawing, and Naval Artillery.

9. International and Maritime Law; Law of Evidence and Naval Courts Martial.

10. Naval History and Tactics, including Naval Signals and Steam Evolutions.

11. Modern Languages.

12. Drawing.

13. Hygiene—Naval and Climatic.

A certain latitude in selecting such courses of study as they may prefer will be allowed to Officers voluntarily attending the College. Officers and others required to attend by the Regulations will follow such courses of study as may from time to time be prescribed.

The general organization of the College will be as follows:—

A Flag Officer will be President; he will be assisted by a Captain in the Royal Navy in matters affecting discipline, and in the internal arrangements of the College unconnected with study.

A Director of Studies will, under the President, organize and superintend the whole system of instruction, and the various courses of study.

There will further be—

A Professor of Mathematics.

A Professor of Physical Science.

A Professor of Chemistry.

A Professor of Applied Mechanics.

A Professor of Fortification.

Such Instructors in Mathematics and the other branches specified as may be necessary to assist the Professors will be added to the Staff. Lecturers will be appointed to deliver courses of Lectures in Naval Architecture, Metallurgy, Civil and Hydraulic Engineering, Maritime Law, Naval History, and Tactics, and Hygiene.

A Naval Officer will conduct instruction in Nautical Astronomy and Surveying, and there will be two Instructors in Steam.

Such provisions will be made for instruction in French and German and in Drawing, as the numbers of Students desirous of following courses in these branches may render necessary.

The following changes are introduced in the Regulations as regards the time of study in the case of Officers who are required to attend the College.

(a) The time allowed to Acting Sub-Lieutenants to qualify for their Examination in Navigation for Lieutenants will be extended from six weeks to six months.

(b) Gunners Lieutenants will be required to pass a term of nine months (from 1st October to 30th June) in the College at Greenwich before commencing their practical course in the 'Excellent' instead of, as at present, a term of seven months after they have completed it.

Officers, on applying to qualify as Gunners Lieutenants, if they have not already served one year at sea as Lieutenants, will be at once appointed to a sea-going ship, in order to complete the year's service required before they commence their studies.

(c) My Lords propose that successful Candidates for Commissions in the Royal Marine Light Infantry should, before receiving their Commissions, have the advantage of a term of study in the College. They also propose to assign a longer term of study to Officers of the Royal Marine Artillery; but the final arrangements with regard to Marine Officers have not yet been concluded.

(d) All acting Second Class Assistant Engineers will in future be sent to Greenwich, after leaving the dockyards, for a period of study before their appointment to sea-going ships.

As regards Officers on half-pay, my Lords are particularly anxious that young Lieutenants should at once, on their promotion to that rank, avail themselves of the advantages of the College before their turn would come for appointment to a ship. The regulations specify allowances which are intended to remove any pecuniary difficulties in attending the College; and special consideration for ap-

pointments will be given to Lieutenants in so useful a manner the time would be made. Arrangements have been made for Naval Engineer Officers to the College time spent at the College from an allowance upon them.

The School of Naval Architecture will be absorbed in the Royal Naval College. The regulations for the admission of Officers of Dockyard Apprentices have been made as nearly as possible the same as their instruction as that which is given to the Officers of the Admiralty. Further regulations will be made in regard to the admission to the course of study at the College of those now existing at South Kensington.

My Lords have further determined that a number of Officers of the Mercantile Marine will be admitted to the course of instruction and tuition by the College, while Officers of the Mercantile Marine will be allowed to attend on application.

The paramount object which my Lords have in view in the organization of the College has been to provide efficient means for the higher education of the young men who are to be adequate to the constantly increasing demands of the Service; but my Lords also anticipate from the results likely to accrue from the establishment through the College of distinguished men in the various departments of physical and chemical science, and in the arts which so vitally interest the architect, and the naval engineer.

My Lords expect the College to be an educational establishment affording the training in theoretical subjects to the classes, but also a nucleus of mathematical science specially devoted to those branches of investigation which have most interest.

After having passed such examination, they will proceed to Greenwich to study for 6 months, preparatory to examination in Navigation, still being borne on the list of the 'Excellent.' They will receive *£* 64 a day and the mess during the period of their study at the College. REJECTION OF ACTING SUB-LIEUTENANTS AT THE EXAMINATION IN GUNNERY ON BOARD HER MAJESTY'S SHIP "EXCELLENT."

[Circular No. 8 (C) of 30th Jan., 1873, p. 8, cl. xi.]

My Lords Commissioners of the Admiralty have taken into consideration the fact that, although failure on the part either of Midshipmen to pass their examination in Seamanship for the rank of Lieutenant, or of Acting Sub-Lieutenants to pass their final examination in Navigation at the Royal Naval College, involves a loss of seniority in some cases to a considerable extent, no such penalty is incurred in the case of rejection at the examination in Gunnery on board Her Majesty's Ship "Excellent,"—and hereby direct that for the future one month's seniority shall be forfeited for such rejection.

By command of their Lordships,

To all Commanders-in-Chief, &c.

12. No pension, except a pension for wounds, can be commuted.

X. Temporary Provisions.

The following provisions to apply to Flag Officers, Captains, Commanders, and Lieutenants now holding those ranks on the Active List:—

1. All Officers to whom, in the following clauses, an option is given, must signify to Us, in writing, within such time as may be prescribed, in what manner they elect to exercise such option. In the event of their failing so to intimate their wishes, it will be deemed that they have elected the new Regulations laid down in this scheme.

2. The new scales of full pay and allowances to apply to all Officers, unless they request, in writing, within such time as may be prescribed, to be paid according to those now in force, in which case they will continue to receive the old rates of pay and allowances during all their future service.

3. Officers to whom option is given as to half-pay, promotion, and retirement, and who elect to be dealt with under the old Regulations, will retain their present rights, except so far as they are expressly limited by these Temporary Provisions; but in that case, it must be clearly understood that they will have none of the advantages of the new Regulations.

[By Circulars 22, 1873, 21, of 1874, provision is made for allowing officers to change from Old to New Regulations, if they would not, under the New Regulations, have been compulsorily retired before the date of application to exchange.]

4. Officers to whom the above option is given, and who elect to be dealt with under the new Regulations, will receive half-pay, and will be promoted and retired in accordance with them, but will retain no rights abolished by them, except so far as is expressly laid down in these Temporary Provisions.

5. Officers retired may, at their own request, and after obtaining in each case Our consent, commute their half or retired pay, under the Rules laid down by the Lords Commissioners of Her Majesty's Treasury for administering Act 32 & 33 Vict., cap. 32.

6. Admirals of the Fleet, and Admirals who commanded a ship as Captain or Commander prior to the termination of the War in 1815, to be allowed to remain on the Active List; such Admirals to be eligible for promotion to the rank of Admiral of the Fleet.

7. All other Flag Officers now on the Active List to have the option of being promoted and retired, either under the new Regulations, or under the terms of the Order in Council of March 24, 1866, but with the following modifications in the latter case:—

(a) To be retired at 70, if an Admiral of the Fleet or Admiral; at 68, if a Vice-Admiral; at 66, if a Rear-Admiral; whether or not they have held their flag or have been employed at the Admiralty; provided also, that Officers promoted to Active Flag rank, subsequently to 24th March, 1866, will be subject to the new scale of age for retirement when promoted to the rank of Vice-Admiral.

(b) To be retired as soon as 10 years have elapsed since their flag was hoisted down, or (if they have not hoisted their flag) since their service as Captain ceased.

(c) When so retired, the names of those who have hoisted their flags, or have been employed at the Admiralty, will, if they should desire it, be retained on the Active List according to seniority, until such time as they would have been compulsorily retired under the Order in Council of 24th March, 1866; but they will not be entitled to rise above the rank of Admiral or Retired Admiral. Their names to be supplementary to the established numbers of the List, and to be printed in Italics; and when ultimately removed from the List by death or otherwise, the vacancies so caused not to be filled up.

(d) Flag Officers so retired retain their Good Service Pensions.

(e) It shall be lawful for Her Majesty, in cases of distinguished service, to confer the rank of Retired Admiral of the Fleet on any present Flag Officer retired under the above conditions, provided he shall be qualified for that rank by seniority, and according to these Regulations; provided that there shall not be already three Retired Admirals of the Fleet.

8. Flag Officers now on the Active List who elect to be retired under the new Regulations, to be promoted according to seniority to the rank of Admiral on the retired list, but without increase of retired pay.

9. The new requirement of service for promotion to the active rank of Vice-Admiral not to be enforced with regard to Rear-Admirals now on the Active List.

10. Rear-Admirals now on the Active List, who elect or are allowed to be retired at once under the new Regulations, to be entitled to 67*½* instead of 60*½* a year, as retired pay, subject to the deduction specified in the scale, but without the addition allowed for extra service.

11. Until the Active List of Admirals shall have been reduced to 7, only one in every two vacancies caused by retirement, or promotions consequent thereon, to be filled up.

[See Order in Council, 5th August, 1875.]

12. Until the Active Lists of Vice-Admirals and Rear-Admirals shall have been reduced to 15 and 25 respectively, only one in every three vacancies caused by retirement, or promotions consequent thereon, to be filled up.

[See Order in Council, 5th August, 1875.]

13. All vacancies caused by death to be filled up as they occur.

14. The Officers now holding the appointments of Vice-Admiral and Rear-Admiral of the United Kingdom, and First and Principal Naval Aide-de-Camp to Her Majesty, retired as Admirals under the new Regulations, to receive in addition to their retired pay, not greater than the salary of their office; but the whole amount not to exceed the half-pay of an Admiral of the Fleet.

15. The new requirements of service for promotion to the rank of Rear-Admiral not to be enforced with regard to Captains now on the Active List, who are at present qualified by service for promotion under the old Regulations.

16. All Captains now on the Active List, of more than 10 years' standing, to be allowed the option of accepting, at promotion and retirement, either the new Regulations, or those of Her Majesty's Order in Council of 24th March, 1866, but with the following modifications in the latter case:—

(a) Not to be allowed to remain on the Active List of Captains after the age of 60, or after 7 years have elapsed since their service as Captain ceased;

(b) When promoted to the Active Flag List to be subject to the new Regulations in all respects.

except that they will only be entitled, on retirement, to half-pay, according to the terms of the Order in Council of 24th March, 1866.

17. All Captains now on the Active List, of less than 8 years' standing, to be allowed the same option, except that they will in no case be allowed to remain on the Active List after the age of 55.

18. Until the Active Lists of Captains, Commanders and Lieutenants, shall have been reduced to 150, 200 and 600 respectively, only one in every four vacancies caused by retirement, and promotions consequent thereon, to be filled up. Vacancies caused by death to be filled up as they occur.

[See Order in Council, 5th February, 1872, 5th August, 1874, altering this paragraph.]

19. No further additions to be made to the List of Retired Flag Officers.

20. The new requirements of service for promotion not to be enforced with regard to Commanders and Lieutenants now on the Active List, who are at the present time qualified by service for promotion under the old Regulations.

21. Such Commanders and Lieutenants now on the Active List, as are not at the present time qualified by service for promotion, will be promoted under the new Regulations.

22. All Commanders and Lieutenants now on the Active List, who may be retired under the provisions of this scheme, to be allowed the option of retiring on the terms of the new Regulations, or on the retired scale provided by Her Majesty's Orders in Council of 1st August, 1860, 9th July, 1864, and 24th March, 1866. In either case, however, they will be retired at the respective ages of 50 and 45, or when they have not served for 5 years, but they will retain their present privilege as to rising in rank.

23. The advantages conferred by the Order in Council of 28th June, 1867, on some of the Retired Captains (F. G. List) to be extended to all such Captains; these Officers to be placed, according to seniority, as vacancies occur, on the Retired List, under Orders in Council of 24th April, 1817, 25th June, 1851, and 26th June, 1867; and to rise to Flag Rank according to their seniority as Captain.

24. Until the present Active Lists shall have been reduced to the proposed numbers, any Officers may, with their consent, and at Our discretion, be retired: if above 40 years of age, on the terms of the new Regulations, if under 40 years of age, on the active half-pay of their rank.

All present Rules and Regulations, except in so far as they are expressly altered or limited by these General or Temporary Provisions, shall be deemed to remain in force.

SERVICE REQUIRED TO QUALIFY OFFICERS FOR PROMOTION TO FLAG RANK ON THE ACTIVE OR RETIRED LISTS.

ORDER IN COUNCIL, No. 11.—C.

At the Court at Osborne House, Isle of Wight,
the 4th day of August, 1873.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of August, 1873, in the words following, viz.:—

"Whereas in Your Majesty's Order in Council of 22nd February, 1870, governing the promotion and retirement of Flag Officers and others of Your Majesty's Fleet, clause six of section two appoints as follows:—

"Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear-Admiral, if before retirement they had served the time to qualify them for promotion."

"And whereas we are of opinion that this condition may be modified, we humbly propose to Your Majesty that the clause above recited be cancelled, and the following substituted:—

"Captains who have been, or who may in future be, retired from that rank under Your Majesty's Order in Council of 22nd February, 1870, to be entitled to rise by seniority to the rank of Retired Rear-Admiral if they have served three years as Captain in command of a Ship of War at sea."

[See Order in Council, 4th August, 1873, cancelling this.]

"And whereas clause five of section two of Your Majesty's said Order in Council is as follows:—

"To qualify a Captain whose seniority brings him in turn for advancement to the Active List of Flag Officers, he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea: Such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired."

"And whereas in section five, which defines 'Harbour Service,' clause two contains the following sub-clause:—

"(a) Service in Harbour Ships or their Tenders (with the exception of the Harbour Ships and Tenders at Ascension, Port Royal, Hong Kong, and Rio de Janeiro and at such other Foreign Ports as we may determine), and Service in First Reserve (Coast Guard) Ships, after the first three years of such Service, such first three years to reckon as Sea Service."

"And whereas we are of opinion that the above-recited clauses may render it unduly difficult for Captains who, as Lieutenants qualified in Harbour Ships as Gunner Lieutenants, and also in some other special cases to obtain the amount of Service required to qualify them for promotion to Flag Rank.

"We therefore humbly propose to Your Majesty that the sub-clause above-recited of the second clause of the fifth section of Your Majesty's said Order in Council be cancelled, and the following sub-clause substituted:—

"(a) Service of an Officer when borne on the books of any Harbour Ship, or of any First Reserve (Coast Guard) Ship subject to the following exceptions:—

"1. Three years served in any Harbour Ship or First Reserve (Coast Guard) Ship, or in any Tender to such Ship, as Lieutenant or Commander, or in those ranks combined, shall count as Sea Service, but not as Sea Service in a Ship of War at sea."

"2. Three years served either before or after 1st August, 1873, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender to such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at sea."

"This shall not apply to any Officer who retired before 1st August, 1873."

"3. Service subsequent to 1st August, 1873, in Tenders to Harbour Ships and to First Reserve (Coast Guard) Ships at Home, and in Harbour Ships Abroad, and their Tenders, shall in such cases as we may direct count as Service in a Ship of War at sea."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed: and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

PROMOTION OF COMMANDERS AND LIEUTENANTS AND RETIREMENT OF SUB-LIEUTENANTS.

[These provisions are modified by Order in Council, 4th August, 1876.]

At the Court at Osborne House, Isle of Wight,
the 6th day of February, 1872.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board, a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th December 1871, in the words following, viz.:

"Whereas Your Majesty, by Order in Council of 22nd February, 1870, was graciously pleased to establish Regulations for the Promotion and Retirement of Officers of the Royal Navy: And whereas we are of opinion, in view of the small number of promotions that have taken place during the past year, that it is expedient to provide for the immediate advancement of a limited number of the present Commanders and Lieutenants, and also to diminish the restrictions on the promotion of Commanders, Lieutenants, and Sub-Lieutenants, imposed by Your Majesty's aforesaid Order in Council, until such time as the Active List of Captains, Commanders, and Lieutenants shall be reduced to the numbers thereby established: And whereas we are further of opinion that it is expedient to make other amendments in the temporary provisions of the said Order in Council, and also, that it is necessary to establish regulations for the retirement of Sub-Lieutenants:

We would, therefore, most humbly submit to Your Majesty—

1. That we be empowered to promote ten Commanders to the rank of Captain, and ten Lieutenants to the rank of Commander, from this present date.

2. That until the list of Captains is reduced to one hundred and fifty, we be authorized to promote Officers to vacancies caused by retirement, according to the following scale:—

(a). One Commander in every vacancy which now exists, or which shall hereafter arise, on the List of Captains, due to the retirement of Admirals.

(b). One Commander in every two vacancies which now exist, or shall hereafter arise, on the List of Captains, due to the retirement of Vice-Admirals, Rear-Admirals, or Captains.

(c). One Lieutenant in each vacancy arising on the List of Commanders from the above promotions.

3. That we be further authorized, until the List of Commanders is reduced to two hundred, to promote one Lieutenant in every two vacancies now existing, or in future arising from the retirement of Commanders.

4. All vacancies arising from deaths, resignations, &c., to be filled up as they occur.

5. That until the List of Sub-Lieutenants is reduced to two hundred and fifty, we be authorized to confer promotion on any Sub-Lieutenant who is, in our opinion, worthy of advancement, although such promotions may cause the List of Lieutenants to be temporarily in excess of the numbers authorized by Your Majesty's aforesaid Orders in Council.

6. Captains who were promoted to that rank before the 1st April, 1870, and who elected the new regulations for retirement, to be allowed, if physically unfit, or if they have not served for seven years, on retirement, an amount of retired pay not less than that to which they would have been entitled to receive under the regulations which were in force prior to the 1st April, 1870.

7. Sub-Lieutenants to be compulsorily retired at the age of forty, or at any age if physically unfit for service.

8. Until the List of Sub-Lieutenants is reduced to two hundred and fifty, any such Officers to be allowed, with their consent and at our discretion, to retire irrespective of age.

9. Retired Pay to be granted as follows:—After three years' seniority, 3s. 6d. per diem, an additional 6d. being given for each complete year beyond three served as Sub-Lieutenant until the maximum is reached, viz., 6s. per diem.

10. Officers who, in our opinion, are not deserving of receiving retired pay on the above scale, to be granted such low rate of pay as we may think fit to award them.

11. Service for retired pay to be calculated in accordance with the provisions of Your Majesty's Order in Council of 22nd February, 1870, relating to Flag Officers, Captains,

Commanders, and Lieutenants, time during which a Sub-Lieutenant may be on half-pay after he has served three years in that rank to reckon in the proportion fixed by the Order in Council.

12. Sub-Lieutenants to be allowed, at their own request and with our consent, to commute their retired pay under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for administering the Act, 34 and 35 Vic., cap. 65.

13. The existing rules as to half-pay to Sub-Lieutenants while on the Active List to remain in force.

We therefore most humbly submit that Your Majesty will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions hereon accordingly.

ARTHUR HELPS.

CIRCULAR No. 10.—G.

At the Court at Osborne House, Isle of Wight,
The 6th day of August, 1875.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the third of August, one thousand eight hundred and seventy-five, in the words following, viz.:

"Whereas we have had under our consideration the effects of Your Majesty's Orders in Council of twenty-second February, one thousand eight hundred and seven, and fourth August, one thousand eight hundred and seventy-three, in so far as they relate to the retirement and promotion of Flag Officers, Captains, Commanders, and Lieutenants of Your Majesty's Navy, and whereas large reductions of those lists have been thereby effected, which, though highly satisfactory in one point of view, have resulted in a great stagnation of promotion. We are of opinion that it is expedient to provide temporarily for a more uniform flow of advancement to these ranks; to relax slightly the rules as regards the age at which Flag Officers and Captains may be optionally retired, and to modify still further the restrictions respecting the advancement to Flag Rank of Officers on the Retired List and promotions on that List.

We would, therefore, most humbly submit to your Majesty:—

"1. That we be empowered for the present to promote annually seven Captains to Flag Rank, effecting this by promoting to Flag Rank as heretofore in vacancies caused by death and retirement, and by supplementing any vacancies short of seven at the end of each year so long as a maximum number of sixty-eight Flag Officers be not exceeded:—

"Adjusting the Flag Ranks thus:—
3 Admirals of the Fleet.
10 Admirals.
20 Vice-Admirals.
35 Rear-Admirals.

68

"Promotions to the List of Admirals to be in the proportion of one to two in vacancies caused by retirement and the number is reduced to ten, and the addition, to the List of Vice-Admirals and Rear-Admirals to be in the proportion of one Vice-Admiral to every two Rear-Admirals added to the list; should there be more than seven vacancies in any year the excess not to be filled up in that year, provided the List of Flag Officers is kept up to fifty.

"2. That, for the present, we be also empowered to promote annually twelve (and should vacancies occur as many as fifteen) Commanders to the rank of Captain, effecting this by filling every vacancy and supplementing any vacancies short of twelve at the end of each year, so long as a maximum number of one hundred and seventy-five Captains be not exceeded; should there be more than fifteen

vacancies in any year, the excess not to be filled up in that year.

"3. That, for the present, we be also empowered to promote annually twenty (and should vacancies occur as many as twenty-five) Lieutenants to the rank of Commander, effecting this by filling every vacancy, and supplementing any vacancies short of twenty at the end of each year, so long as a maximum number of two hundred and twenty-five Commanders be not exceeded; should there be more than twenty-five vacancies in any year the excess not to be filled up in that year, provided that the list is kept up to two hundred.

"4. That, for the present, we be authorised to sanction the optional retirement of Flag Officers and Captains at the following ages, viz. :—

" Admirals and Vice-Admirals	55
" Rear-Admirals	50
" Captains	45

"Such optional retirement to be subject in each case to our approval, and to be restricted to three Flag Officers and six Captains annually, power being reserved to us, with the

sanction of the Lords Commissioners of Your Majesty's Treasury, to extend this option to a larger number hereafter should such a course appear desirable.

"5. SERVICE ON COMMITTEES, &c.

At the Court at Windsor,

the 18th day of May, 1870.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honorable the Lords Commissioners of the Admiralty, dated the 16th of May, 1870, in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 22nd February, 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, We would humbly propose to Your Majesty:

"1st. As regards service of Officers on Committees or Commissions of Enquiry in connection with naval matters of importance, we are of opinion, that, considering the value of such enquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-Pay, and Retirement, though not to reckon as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-Pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the Active List, until he ceases to be in such civil employment; that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

"3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four vacancies

which may be caused by Retirement, or Promotion consequent on Retirement, until the Lists may be reduced to the numbers authorised by Your Majesty's above-named Order in Council; and we would beg to point out that provision for making such promotion in the ranks of Captain, Commander, and Lieutenant, was contained in the Order of Council of 22nd of February, 1870.

"4th. As regards the promotion on Retirement of Staff Commanders and Paymasters, whereas it is laid down by Your Majesty's Order in Council of 26th June, 1867, that Staff Commanders having served 20 years in the ranks of Navigating Lieutenant and Staff Commander shall receive, when retired, the rank of Retired Captain, and that Officers having served 15 years in those ranks shall retire with the rank of Retired Commander; and by Your Majesty's Order in Council of 9th July, 1864, it is laid down that Paymasters who may have completed 20 years' service, including Acting Paymaster's time, and not more than 4 years' time as Assistant Paymaster, shall be retired with the rank of Paymaster-in-Chief: And whereas by Your Majesty's Order in Council of 22nd February, 1870, it has been provided that Commanders and Lieutenants placed on the Retired List, that these Officers shall be granted the rank of Retired Captain and Retired Commander only at our discretion, we are of opinion that it will be for the benefit of your Majesty's Service that similar conditions should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers should no longer be entitled to claim the respective ranks of Retired Captain, Retired Commander, and Paymaster-in-Chief, when removed from the Active List, but that such promotion should, in addition to the above-mentioned requirements of service, be governed also by qualifications of good and meritorious service: We therefore humbly submit that in future, such Promotions on Retirement be made at our discretion. We beg further to represent that, so far as financial arrangements are affected, the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the above-mentioned proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed: And the Right Honorable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board, a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of January, 1872, in the words following, viz:—

1. That any Chaplain who obtains from us permission to accept a living, or desires to retire from Your Majesty's Service, may, provided that he has not less than 10 years' service, be retired with pay on the following scales, viz.:—

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st August, 1873, in the words following, viz.:—

"Whereas Your Majesty was graciously pleased, by Your Order in Council of the 5th February, 1872, to establish Regulations for the Retirement of Sub-Lieutenants of Your Majesty's Navy, and whereas, having had under our consideration the present state of the Active List of Navigating Sub-Lieutenants, we are of opinion that it is necessary to establish Regulations for the Retirement of Officers in this rank, we would therefore humbly submit to Your Majesty the following proposals:—

1. Navigating Sub-Lieutenants to be compulsorily retired at the age of forty or at any age if physically unfit for service.

2. Retired Pay to be granted as follows: after three years' seniority, 3s. 6d. per diem, an additional 6d. being given for each complete year beyond three served as Navigating Sub-Lieutenant until the maximum is reached, viz., 6s. per diem.

4. Service for Retired Pay to be calculated in accordance with the Provisions of Your Majesty's Order in

Council of 22nd February, 1870, relating to Navigating Officers' sea time, during which a Navigating Sub-Lieutenant may be on Half-Pay after he has served three years in that rank, to reckon in the proportion fixed by the said Order in Council.

5. Navigating Sub-Lieutenants to be allowed, at their own request and with our consent, to commute their Retired Pay under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for administering the Act, 34 and 35 Vict., cap. 56.

6. The existing rules as to Half-Pay to Navigating Sub-Lieutenants while on the Active List to remain in force.

7. We would humbly submit to Your Majesty that the above Regulations be sanctioned, and we further be allowed to apply the same to Navigating Sub-Lieutenant months in Your Majesty's Navy, and who was discharged from Your Majesty's Coastguard Service in July, 1871, on attaining the age of 60, from the date of his said discharge.

RETIREMENT OF MEDICAL OFFICERS.

CIRCULAR No. 12.—C. W.

Admiralty, 6th March, 1875.

MEDICAL OFFICERS OF THE NAVY.

My Lords Commissioners of the Admiralty having had under their consideration the position of the Medical Officers of the Navy, are pleased, under the authority of Her Majesty's Order in Council of 4th February, 1875, to establish the following regulations:—

1. Surgeons on entry to have the same relative rank as Paymasters, Chief Engineers, and Naval Instructors, namely, to rank with Lieutenants under eight years' seniority, and to wear uniform corresponding to such relative rank.
2. Staff Surgeons to be denominated "Staff Surgeons," and Staff Surgeons Second-class simply "Staff Surgeons;" the distinction in rank between these two grades to be denoted by a small difference in the uniform of the Staff Surgeon, who, instead of three stripes of gold lace round the sleeve of the coat, which the Fleet Surgeon will wear, will wear two stripes of gold lace with a stripe of narrow gold braid between.
3. Inspectors-General to be compulsorily retired at the age of 60; to be allowed 2*l.* per day, provided they shall have completed the period of service now required to entitle them to the maximum Half-pay of their rank; should they not have completed such period of service, they will be retired at the rate of Half or Retired Pay specified in the Order in Council of 22 Feb., 1870.
4. Deputy Inspectors-General to be compulsorily retired

at 60; if in the first six of their rank, to be allowed 3*s.*, others 30*s.* per diem, provided that they shall have completed the period of service now required to entitle them to the maximum Half-pay of their rank; should they not have completed such period of service they will be retired at the rate of Half or Retired Pay specified in the Order in Council of 22 Feb., 1870.

5. Fleet Surgeons and Staff Surgeons to be placed on the same scale of retirement as Chaplains and Naval Instructors, Secretaries, and Paymasters; that is, the maximum to be 450*l.* per year instead of 400*l.*
6. Fleet Surgeons to have the option of retiring after 20 years' Full Pay service in all ranks at 1*l.* per day, and after 25 years' Full Pay service at 2*l.*, subject in each case to their Lordships' approval, but of those now on the list not more than 10 to retire under this clause in each year (the Officers having the option according to seniority), unless their Lordships should approve (with the consent of the Treasury) of a larger number so retiring. Applications from Officers wishing to retire under this clause should be lodged at the Admiralty before the 30th November in each year, in order that they may be dealt with, according to seniority, before the end of the year.
7. All Medical Officers hereafter entered to have the option of so retiring, subject to the approval of their Lordships in each case.

By Command of their Lordships,

ROBERT HALL.

GOOD SERVICE PENSIONS.

ORDER IN COUNCIL, No. 17.—P.

At the Court at Osborne House, Isle of Wight,
the 9th day of August, 1872.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 8th of August, 1872, in the words following, viz.:

"Whereas by Your Majesty's Order in Council, dated the 22nd day of February, 1870, certain rates of Half-Pay were established for Captains in Your Majesty's Navy, and certain regulations laid down for the grant of Good Service

Pensions to Officers of that rank; And whereas we are humbly of opinion that it would be for the advantage of Your Majesty's Naval Service to alter some of the conditions under which Good Service Pensions are now held by Captains, and to reduce the number of such Pensions, increasing at the same time the Half-Pay of all Officers of that rank: We do, therefore, beg leave to recommend that Your Majesty will be graciously pleased by Your Order in Council to grant, from the 1st day of October, 1872, an addition of 2*s.* a day to each rate of Half-Pay provided for Captains; to declare the paragraphs 3, 6, and 7, of section IX., of the said Order in Council shall no longer apply to Captains' Good Service Pensions, and that, subject to the temporary provisions hereinafter stated, the following be

tions be established with regard to such Pensions, in addition to the other regulations in the said Order in Council, which remain in full force:—

Captain's Good Service Pensions to be limited in number to 12, each of £150 a-year, and to be awarded to officers on the Active List for distinguished service at sea, service being given, in cases of special gallantry to officers who have commanded a ship in action against the enemy.

The emolument of the Pension to be drawn by the officer irrespective of the receipt of Full-Pay, or Half-Pay, or Civil Salary.

And we further beg leave to recommend the following temporary provisions, namely, until the number of Captains holding Good Service Pensions be reduced to 12, one in every two vacancies created amongst the present pension holders to be filled up; and the emolument of any Good Service Pension, granted subsequently to the 1st day of April, 1870, not to be drawn by Officers on Full-Pay or receipt of Civil Salary. The Lords Commissioners of the Admiralty have signified to us their concurrence in the proposals."

Her Majesty having taken the said Memorial into consideration, was pleased by and with the advice of Her Privy Council to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions hereinafter accordingly.

At the Court at Windsor,
the 5th day of May, 1873.

"And whereas, in the said Order in Council, there was a temporary provision sanctioned by Your Majesty, to the effect that until the number of Captains holding Good Service Pensions is reduced to twelve, the emolument of any Good Service Pension granted subsequently to the 1st day of April, 1870, shall not be drawn by Officers on Full Pay, or in receipt of Civil Salary:

"And whereas, on reconsideration of the matter, we are humbly of opinion that it would be desirable to cancel the said temporary provision from the 1st day of April, 1873, thus dating back to the commencement of the present financial year the arrangement which would probably not come into operation until its close:

"We do, therefore, beg leave to recommend that Your Majesty will be graciously pleased by Your Order in Council to cancel the said temporary provision, and to declare that on and after the 1st day of April last, the emolument of a Good Service Pension may be drawn by a Captain, irrespective of the receipt of Full Pay, or Half Pay, or Civil Salary.

"The Lords of Your Majesty's Treasury have signified their concurrence in this proposal."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions hereinafter accordingly.

Whereas there was this day read at the Board, a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th of December, 1871, in the words following, viz.:—

"Whereas Your Majesty was, by Your Order in Council of 22nd February, 1870, most graciously pleased to sanction certain alterations in regard to the retirement of Officers in Your Majesty's Royal Marine Forces, whereof the effect is that service will not reckon for retirement until after 20 years of age: And whereas we are of opinion that the Regulations in respect of age should be modified in favour of those Officers who entered the Royal Marine Forces previous to the 1st April, 1870, the day on which, by Your Majesty's Order in Council before mentioned, the said Regulations came into force: And whereas we deem it expedient, with the view of increasing the efficiency of Your Majesty's Royal Marine Forces, to provide, as a temporary measure, for the Retirement upon Annuities of a limited number of Officers whose services are not of sufficient length to bring them within the scale established by Your Majesty's Order in Council aforesaid: We do, therefore, most humbly submit that Your Majesty will be pleased to sanction, with reference to the aforesaid Officers, the following modifications and temporary extension of the aforesaid Order in Council:—

1. That all Officers who entered the Royal Marines before 1st April, 1870, and who obtained their first Commission before attaining 18 years of age, be allowed to reckon their service for retirement from the age of 18; those who entered at or after 18 years of age, to reckon their service from the date of their first Commission, but the maximum rates of Retired Pay, fixed by Clause 14 of the aforesaid Order in Council, shall, under no circumstances, be exceeded.

COAST GUARD. GENERAL ORDER.—N.

Admiralty, 10th July, 1872.

My Lords Commissioners of the Admiralty having been informed that a feeling exists among certain Officers of the Coast Guard that, by the Order in Council of the 22nd of February, 1870, they are entitled to the same pay as Officers of corresponding rank in the Royal Navy; the whole question relative to rank, pay, and pension of Officers serving in the Coast Guard has been referred to the Law Officers of the Crown, who have given their opinion as follows:—

- 1st. That by the Coast Guard Act of 1856, Officers employed in the Coast Guard are not entitled to the same rates of pay which are or may be given to Officers of their respective ranks in the Navy.
- 2nd. That the Coast Guard Act of 1856 does not entitle Officers of the Coast Guard to count service in the Coast Guard towards increase of pay, &c., in the same manner as service in Her Majesty's Ships at sea.
- 3rd. That the Navigating Officers employed in the Coast Guard are not entitled to the increased pay, &c., given by the Order in Council of the 22nd

February, 1870, to Navigating Officers in Her Majesty's Fleet.

4th. That Chief Officers of Coast Guard cruisers are not entitled to receive the minimum pay given to Navigating Lieutenants by Order in Council of the 22nd of February, 1870.

5th. That 2nd Class Chief Officers of the Coast Guard are to be considered of the rating of a distinct class from the rating of First Class Warrant Officer in the Navy, and are not entitled to the increased pay and pension given to the latter by the Order in Council of the 22nd February, 1870.

6th. That the rights of pay and pension of Officers employed in the Coast Guard may be regulated by Orders in Council.

Their Lordships are pleased to circulate this decision for general information.

By Command of their Lordships, ———
ROBERT HALL.

To the several District Captains, &c.

NAVAL RETIREMENT PREVIOUS TO 1870.

FLAG OFFICERS.

1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 39, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice-Admirals, and 51 Rear-Admirals: this reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear-Admirals, but they will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service, such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

1866.

1. Compulsory retirement to be extended to all the Executive Lists.

2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.

1847.

The plan of Retirement, published in the London Gazette of 1st Sept., 1845, and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 1*st* 6*d*, Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 1*st* 6*d.* and 10*th* 6*d.* Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 66 years of age, or when physically unfit for service.

5. Flag Officers, at present on the Active List, who may be retired under these Regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his flag will be considered eligible for the appointments of Vice- and Rear-Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 35:—	
Admirals of the Fleet and Admirals	21
(But not to be more than three Admirals of the Fleet at one time.)	
Vice-Admirals	22
Rear-Admirals	42
Total	85

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above, whether they have served or not.

CAPTAINS.

had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*st* List to be filled up, in turn of Seniority, by Officers then accepting the 18*l.* per diem; but no new admissions to the 1*st* 6*d.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75, 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

1851.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reductions shall be effected as follows, viz. —

- B. 1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains will rise to their Flag, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.
- E. 2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captain's List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.
- 3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

1860.

All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:

- If on 10s. 6d. Half-pay List when retired . 18s. per diem.
 If on 12s. 6d. 20s. " "
 If on 14s. 6d. 21s. " "
- Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.
- Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20s. per diem.
- Captains now on the 14s. 6d. Half-pay List not to be affected by these arrangements unless by their own desire.

1864.

1. The Active List of Captains to be reduced from 350 to 300.
- T. 2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of 60 without having served in their present rank, shall be extended to Captains who may attain the age of 60 and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:
- If on the 10s. 6d. Half-pay List when retired . 18s. per diem
 If on the 12s. 6d. " " " " } 20s. "
 If on the 14s. 6d. " " " " }
- Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 20s. per diem, subject, however, to the proviso contained in Paragraph 3.
3. The above system of retirement to be extended to Captains who may have attained the age of 55, provided they be willing and desirous to accept the same, subject to the proviso contained in Paragraph 3. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.
4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several rates of 18s. or 20s. a-day, according to their standing on the List, provided they

shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of fifteen years; and, if less than that period of service, at the rate of 16s. a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in Paragraph 3.

5. A limited number of Captains who may have attained the age of 60, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their term for promotion to the Flag List, without having served the time required to qualify them for their Active Flag, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a-day; subject, however, to the proviso contained in Paragraph 3.

7. The increased rate of 25s. per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August, 1860, to be allowed more than the pay of 20s. a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July, 1864. Those at present on the Active List, who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorized by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers, than 25s. a-day, in accordance with the Order in Council of 9th July, 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July, 1864.

REGULATIONS RELATING TO PENSIONS TO WIDOWS, AND COMPASSIONATE ALLOWANCES TO CHILDREN.

Widows of Commission and Warrant Officers of the *al Navy*, and of Commission Officers of Royal Marines, shall be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table in the Appendix, and subject to the following regulations:

1. The Pensions authorized by these Regulations cannot be claimed as a *Right*—they are granted as rewards for good faithful service rendered by deceased Officers;—they can only be conferred on persons deserving the Public Bounty;—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

2. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

3. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

4. If the claim of a Widow to Pension shall not be established before her death, the amount of Pension to which she would have been entitled to if living, shall not be allowed to her representatives.

5. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commission Officer, married after the age of Sixty Years,—or, being a Chief Gunner, Chief Boatwain, Chief Carpenter, or a Warrant Officer, after the age of Fifty Years. Chief Warrant Officers and Warrant Officers on the Active Lists on and after 1st October 1875, are allowed to marry up to the age of 60 without forfeiting their right to Widow's Pension.

ii. If her husband, being capable of service, had, at his solicitation, been excused from serving, when called on; provided he was officially warned that his Widow will thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in the Sea Service; but the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of her marriage, in such cases as they think proper.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity.

viii. If she shall be left in wealthy circumstances.

ix. If the marriage took place subsequent to the Officer assuming his retired pay or pension; or if the Officer, after having commuted, removed his name from the Lists of the Navy, although the marriage may have taken place before such commutation.

7. The Widows of Commission Officers (except Chaplains) shall have been married after the 31st of December, 1830, are fully entitled to the Pensions of their respective classes, in the event of their Husbands having been on the List of Commission Officers, or on the List of Naval Instructors, ten complete years, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer died from the effects of foreign service, then, provided he had been five years on the List,—was in good health when he married,—and it is clearly shown that the illness which occasioned his death resulted from such service alone, did not arise from constitutional predisposition, and was not brought on by any misconduct, or by any circumstances over which the Officer himself had control.

The Widows of Chief Gunners, Chief Boatwains, Chief Carpenters, are only entitled to Pensions in the event of their Husbands having been confirmed in the rank one year; and the Widows of Warrant Officers (Gunners, Boatwains, and Carpenters) are only entitled to Pensions in the event of their Husbands having been so confirmed for a period of one year (acting time included) and provided they shall have been confirmed in the rank of Warrant Officers.

8. No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been in Priest's

Orders, nor unless his name was on the List at the time of his death, nor unless he shall have been married during, or prior to, her Husband's Service in the Navy, and unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served the length of time to entitle him to Half-Pay; but by Order in Council of the 1st November, 1864, the Widows of Chaplains dying after that date, who shall have completed Ten Years' Service on Full Pay, may be granted Pensions, although no portion of such service be subsequent to their marriage, provided they are otherwise qualified, according to the existing regulations governing the grant of Pensions.

9. The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to themselves, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

10. In all cases of a Widow re-marrying, on or after the 6th August, 1861, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that she is not in wealthy circumstances, and is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage. Widows who are re-married before the date of these Instructions, and thereby forfeited their Pensions, will not have the same restored to them in the event of their again becoming Widows.

11. Every Officer, whether on Full or Half-Pay, shall—in order to facilitate the decision upon the claim of his Family after his decease, to the benefit of these regulations—notify his marriage within six months of its taking place, to the Admiralty, according to the Form in the Appendix.

12. With respect to marriages contracted in Scotland none will be admitted, for the purposes of these Regulations which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated,—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland, in presence of a Magistrate, according to the Form in the Appendix.

13. Mothers.—When an Officer is killed in action, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the Pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

14. Sisters.—Sisters of Officers are not eligible to any Allowance, unless under very special and extraordinary circumstances, to be judged of by the Lords of Her Majesty's Treasury. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have fallen in action, or shall die of wounds received in action, within six months after being wounded, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted, will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

15. Children of Officers.—Allowances on the Compassionate List to the legitimate Children of deceased Officers, may be given in those cases in which the Widow of the Officer would be entitled to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government; and that their pecuniary circumstances, and those of their family, are so limited, that they actually require assistance from the Compassionate Fund.

16. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz. :—

- 1st. Children of Officers killed in action, or drowned.
- 2nd. Children of Officers dying from illness contracted in the Service.

3rd. Orphans having neither Father nor Mother.
 4th. Children of Officers dying on Foreign Service.
 5th. Children of Officers dying on Full-Pay at Home
 6th. Children of Officers dying on Half-pay.
 17. The Allowances granted to the Sons of Officers may be continued until they attain the Age of Eighteen, or are otherwise previously provided for;— and those to the

Daughters may be continued until they marry, or attain the Age of Twenty-one, whichever shall first happen, and so longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

AT THE COURT AT WINDSOR,

the 27th day of November, 1875.

Present:

THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

WHEREAS there was this day read at the Board, a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 22nd of October, 1875, in the words following, viz:—

"Whereas by the fifth section of an Act passed in the twenty-ninth year of Your Majesty's reign, chapter eighty-nine, entitled 'An Act to provide for the better government of Greenwich Hospital,' it is, amongst other things, enacted that it shall be lawful for Your Majesty in Council, from time to time, by Order in Council, to appoint such Pensions as seem fit to Officers of Your Majesty's Navy;

"And whereas we have had under our consideration the cases of these Warrant Officers who, as Warrant Officers or as Seamen, contributed to the funds of Greenwich Hospital for full five years previous to the first day of January, 1830;

"And whereas we are humbly of opinion that they, as well as all other persons who so contributed, should participate in the benefits of the said Hospital, by being granted Special Pensions chargeable thereto;

"We do humbly submit that Your Majesty will be graciously pleased by Your Order in Council to sanction the grant, at our discretion, of Special Greenwich Hospital Pensions of three pounds and eight shillings a-year each to all Warrant Officers and other persons who, while serving in the Royal Navy or Marines, contributed to the funds of that institution for full five years previous to the first day of January, 1830, provided they are not in receipt of any other Pension chargeable to the said funds; are not maintained in any Hospital at the expense of Greenwich Hospital; and are not inmates of workhouses.

"The Pensions to commence from the date of Your Majesty's Order in Council sanctioning the same, and to be irrespective of the limit of £20,000 a-year fixed for Greenwich Hospital Special Pensions by Your Majesty's Order in Council of the 12th of December, 1874."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Under the Provisions of the Act 28 and 29 Vic. cap. 89 Widows of Petty Officers and Seamen of the Royal Navy, and of Non-commissioned Officers and Privates of the Royal Marines, slain, killed, or drowned in the service of the Crown, subsequent to the date of the passing of the above-mentioned Act, may be allowed a gratuity equal to one year's full wages according to the rating of their late hus-

bands at the time of their death, exclusive of any badge or other extra or additional pay.

All correspondence on this subject should be addressed to the Accountant-General of the Navy, Admiralty, Somerset House.

GRATUITIES TO PARENTS AND CHILDREN OF MEN SLAIN, KILLED, OR DROWNED, WHILE SERVING IN THE ROYAL NAVY.

Order in Council of 4th Feb. 1875.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the second of February, one thousand eight hundred and seventy-five, in the words following, viz. :—

"Whereas Your Majesty was graciously pleased to direct, by Your Majesty's Order in Council of the ninth of September, one thousand eight hundred and sixty-five, that the widows of petty officers and seamen of the Royal Navy, and of non-commissioned officers and privates of the Royal Marines, slain, killed, or drowned in the service of the Crown, be allowed a gratuity out of the funds of Greenwich Hospital equal to one year's full wages, according to the rating of their late husbands at the time of their death, exclusive of any badge or other extra or additional pay; and whereas we are of opinion that it is desirable to extend the gratuity to the children of seamen and marines who have lost their lives in the manner before described, when such children are total orphans, and to the aged parents of such men, when it can be proved that they have been dependent upon their late sons' allotment. We humbly submit that Your Majesty will be graciously pleased to authorise the payment in such cases, of a sum or sums not exceeding the amount of the gratuity which would be payable to the widow, if living, the total expenditure in any one year not exceeding the sum of five hundred pounds."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

X. The Selected Division will consist of eighty boys, who will be entered from the General Division by competitive examination. At the age of thirteen, the boys in this division of the school will be required to enter into an agreement jointly with their parents or guardians, to enter the Royal Navy at the conclusion of their tuition, in such capacities as they may be found best qualified to fill. If they then be reported physically fit, they will be retained in the school until fifteen and a half years of age, otherwise they will be discharged.

XII. The education of the boys in the general division will comprise the usual elements of a sound English education, alternating with practical seamanship, and other industrial occupations designed to prepare them for a seafaring life.

A PROCLAMATION.

ICTORIA R.

WEAS By Our Order in Council of this Day's Date we are graciously pleased to annul, from and after the 10th Day of September next, Our Royal Proclamation of the Nineteenth Day of May One thousand eight hundred and sixty-six, regulating, according to the Scheme therein or recognized thereby, the Distribution of the Proceeds of Prizes captured from the Enemy, of Res and Seizures under the several Acts of Parliament relating to the Revenues of Customs, and to Trade Navigation, for the Abolition of the Slave Trade, for Capture and Destruction of Pirates and Piratical Acts, and of the Rewards conferred for the same, as also Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially provided for by the Terms of the respective Awards and Warrants, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being made, it is expedient that Provision should be made for the Distribution of such net Proceeds and Salvage Warrants specially apportioned, and all other Monies now granted to be shared among the officers and crews of our ships and vessels in the Manner of Prize Money.

And, therefore, now made known to all our loving Subjects, and to all others whom it may concern, by this Proclamation, by and with the advice and consent of our Council, that Our Royal Will and Pleasure is, that we do hereby direct, That Ships or Vessels being taken as prize, as also of the captor, under circumstances

to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows:—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed: that is to say—

When there is but one flag officer he shall have the entire one thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture

or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belong to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flag, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

The first captain to the admiral and commander-in-chief of Our fleet, and also the first captain to any flag officer appointed to command a fleet of ten ships of the line or upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect of his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag

officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, navigating lieutenant commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag, one-tenth of the entire net proceeds, except that if the single capturing ship be a rated ship having a commander under the captain the commander shall take a portion of the one-tenth part as if he were commander of a sloop according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants, staff commanders, and navigating lieutenants, commanding respectively Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts, and each lieutenant commanding, staff commander commanding, or navigating lieutenant commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commodores of the second class, and field officers of marines (artillery or light infantry) or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains; and field officers of marines (artillery or light infantry) or of land forces serving as marines, and doing duty as rank of major, to share as commanders of sloops. Every such order shall be absolutely revoked by the death of the payee, so that no interest therein shall pass to the payee's personal representatives.

Nothing in this Order shall affect any order drawn by a subordinate officer, seaman, or marine, before the first day of January, one thousand eight hundred and sixty-five.

At any time a person formerly licensed as an agent or representative has a lawful claim against the share of a subordinate officer, seaman, or marine, of any prize money in respect of advances made by such agent before the first day of January, one thousand eight hundred and sixty-five, the claim shall be duly discharged under the provisions of the Admiralty, as nearly as may be as if the claim had not been paid.

Unclaimed and Forgotten Shares.

The share of any person of any prize money is not

duly claimed within six years after it is payable to him, it shall be deemed unclaimed and shall be dealt with accordingly.

27. Notwithstanding that any such share has been forwarded or is unclaimed, the Admiralty may, if they see good cause, pay the same out of the naval prize cash balance.

Closing of Accounts.

28. All accounts relative to any prize-money (whether the same became distributable before or after the commencement of this Order) shall be deemed finally closed at the expiration of forty years from the date of distribution.

Persons of Unsound Mind.

29. Where it is made to appear to the satisfaction of the Admiralty that any person entitled to a share of any prize-money is of unsound mind (though not found lunatic by inquisition), the whole or any part of such share may be paid over under the direction of the Admiralty to the wife or relative or other person having the care and maintenance of such person, to be applied for his maintenance and benefit.

Repayment from Greenwich Hospital.

30. All sums from time to time certified by the Accountant-General of the Navy to have been paid to claimants and others proving themselves entitled to shares of any prize-money, which was, before the first day of June, one thousand eight hundred and twenty-nine, paid into Greenwich Hospital, shall from time to time be repaid under the direction of the Admiralty out of the property held for the benefit of Greenwich Hospital.

Annual Account.

31. An account showing all the receipts and expenditure on account of prize-money made up to the thirty-first day of March in each year, and signed by the Accountant-General of the Navy, shall be annually laid before the House of Commons.

And the Lords Commissioners of Her Majesty's Treasury and the Lords Commissioners of the Admiralty are to give the necessary directions herein as to them may respectively appertain.

CIRCULAR NO. 33.—LMM.

Admiralty, 9th May, 1872.

(SHIPS' AGENTS.)

(Naval Agency and Distribution Act, 1864.)

The Lords Commissioners of the Admiralty have observed that the provisions of the Naval Agency and Distribution Act, 1864 (37 and 38 Vict., cap. 24), relating to the appointment of Ships' Agents, have not in all cases been complied with; and they desire to call the attention of Naval Officers to this Act generally, and especially to Sections 4 and 5, which impose a duty on the Commanding Officers of Her Majesty's Ships.

2. Section 4 is as follows:—"Each of Her Majesty's Ships of War shall at all times while in Commission have, for the purposes of this Act, an Agent styled the Ship's Agent, to be appointed in the first instance as soon as may be after the Ship is put in Commission, and afterwards from time to time as a vacancy in the office or other occasion may require;"—and Section 5. "The Ship's Agent shall be appointed from time to time at pleasure by the Commanding Officer of the Ship for the time being, by an instrument signed and attested in the form given in the schedule to this Act."

The schedule contains the form of appointment of Ship's Agent.

(*) Name of Officer.

(†) Description and name of Ship.

(‡) Name of Agent.

3. As great inconvenience has occasionally arisen from the want of a properly constituted Ship's Agent in this country, my Lords desire that, upon a Ship being put in

Commission, the Officer appointed to the command shall, without delay, appoint a Ship's Agent in accordance with the provisions of the above-recited Act, and shall report the name of such Agent (as also the name of any substituted Agent) to their Lordships' Secretary.

4. In the event of its being found necessary to institute proceedings against any Vessel or property, the Commanding Officer will take care that all costs and expenses incurred in such proceedings are paid either by himself, or by arrangement with the Ship's Agent. He will also forward to the Ship's Agent all the necessary documents to enable him to claim the bounties or proceeds, if any, to which the Captors are entitled, or re-payment of any expenses which may have been incurred in their behalf.

CIRCULAR No. 71.—L.M.M.

Admiralty, 17th November, 1874.

(COSTS OF PROSECUTION IN SLAVE CAPTURES, OR UNDER THE KIDNAPPING ACT, 1872.)

The attention of my Lords Commissioners of the Admiralty having been called to the inadequacy of the provision made to meet the expenses incurred by Commanding Officers of Her Majesty's Ships in conducting prosecutions under the Kidnapping Act, 1872, their Lordships are pleased to direct that Circular No. 2, of 6th January, 1874 (Costs of Prosecution in Slave Captures), shall be cancelled, and that the following Regulations shall be substituted for those contained therein.

"1. In case any proceedings shall have been instituted in

any Court of Vice-Admiralty or Mixed Commission on behalf of any of Her Majesty's Ships in regard of the matters enumerated in the 12th section of the Agency and Distribution Act, 1864, and the Commanding Officer of such Ship shall be unable himself to pay legal expenses attending the prosecution, or to pay a bill for the amount on the Ship's Agent, he will be at liberty to demand from the Paymaster of his Ship an advance of public money for the purpose. The amount of such advance, which must not exceed 100*l.*, is to be debited by the master on the Ship's Ledger against the pay of the Commanding Officer, who can reimburse himself by the Ship's Agent for the amount when opportunity occurs.

"2. In case any proceedings shall have been instituted on behalf of, any of Her Majesty's Ships in such matters under the Kidnapping Act, 1872, the Commanding Officer will be at liberty to obtain from the Paymaster of his Ship an advance of public money for the purpose. The amount of such advance, which must not exceed 100*l.*, is to be charged as an Imprest against such Commanding Officer until the Treasury (should they so decide) shall approve the same under the 14th Clause of the said Act.

It is desirable that the approval of the Commander-in-Chief or Senior Officer on the Station should be obtained before such application of public money; but in cases of delay necessary to obtain such approval be in a convenient, the advance may be made on the sole authority of the Commanding Officer of the Ship, the case being reported to the Commander-in-Chief or Senior Officer."

CONVEYANCE OF TREASURE.

PROCLAMATIONS RESPECTING THE CONVEYANCE OF PUBLIC AND PRIVATE TREASURE.

By His Royal Highness the Prince of Wales, Regent of the United Kingdom of Great Britain and Ireland, in the Name and on the Behalf of His Majesty.

A PROCLAMATION.

GEORGE R. R.

WHEREAS by an Act passed in the Fifty-ninth Year of the Reign of His present Majesty, cap. 26, intituled, *An Act to enable His Majesty to fix a Rate and direct the Disposal of Freight-Money, for the Conveyance of Specie and Jewels on board His Majesty's Ships and Vessels*, it is enacted, That from and after the Eighth Day of April, One Thousand Eight Hundred and Nineteen, all Freight-Money to be paid for the Conveyance on board any of the Ships and Vessels of His Majesty, his Heirs and Successors, of Gold, Silver, and Jewels, or of any other Article which may be by special Order received on board the said Ships and Vessels, and for which Freight shall be payable, shall be paid at such Rate, and distributed and applied for such Purposes, and divided to and amongst such Persons, in such Proportions, and after such Manner, as His Majesty, his Heirs and Successors, shall, from time to time think fit to order and direct by any Proclamation or Proclamations to be issued for that Purpose; and that no Freight-Money or Reward shall hereafter be demanded, paid, received, or detained by, to, or for the use or on account of any Person or Persons, for the Conveyance on board of any of the Ships and Vessels of His Majesty, his Heirs or Successors, of any Gold, Silver, or Jewels, or any other Article which may be by special order received on board the said Ship or Vessel, and for which Freight shall be payable, other than for the purposes, and by the Person or Persons, in the Proportion, at the Rates, and in the Manner so to be paid and allowed by Proclamation or Proclamations; and that all Bargains, Contracts, Covenants, and Agreements made or entered into for the Payment of any Freight-Money, for or in the Name or on the Account of Freight for the Conveyance of Gold, Silver, or Jewels, or other Articles as aforesaid, on board of any of His Majesty's Ships or Vessels, at any Rate, or for any other Purpose, or by or to any other Person or Persons,

or in any other Manner or Proportions than as aforesaid, shall be and the same are hereby declared utterly void. We do therefore, in pursuance of the said Act, so vested in His Majesty, his Heirs and Successors, this Our Royal Proclamation, in the Name and on the Behalf of His Majesty, and by and with the Advice of His Majesty's Privy Council, think proper to make direct, and we do hereby order and direct, That Gold, Silver, and Jewels, or other Articles of Treasure by special Order, conveyed in His Majesty's Ships and Vessels, in the Care and Charge of the Captain or Officer commanding such Ship or Vessel, shall be paid to the Paymaster of Freight, whether such Treasure be to the Crown or to other Parties.

That on the Delivery of any Gold, Silver, or other Articles as aforesaid, laden on board of any of His Majesty's Ships or Vessels, for which Freight shall be payable as aforesaid, or according to the Rates and Directions hereinafter contained, a Receipt, signed by the Captain or Officer commanding such Ship or Vessel, describing the Quantity or Value of such Gold, Silver, Jewels, or other Articles as aforesaid, on board of such Ship or Vessel, shall be liable or responsible for the same, in case of Loss or Damage thereof to which he might be liable, in Form or to the Effect following:

(Here insert Bill of Lading in the usual Form.)

And it is hereby stipulated and agreed between the said Shipper and the Shipper and Owners and Charterers of the said Ship, that in case of Loss or Damage happening to the said Gold, Silver, Jewels, or other Articles as aforesaid, the Captain or Officer commanding such Ship or Vessel as aforesaid, shall not be held liable or responsible for more than Three-fourths of the Amount of such Loss or Damage.

That the Rates at which Freight shall be paid for Gold and for Private Treasure respectively, and in Ports or on different Voyages, shall be as follows:

[For Rates see Proclamation dated 23 April, 1831, page 438.]

That in case of any Difference on any Question arising out of the above Scale, or omitted in the said Scale, the Lords Commissioners of the Admiralty shall have Authority to decide what the Freight shall be under the said Scale, or adhering as nearly as possible, in Cases not specified, to the Spirit and Principles of the said Scale.

That on the Shipment of Gold, Silver, or Jewels, or other Articles received on board as Treasure by special Order, the Rate of Freight, *per Cent.*, according to the above Scale, shall be endorsed on the Bill or Bill of Lading, or Receipt or Receipts of the Officer receiving the Cargo thereof, such Endorsement or Endorsements to be signed by the said Officer; but in case of any Difference of Opinion Abroad, or when immediate Reference cannot be had to the Lords of the Admiralty, it may be expressed, "at such Rate as the Lords Commissioners of the Admiralty shall decide."

When Treasure belonging to the Crown shall be shipped in any of His Majesty's Ships or Vessels with a Commander or Conductor specially charged with the Care thereof, the Officer commanding such Ship or Vessel shall not be required to give any Receipt, nor to sign any Bill of Lading, and such Officer shall not receive any Freight on account thereof, nor be liable to make good any Loss or Damage which may happen to the same.

That the Lords Commissioners of the Admiralty shall have Authority to direct at what Time, and for what Time, and within what Limits, the War Freight shall be payable on Private Treasure received by Special Order.

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the Proviso hereinafter mentioned: One Fourth to the Admiral or Admirals, if more than one on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station, in the following Proportions, viz.

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

Provided that such Admiral or Admirals shall not be entitled to claim his or their respective Share or Shares in such Freight Money, otherwise than on Condition that he or they shall, before the Gold, Silver, Jewels, Treasure, or other Articles as aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Ship or Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notice under his Hand to the Commander in Chief to be entered in the said Order Book on board the Ship of the Commander in Chief.

And that such Share or Shares of the Admiral or Admirals and Junior Flag Officers, to which he or they shall not be entitled on the Conditions hereinafore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

I, A. B., am desirous of partaking in the Advantages with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captain, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable as happened to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals and Junior Flag Officers, to which he or they shall not be entitled on the Conditions hereinafore expressed, shall go and belong

to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers, when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, it is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively; and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty, and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereof.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at Carlton House, this Twelfth Day of July, One Thousand Eight Hundred and Nineteen, in the Fifty-ninth Year of His Majesty's Reign.

GOD SAVE THE KING.

TREASURE PLACED ON BOARD H.M.'S SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1831.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading

or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I AM, &c. J. W. CROKER.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

WHEREAS by an Act passed in the Fifty-ninth Year of the Reign of His late Majesty King George the Third, Chapter 25th, intituled *An Act to enable His Majesty to fix a Rate and direct the Disposal of Freight Money for the Conveyance of Specie and Jewels on board His Majesty's Ships and Vessels*, it is enacted, that from and after the Eighth Day of April One thousand eight hundred and nineteen, all Freight Money to be paid for the Conveyance, on board any of the Ships and Vessels of His Majesty, of Gold, Silver, and Jewels, or of any other Article, which may by special Order be received on board, and for which Freight shall be payable, shall be paid at such Rate, and be distributed and applied for such Purposes, and divided to and amongst such Persons, in such Proportions, and after such manner, as His Majesty, His Heirs and Successors, should from time to time think fit to order and direct by any Proclamation or Proclamations to be issued for that Purpose; in pursuance of which Act a Proclamation was, on the Twelfth Day of July following, made and issued by His Royal Highness the then Prince Regent in the Name and on the Behalf of His said Majesty, whereby, amongst other things, a Scale of Rates at which Freight should be payable for Public and Private Treasure respectively, in Peace and War, and for different Voyages, was fixed and established: And whereas We have thought fit to order that the said Rates should be altered: We have therefore, by and with the advice of Our Privy Council, deemed it expedient to issue this Our Royal Proclamation, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the said Scale of Rates so fixed shall cease and be no longer in force: And We do further declare, That from thenceforth the following Rates shall be established during Peace and War:

	For Crown Treasure	For Treasure belonging to other Parties.	
		Peace and War.	
		Gold or Jewels.	Silver.
	per Cent.	per Cent.	per Cent.
Between any Two Ports, the navigable Distance between which shall not exceed Six hundred Leagues,.....	$\frac{3}{4}$	$\frac{3}{4}$	1

For any Distance of Two thousand Leagues and upwards	1	$1\frac{1}{2}$	2

And it is further established and declared, That such Freight shall be payable clear of all Deduction whatsoever; and that it shall be stipulated in the Bill of Lading that the Captains and Commanding Officers of Our Ships and Vessels shall not be liable to any Expenses attending the Shipment of such Treasure, or other Articles, until the same shall be safe alongside of their respective Ships or Vessels, and that their liability shall cease from the Moment they shall have landed the Treasure at the Port to which the Ships carrying the Treasure shall be destined.

And it is further declared, That in all other respects, save what is hereby altered, the said Proclamation of the Twelfth Day of July One thousand eight hundred and nineteen, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at St. James's, this Twenty-third Day of April One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

BY THE KING.
A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of April last, establish and fix a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board of Our Ships and Vessels: We have, by and with the advice of Our Privy Council, thought fit further to alter, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six hundred Leagues, shall be fixed at the Rate of One per Cent. for Gold and Silver: and We do hereby establish and declare, That the Responsibility of the Officers in charge of such Treasure shall commence when it shall be landed alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: and it is further declared, That in all other respects, the Proclamation of the Twenty-third Day of April last, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at St. James's, this Eighth Day of April One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

Admiralty, 8th October 1831.

My Lords Commissioners of the Admiralty are directed to direct that Officers are not to constitute themselves Judges of their own claims to Freight, nor deduct from the Treasure belonging to the State such sums as they may themselves be entitled to, but that all claims for Freight of Public Treasure be submitted in the usual manner to the Lords of the Treasury for such order as may appear to them to be required.

And with reference to the Circular Order of 4th June 1829, granting an Allowance for Treasure deposited on board Her Majesty's Ships for Custody only, as if such Treasure were a conveyance from one place to another, at the same station, my Lords direct that the Regulations of that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

By Command of their Lordships,
SIR JOHN ROBERTSON.

From page 191 of the Addenda to the Queen's Regulations.

GREENWICH HOSPITAL PROPORTION OF FREIGHTAGE FOR THE CONVEYANCE OF TREASURE IN H.M. SHIPS.

1. The returns of Freightage, hitherto sent by the Commanding Officers of H.M. Ships to Greenwich Hospital, are to be forwarded to the Accountant-General of the Navy, instead of to the Treasurer of Greenwich Hospital, as directed by the Proclamation, dated 12th July, 1829.
2. The half-yearly returns from the Commanding Officers are to be sent, as heretofore, to the Secretary of the Admiralty, to be forwarded to the Accountant-General of the Navy.
3. The Commanding Officers of H.M. Ships, upon receipt of the Freightage on the Treasure conveyed, are to pay the proportion due to Greenwich Hospital in the statements of their respective ships, who are to debit themselves in their Public Cash Accounts under the head of "Freightage on Treasure due to Greenwich Hospital," treating the same as a part of their public cash, and making their contingent payments, and transmitting vouchers for their cash accounts, descriptive of the sums received, in order that these transactions may be duly examined by the Department of the Accountant-General, and the amount paid over to the credit of the "Greenwich Hospital Cash Account."
4. The Correspondence on the subject of "Freightage due to Greenwich Hospital" should be addressed to the Accountant-General of the Navy.

ENTRY AND DISCHARGES OF PETTY OFFICERS, SEAMEN AND MARINES.

(DIRECTIONS FOR THE EXAMINATION OF OFFICERS, MEN, AND BOYS FOR ADMISSION INTO THE ROYAL NAVY AND MARINES.)

Art. 410, p. 182, of *Addenda to Queen's Regulations*.

When a Medical Officer is directed to examine any person for admission into the Naval Service, or into the Royal Marines, he is first to observe whether he has any marks of wounds, or injuries of the bones of the head, whether his eyesight or hearing is defective, whether he is deformed, lame, or has an impediment of speech, or weakness of intellect, and should any of these or other mental or physical defects exist to such an extent as might, in the opinion of the Examining Officer, disqualify him for the efficient discharge of his duty, he is at once to report him unfit without carrying the examination further.

On the contrary, should the person present an outward appearance of unfitness, he is to be directed to divest himself entirely of his clothes; and the Medical Officer is then to satisfy himself, by a careful inspection of the entire cutaneous surface, that it is not only in itself free from disease, but that it shows no evidence or sign of the existence of any internal complaint or constitutional derangement.

He is to ascertain that there is a proper and just proportion between the different members of the body, that there is no spinal weakness or deformity; that the limbs are of equal length, strong, and well developed, that there are no visible marks of previous fracture, depression, or disease of the bones of head, nor adherent cicatrices, that the eyes are clear, intelligent, and expressive of health, the eyesight good, and the hearing perfect in both ears, that there is no defect or deformity of the bones of the nose, and that the teeth are good, strong, and sufficient in number.

The chest should be carefully examined in reference to its form and capacity, and the condition of the heart and lungs ascertained by percussion and auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained viscera, or predisposition to hernia from whatever cause.

The Examining Officer shall next direct the person to extend, and slowly raise his arms until the hands meet above his head; he is then to perform the various movements of the shoulder, elbow, and wrist joints; to flex and extend, supinate and pronate the forearm; to flex and extend the fingers and thumb; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five seconds.

In the examination of the lower extremities, the person is to be made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the limbs and feet, to show that the movements of the various joints can be freely and rapidly performed.

Persons of whatever class, or age, who are found to be labouring under any of the undementioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service:—

1. A weak constitution arising from imperfect development, or weakness of the physical powers of the body, or from chronic disease, constitutional depravity, wounds or injuries.

2. Chronic eruptions on the skin or scalp; syphilis, primary or constitutional; gonorrhoea; extensive marks of scurvy, leeching, or blistering, or of lues. Marks of rickets are to be reported to the Commanding Officer.

3. Malformation of the head, with a dry, harsh, divergent state of the hair of the scalp, fracture or depression of the base of the skull, disordered intellect or imbecility, epilepsy, mania, or impediment of speech.

4. Blindness or defective vision in one or both eyes, fistula of the eyelids, and strabismus.

5. Impaired hearing, or discharge from one or both ears, or thickening of the lining membrane of the external

6. Disease of the bones of the nose or of its cartilages and polypus.

7. Disease of the throat, palate, or tonsils; unsound teeth, offensive breath from constitutional causes, unhealthy gums, scrofulous disease of the glands of the throat or neck, external cicatrices, whether from scrofulous sores or suicidal wounds.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, flattening of the sub-clavicular regions, phthisis, hæmoptysis, bronchitis dyspnoea, aphonia, chronic cough, or other symptoms of tubercular exudation into the pulmonary tissues.

9. Swelling or distension of the abdomen, undue obesity, disease or enlargement of the liver, spleen, or kidneys. Rupture, weakness or distention of the abdominal rings; stricture of the urethra, incontinence of urine or urinary fistula.

10. The non-descent of one or both testicles, varicocele, hydrocele, and sarcocele.

11. Fistula or fissure of the anus, hæmorrhoids, condylomata, or prolapsus of the rectum.

12. Paralysis, weakness, impaired motion, or contraction of the upper or lower extremities from whatever cause; aneurism, a varicose state of the veins, especially of the leg. Chalky deposits, bunions, distortion, deformity, or malposition of the fingers or toes; nodes; flat-footedness.

13. Distortion of the spine, of the bones of the chest or pelvis, from injury or constitutional defect.

No person is to be admitted into Her Majesty's Service unless he has had smallpox, or has been vaccinated, and should the vaccine cicatrix not be considered satisfactory, he is to be reported fit only on condition that he immediately submits to the operation.

As it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or boy for the Service; observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicissitudes of the Service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical Officer, are to be entered on a List in the Medical Journal of the ship, in the Nosological Returns from Hospitals and Marine Infirmaries, and in the Weekly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disability contracted or sustained since his entry,—or, on going on foreign service.

3. Every Boy previous to being entered must satisfy the Examining Officers—

I. That he is of robust frame, intelligent, of perfectly sound and healthy constitution, free from any physical defects or malformation, and not subject to fits.

II. That he is able to read and write. The lowest test by which a Boy should be entered is to be able to read a passage of two ordinary lines of one syllable, and sign his name legibly.

III. That he is between the ages of 15 and 16½ years.

IV. That his height and measure are sufficient, the rules being as follows:—

	Height (without shoes).	Measurement round the Chest.
Boys between 15 and 15½ ..	4 ft. 10½ ins. ..	29 ins.
" " 15½ " 16 ..	4 ft. 11½ ins. ..	29½ ins.
" " 16 " 16½ ..	5 ft. 1 in. ..	30 ins.

Boys, however, who do not quite reach the standard of height and measurement may, if in all other respects desirable, be entered, with the special permission of their Lordships.

V. Every Boy must bring with him a Certificate of Birth, or a Declaration made by his Parents or Guardians before a Magistrate to show that he is of the proper age; and also the consent in writing of his Parents or Guardians, or nearest relatives if he be an Orphan, to his entering the Navy and engaging to serve until he shall have completed 10 Years' Continuous Service from the age of 18.

4. Boys are not to be received from Reformatories or Prisons.

5. The Examining Officers on board a District Ship will be the Captain or Commander, a Lieutenant or Navigating Lieutenant, and a Medical Officer; on board a Training Ship, the Commander (or in his absence an Officer of that rank to be appointed by the Commander-in-Chief), a Lieutenant or Navigating Lieutenant, and a Medical Officer; when, however, a Boy has been already passed by a Naval Medical Officer, he is not to be medically examined a second time, unless the Commanding Officer of the Training Ship to which he is sent shall think it necessary, and in such case the Boy is to be examined by a Board of three Medical Officers. The Medical Examination is, in all cases, to be conducted as laid down in Article 410 of the Addenda.

6. If the Examining Officers are of opinion that the Boy is in every respect fit for the Service, the engagement to serve continuously in Her Majesty's Navy until he has completed 10 Years' Service from the age of 18 is to be read and explained to him, and if he voluntarily agrees to its terms, he is then, in the presence of a witness, to sign his engagement, and to be entered on the books of the Ship.

7. The Examining Officers will also fill up the Form and Certificate attached to the Engagement, and will sign the same, and will transmit the document to the Accountant-General of the Navy.

(SEIZURE OF ILLEGAL COLOURS HOISTED ON BOARD MERCHANT VESSELS.)

The Lords Commissioners of the Admiralty have had under their consideration the above question, and are pleased to issue the following directions:—

With respect to the carrying of improper colours by British merchant vessels, the 106th section of the Merchant Shipping Act, 1864, provides as follows:—"If any colours usually worn by Her Majesty's ships, or any colours resembling those of Her Majesty, or any distinctive national colours, except the red ensign usually worn by merchant ships, or except the Union Jack with a white border, or if the pendant usually carried by Her Majesty's ships, or any pendant in anywise resembling such pendant, are, or is hoisted on board any ship or boat belonging to any subject of Her Majesty, without warrant for so doing from Her Majesty or from the Admiralty, the master of such ship or boat, or the owner thereof, if on board the same, and every other person hoisting or joining, or assisting in hoisting the same, shall, for every such offence, incur a penalty not exceeding 500*l.*; and it shall be lawful for any officer on full pay in the Military or Naval Service of Her Majesty, or any British Officer of the Customs, or any British Consular Officer, to board any such ship or boat, and to take away any such jack, colours, or pendant; and such jack, colours, or pendant shall be forfeited to Her Majesty."

2. Before exercising the above power, in any case, the Naval Officer will send a communication in writing to the master of the vessel, calling his attention to the above-mentioned section of the Merchant Shipping Act, and will further allow a reasonable time to elapse from the delivery of such communication.

3. In any home port the Officer will also, if he thinks necessary, apply to superior authority for instructions; and in any foreign port he will, by communicating with the Consul, or otherwise, endeavour to avoid giving offence to the local authorities.

4. Sec. 3 and 4 of Art. XII, p. 19, of the *Queen's Regulations*, and Circular No. 6 L. of the 4th February, 1866, are hereby cancelled.

By Command of their Lordships,

To all Commanders-in-Chief, &c.

REGULATIONS AS TO DISCIPLINE OF LAND FORCES EMBARKED AS PASSENGERS ON BOARD HER MAJESTY'S SHIPS.

CIRCULAR No. 10.—L.M.M.

Admiralty, 10th February, 1874.

REGULATIONS AS TO DISCIPLINE OF LAND FORCES EMBARKED AS PASSENGERS ON BOARD HER MAJESTY'S SHIPS.

Her Majesty, by Order in Council of 12th December, 1873, having been pleased to sanction the following Regulations for the discipline of Land Forces embarked as Passengers on board Her Majesty's Ships, the Lords Commissioners of the Admiralty are pleased to direct the Captains of Her Majesty's Ships to govern themselves accordingly.

At the Court at Windsor,
the 12th day of December, 1873.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board, a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of December, 1873, in the words following, viz.:

"Whereas it is provided by Section 88 of an Act passed in the twenty-ninth year of Your Majesty's reign, entitled 'An Act to make Provision for the Discipline of the Navy,' as follows:—

"Her Majesty's Land Forces, when embarked on board any of Her Majesty's Ships, shall be subject to the provisions of this Act to such extent and under such Regulations as Her Majesty, Her heirs and successors, by any Order or Orders in Council, shall at any time or times direct."

"Whereas Your Majesty was graciously pleased by Your Order in Council of the 22nd day of February, 1870, to approve the establishment of certain Regulations for the maintenance of order and discipline on board Your Majesty's ships in which Your Majesty's Land Forces may be embarked; and whereas we are of opinion that it would be for the advantage of Your Majesty's Naval and Military Services to amend the above-named Regulations in some particulars, we humbly beg that Your Majesty will be graciously pleased by your Order in Council to cancel the said Regulations, and in their place to sanction the following:—

"1. Whenever any of your Majesty's Land Forces, or any Royal Marines formed into a separate corps or battalion, shall be embarked as passengers in any of Your Majesty's ships, the officers and soldiers shall from the time of embarkation strictly observe the laws and regulations established for the government and discipline of Your Majesty's Navy, and shall for these purposes be under the command of the Senior Officer of the ship as well as of the Superior Officer of the Squadron, if any, to which such ship may belong.

"2. If any officer or soldier shall commit any act against the good order and discipline of the ship in which he is embarked, the Commanding Officer of the

ship may, by his own authority, and without reference to any other person, cause him to be put under arrest, or to be confined as a close prisoner, and shall thereupon, if he thinks the case requires it, transmit a report, in writing, of the charges against such officer or soldier to his superior officer, or if there be no senior officer present, to the Commander-in-Chief of Land Forces, in order that the offender may be brought before a Military Court-Martial.

"3. If any officer or soldier commits any act which in the opinion of the Commanding Officer of the Troops requires a trial by Court-Martial, such Commanding Officer shall, with the concurrence of the Captain of the ship, cause him to be disembarked on the first opportunity, or to be removed to a transport ship, and be there proceeded against according to military law. No Military Court-Martial shall be held on board any of Your Majesty's ships in commission.

"4. If any private soldier shall commit any act against the good order and discipline of the ship, the Commanding Officer of the ship, if he thinks the case requires the infliction of any summary punishment for which by the Regulations of Your Majesty's Navy a warrant is necessary, shall apply for the concurrence, in writing, of the Commanding Officer of the troops as to the nature and amount of such punishment, if any, to be inflicted, and upon obtaining such concurrence, in writing, shall, by warrant under his hand, sentence the offender to suffer such punishment accordingly. The sentence shall in all respects conform to the provisions contained in the Naval Discipline Act, 1866, relating to summary punishments awarded by Commanding Officers. If the Commanding Officer of the troops shall decline to give his concurrence as aforesaid, he shall state his reasons in writing, and deliver the same to the Commanding Officer of the ship.

"5. The Commanding Officer of the troops, upon receiving a notification in writing to that effect from the Commanding Officer of the ship, may, in respect of minor offences committed by any of the troops embarked, award such summary punishments as are permitted by the Regulations of Your Majesty's Navy to be awarded without a warrant. Your Majesty's Secretary of State for War and His Royal Highness the Field Marshal Commanding-in-Chief have signified their concurrence to these Regulations."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

By Command of their Lordships,

ROBERT HALL.

LONG SERVICE AND GOOD CONDUCT MEDALS
AND GRATUITIES.

1. The Lords Commissioners of the Admiralty having had under their consideration the Regulations for the Award of Long Service and Good Conduct Medals and Gratuities laid down in the following Circulars, viz. :—

No. 18, N. of 15th February, 1870, Articles 5, 6, 7, 8, 9, 10, and 11.

No. 4 P. of 19th February, 1872,

No. 14 P. of 10th March, 1873,

are pleased to direct that those Regulations be cancelled; and that the following rules are in future to be observed:

2. Recommendations for Medals and Gratuities are henceforth to be made entirely irrespective of the complements of Her Majesty's Ships, or the strength of the Divisions of Royal Marines and Coast Guard, it being the intention of the Lords Commissioners of the Admiralty that there should not be any bar, except a man's own conduct, to his obtaining those distinguishing marks of their Lordships' approbation.

3. The word "Exemplary" is to be used for describing the character of men with reference to their being granted Medals and Gratuities.

4. This word is to be entered, *in red ink*, annually, on the 31st of December, and on discharge from Ships and Marine Quarters, by the Commanding Officers of Her Majesty's Ships and Vessels, and by the Commandants or Commanding Officers of Royal Marines, on the Parchment Certificates of such men as have up to that time shown themselves deserving of the character.

5. A notation of "Exemplary" character having been awarded is to be made at the same time against the names of such men in the Service and Conduct Book, with a statement that they have fulfilled all the conditions required by this Circular.

6. No man shall be considered entitled to the character of "Exemplary" unless he has borne the character of "Very Good" throughout the whole of his previous service; except that during the first five years of a man's time, one year of "Good" conduct may be allowed to reckon as "Very Good."

7. No man shall be considered entitled to the character of "Exemplary" if he has been, during the year for which the character is given in the Second Class for Conduct or has been imprisoned, or confined in cells, or has been deprived of a badge, or has been placed below the privileged class for leave.

8. Rejection to the Second Class for Conduct, or Imprisonment, during any portion of a man's time, shall render him absolutely ineligible for Medal or Gratuity.

9. In the event, however, of a man, who would be excluded under the above regulation, having shown highly exemplary conduct in action, or otherwise, he may be recommended for special consideration.

10. Men who have for ten consecutive years been given the character of "Exemplary" under these conditions, may be recommended for Medals at any period of their service after the completion of such ten years.

11. A man to whom a Medal has been awarded will be liable to be deprived of it summarily by Warrant for subsequent misconduct, subject to the ultimate approval of the Commander-in-Chief, or Senior Officer of the Station, or Commandant, or Commanding Officer of Royal Marines; the deprivation to take place publicly, and to carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. The Medal to be returned to the Secretary of the Admiralty.

12. A man may be deprived of his Medal without being deprived of any Good Conduct Badge, but not vice versa.

13. Men who have for fifteen consecutive years been given the character of "Exemplary" under the foregoing conditions, may be recommended, on their discharge to Pension, for Gratuities in addition to their Medals.

The Scale for Gratuities shall be as follows:—

Chief Petty Officers and Non-commissioned Officers of Royal Marines in Class I, having served as Chief and First Class Petty Officers, and as Staff-Sergeants and Sergeants of Royal Marines, for not less than ten years	20
---	----

First Class Petty Officers, and Sergeants of Royal Marines in Classes II., III., and IV., having served as such for not less than ten years 15

Second Class Petty Officers, and Corporals and Bombardiers of Royal Marines, having served as such for not less than seven years 10

Leading Seamen, having served as such for not less than five years 7

Able Seamen; and Gunners, Privates, Musicians, and Buglers of Royal Marines; and others not excluded by paragraph 14 5

14. Neither Medals nor Gratuities will in future be bestowed on Ordinary Seamen, Third Class Writers, Third Class Signalmen, Second and Third Class Domestic, Ship's Stewards' Assistants, Assistant Sick Berth Attendants, and boys of every description.

15. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such one of the lower rates, with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award to him.

16. Lists of Men recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the accompanying form, by the Commanders-in-Chief and Senior Officers at Home and Abroad, the Commandants of Royal Marines, and the Divisional Officers of Coast Guard, on the first day of the third month of each Quarter; and as soon as their Lordships' approval has been received, the Medals and Gratuities are to be presented before the Ship's Company, by the Captain of the Ship; and, in the case of Royal Marines, by the Commandants on Parade.*

17. These Regulations are to come into operation on the 1st day of January, 1875, and are to apply to all persons of the ratings herein mentioned borne on the Books of Her Majesty's Ships and Vessels; and in the Coast Guard at sea and on Shore; and to Royal Marines at Divisions as well as Embarked.

Temporary Provision.

18. In the case of men now in the Service, time served before the 1st of January, 1875, with "Very Good" character, will be allowed to reckon as "Exemplary" for Medal and Gratuity, provided their conduct has been such as to render them deserving of being considered "Exemplary" under paragraphs 6 and 7 of this Circular.

CIRCULAR No. 20.—P.

Admiralty, 26th April, 1875.

G SERVICE AND GOOD CONDUCT MEDALS AND GRATUITIES.

Question having been raised as to whether men who do wish to complete their time for Long Service Pension or be considered eligible for "Long Service and Good Conduct" Medals, under the provisions of Circular No. 18, of 18th December, 1874; My Lords Commissioners of the Admiralty desire me to acquaint you, for general information, that the award of these medals after only ten years of "exemplary" conduct was sanctioned in order to recognise publicly the merits of deserving men who were going for Long Service Pensions, by enabling them to this distinguishing mark of their Lordships' approbation while in the Service, and as an encouragement to them to emulate their good example; but it was not intended that men should be at liberty to receive the medal then to leave the Navy or Marines, without completing "Long Service" for which the medal was specially issued.

My Lords are therefore pleased to direct, that medals only be granted to such men as may continue to serve on Long Service Pension, and that, in the event of a man has been granted a medal declining to go on serving to complete such time, he shall surrender the medal on his discharge, unless he has completed 15 years' service, in which case he may retain it.

Men invalided out of the Service, and consequently unable to complete 20 or 21 years, will be allowed to retain their medals.

Questions having also been raised as to the effect of the punishments mentioned in Article 7 of the above-mentioned Circular on a man's claim to medal and gratuity; My Lords are pleased to be distinctly understood that these punishments are not a reduction to 2nd class for conduct and imprisonment, whether inflicted singly or cumulatively, do not necessarily render a man ineligible for medal or gratuity. My Lords only prevent him from being given the character of "exemplary" for the year in which they were inflicted, if: 1. the 1st January, 1875; or prevent his character being altered as "exemplary," under Article 18 of the Circular, after that date.

1. 10 consecutive years of "exemplary" character (or of "very good" before 1st January, 1875, equal to "exemplary") are required to render a man eligible for medal, 15 years for gratuity. It follows that no man who has been punished can be eligible for at least 10 or 15 years of the year of his last punishment.

Moreover, in order to be eligible, he must have been given "very good" character for the year in which the punishment was inflicted; because no man can be granted a medal or gratuity unless he is "exemplary," and no man can be awarded "exemplary," under Article 6 of the Circular in question, if he has not had "very good" character throughout the whole of his previous service, except the one year of "very good" allowed to reckon as "very good" in the first five years of a man's time; that is, of time which reckons towards his discharge.

The infliction of any of the punishments mentioned in Article 7 of the Circular in question, after a medal has been awarded, entails forfeiture of the medal; but if a "very good" character is given for the year in which the punishment takes place, the medal may be restored after 10 consecutive years of "exemplary" character after the year in which the medal was taken away.

In the case of a man who has joined the Navy or Marines from the Army, the general character given to him on his discharge will be taken as his character throughout the whole of his Army Service, subject, however, to the

rules as to 10 consecutive years of "very good" or "exemplary" character after punishment laid down in this Circular.

6. "Fair" character during any portion of man's service, entirely excludes from medal or gratuity.

By Command of their Lordships,

ROBERT HALL.

To all Commanders-in-Chief, &c.

CIRCULAR LETTER.—P.

Admiralty, 2nd August, 1875.

SIR,—Cases having come under the notice of My Lords Commissioners of the Admiralty in which "exemplary" character for medal has been awarded to men who, in their previous service, have been reduced to the second class, or have received characters below that of "good"; I am commanded by their Lordships to acquaint you that such an award of character, being contrary to the provisions of Circular No. 78 P., of the 16th December, 1874, and No. 20 P., of 26th April, 1875, must be altered forthwith to "very good," and you are to give the necessary directions accordingly.

2. My Lords have also been informed that some Commanding Officers consider, with reference to Article 4, Paragraph 3, of Circular No. 20 P., of 1876, that although men have been disqualified for medal in the first ten years of their service, yet by awarding them the character of "exemplary" from the 1st of January, 1875, they commence from that date to reckon towards the medal to be earned in the remainder of their service, provided the same high character shall be maintained.

3. This also is entirely contrary to the provisions of the Circulars in question, and Commanding Officers should clearly understand that certain conditions referred to in Articles 6, 7, and 8 of Circular No. 78 P., of 1874, permanently exclude men from being given "exemplary" character.

4. The character given in such portion of a boy's service as does not reckon for pension has no effect on his claim to medal and gratuity; but that given in such portion of a boy's service as does reckon for pension, must not be inferior to "good," in order to give him a claim to medal and gratuity under Article 6, of Circular No. 78 P., of 1874.

5. A complete history of badges should be given on the copy of the parchment certificate of service transmitted with applications for medals, showing the dates of deprivation and restoration.

6. If it is desired that men who have received medals should also be given gratuities, separate application should be made for the latter on the men being recommended for pension.

I am, Sir, your obedient servant,

ROBERT HALL.

CIRCULAR No. 54.—P.

Admiralty, 23rd July, 1874.

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

Her Majesty has been graciously pleased, by her Order in Council, dated the 7th instant, to establish a Silver Medal for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

2. This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £20) in the cases of Chief and First-class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities, by the Lords Commissioners of Her Majesty's Treasury, is not exceeded.

3. My Lords desire that you will take the necessary measures for making the same generally known to the Petty Officers, Seamen, and Royal Marines of the several ships and divisions under your orders.

4. As these awards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, My Lords desire that great care may be taken that the cases of the men recommended to their notice come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

By Command of their Lordships,

ROBERT HALL.

REGULATIONS FOR ENTRY OF OFFICERS IN THE ROYAL NAVAL RESERVE.

ORDER IN COUNCIL, MARCH 1, 1864.

At the Court of Windsor,

On the 1st day of March, 1864.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas by the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, Her Majesty was empowered to avail herself of the services of a certain number of Officers of the Merchant Service of the United Kingdom, and of the Colonies and Dependencies of Great Britain, as Officers of Reserve to the Royal Navy; and whereas certain Regulations have been made under the said Act, and in pursuance of the said Act and of the said Regulations made thereunder, a considerable number of such Officers have been enrolled as Officers of Reserve; and whereas by the Officers of Royal Naval Reserve Act, 1863, twenty-six and twenty-seven Victoria, chapter sixty-nine, it is enacted as follows, viz.:-

"1. It shall be lawful for Her Majesty to accept from time to time the offer of any persons who have been, are, or shall be Masters, Mates, or Engineers of Ships in the Merchant Service aforesaid, or of other British Ships not belonging to Her Majesty, or of any persons who have been Commissioned Officers, Masters, or Engineers in the Indian Naval Force of Her Majesty, or in the Naval Force of the East India Company, to serve as Officers of Reserve to the Royal Navy, upon such terms and conditions as to Her Majesty may from time to time seem fit.

"2. The Lord High Admiral, or the Commissioners for executing his office, hereinafter called the Admiralty, may enrol as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time deem expedient, under and subject to such rules, orders, and regulations as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for training or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

"3. Such persons so enrolled as Officers of Reserve shall be entitled to receive such pay and allowances as the Admiralty, with the consent of Her Majesty in Council, may from time to time appoint; and if any such person is disabled or receives any hurt or wound in actual service, he shall be entitled to the same allowance or pension in respect thereof as an Officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances; and if any such person is killed in action, or dies from any wound or accident resulting from the performance of his duty, his widow (if any) shall be entitled to the same pension as the widow of an officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances.

"4. It shall be lawful for Her Majesty to continue the services of all persons who have been enrolled as Officers of Reserve to the Royal Navy before the passing of this Act, and the services of all such persons shall be deemed to be continued by Her Majesty as if this Act had not been passed, unless and until Her Majesty thinks fit to discontinue the same.

"5. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, as far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any part of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), 'to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy,' shall be repealed,

but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder.

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, as Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine:

Now, therefore, Her Majesty is pleased to direct that the said Regulations appended to this Order shall take effect from the date hereof.

ARTHUR HALL.

But on a special report being made to the Lords Commissioners of the Admiralty by the Commanders of such Drill or Gunnery Ship in the United Kingdom, or by the Captain of such ship abroad, to the effect that a Lieutenant or Sub-Lieutenant of the Reserve is competent to instruct and drill men of the Reserve, then such Lieutenant or Sub-Lieutenant will be required to undergo seven days' test drill each year, and if such test drill is performed to the satisfaction of the officer superintending the drill, the further twenty-one days will be dispensed with; but if the seven days' test drill is not satisfactory, the further twenty-one days' drill must be performed.

QUALIFICATIONS FOR THE ORDER OF THE BATH.

Extract from Supplementary Statutes of 24th June, 1861.

It is ordained that the Military Division of the Third-class, or Companions, may be increased to six hundred and ninety, and shall not, except under special and temporary exigencies, exceed that number; and that no person shall be nominated thereto who doth not actually hold at the time of his nomination a Commission in our Army or Marines, or in our Indian Military Forces, or of above the rank of Major, or a Commission in our Navy, or in our Indian Naval Forces, or of above the rank of Commander, or a Commission of equivalent or higher rank in the Commissariat Service of our Army or Indian Military Forces, or in the Medical Service of our Army, Navy, or Indian Military and Naval Forces; nor shall any person be admitted into this Division unless his services have been marked by the special mention of his name in despatches, as having distinguished himself by his valour and conduct in action

against the enemy, in the command of a ship of war, or of our troops, or at the head of a Military Department, or as having by some Active Service, under his immediate conduct and direction, contributed to the success of any such action; provided, nevertheless, and We do hereby declare that this last-mentioned regulation shall not be applicable to Commissariat and Medical Officers, and instead thereof, We further declare, that no Commissariat or Medical Officer shall be competent to be an ordinary member of the Military Division of the Second and Third Classes of the said Order, unless it shall appear to us that by his meritorious services in actual war, in providing for the wants of our Army, or of our Indian Military Forces, or in taking care of the sick or wounded Officers, Soldiers, and Seamen of our Army and Navy, or of our Indian Military and Naval Forces, he has deserved such distinction.

REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign-Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited to the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to

ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the *Gazette*, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's license and permission do not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of

honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Foreign Office, May 10th, 1855.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services should be addressed, as the case may be, to the Commander-in-Chief, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formalities.

2. Any British Subject is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An Officer, Soldier, Marine, or Sailor must, however, first obtain permission from the Commander-in-Chief, or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, Jan. 1870.

CLARENTON.

THE VICTORIA CROSS.

VICTORIA B.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, We do hereby institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Service, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an scroll, bearing this inscription, "For Valour."

Secondly. It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatso-

ever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded is performed, if the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the force in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines

not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration, and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-Commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourthly, It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-

Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly, In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not shew a reasonable time to surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at Our Court at Buckingham Palace, this twentieth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

THE ALBERT MEDAL.

WARRANT REVOKING A WARRANT dated the 7th March, 1866, instituting A NEW DECORATION to be styled "THE ALBERT MEDAL," and instituting in lieu thereof TWO NEW DECORATIONS, to be styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS," and "THE ALBERT MEDAL OF THE SECOND CLASS."

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS A Warrant was given under our Royal Sign Manual, bearing date the 7th day of March, 1866, in the 29th year of Our reign, intituled "A Warrant instituting a new Decoration, to be styled 'The Albert Medal,'" and such Warrant was in the terms following, that is to say,—

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea, and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss, and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour: Now, for the purpose of attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—It is ordained that the distinction shall be styled "The Albert Medal," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor erect, in gold, surrounded with a garter. In bronze, inscribed in raised letters of gold "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort,

and suspended from a dark blue ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

Secondly.—It is ordained that the Medal shall be suspended from the left breast.

Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer the decoration shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received the medal, again performs an act which, if he had not received such medal, would have entitled him to it, such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended, and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the date of this Instrument, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives; and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited; and every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

And WHEREAS It has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our Warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas, We, taking into Our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other

of the sea, are placed in place of the Decoration, and by Order in Council of the 7th March, 1866, to institute two Decorations, which we are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept. It is ordained, that one of the said two Decorations shall be styled "The Albert Medal of the First Class," shall consist of a gold oval-shaped badge or decoration, set in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor erect in gold, surmounted with a garb in bronze, inscribed in raised letters of "For Gallantry in Saving Life at Sea," and surmounted with representation of the crown of His Royal Highness the Prince Consort, and suspended from a dark blue ribbon of an inch and three-eighths in width, with four longitudinal stripes.

Secondly.—It is ordained that the other of the two distinctions shall be styled "The Albert Medal of the Second Class," shall consist of the like shaped enamelled badge, save except in this class it shall be entirely worked in bronze, and of gold and bronze, and suspended from a dark blue ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

It is ordained that each Medal shall be suspended from a ribbon.

Thirdly.—It is ordained, that the names of those upon whom we may be pleased to confer either of these decorations shall be published in the "London Gazette," and a copy thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received either of the Medals, again performs an act which he had not received such Medal, would have entitled him to such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended; and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March, 1866, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—It is ordained, that the Albert Medal of the First Class shall be confined to cases of extreme and heroic daring, and that the Albert Medal of the Second Class shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve the Albert Medal of the First Class.

Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

Given at Our Court at St. James's, this twelfth day of April, one thousand eight hundred and sixty-seven, in the thirtieth year of Our reign.

By Her Majesty's command,

S. H. WALPOLE.

HUMANE SOCIETY'S MEDALS.

CIRCULAR No. 11.—G.

Admiralty, 19th March, 1866.

HUMANE SOCIETY'S MEDALS.

The Royal Humane Society having made arrangements reducing the size of their Medals, in future,—in order to suit of their being worn,—and for granting Clasp and for subsequent acts of bravery, in cases where a Medal

has been already granted,—my Lords Commissioners of the Admiralty are hereby pleased to notify to the Officers and Men of Her Majesty's Navy and Marines their permission to Officers and Men to wear such Medals and Clasp when awarded by the Humane Society.

By Command of their Lordships,

W. G. BOMANNE.

To all Commanders-in-Chief, &c.

LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

Which take effect from the 1st October, 1870.)

His notice is issued by the Secretary of State for the Colonies, for the information of officers wishing to retire in Her Majesty's naval or military service, for the purpose of settling in those colonies, which offer privileges to a class of settlers in the acquisition of Crown lands.

1. Colonies which offer Privileges.

The only Colonies which now offer land privileges to naval and Military Officers are British Columbia and Hong Kong.

2. Officers entitled to Privileges.

The Officers to whom such privileges are offered are (a) naval Officers of the Military Branch, of all grades not lower than that of Sub-Lieutenants; (b) Military Officers of grades not lower than that of Subalterns of seven years' standing; (c) Regimental Staff Officers; and (d) Medical Officers of both Services, of not less than five years' standing.

3. Officers not entitled to Privileges.

The Officers not entitled to land privileges are, Naval and Military Chaplains; Commissariat Officers; Subalterns of seven years' standing; Medical Officers of less than seven years' standing; Midshipmen; Cadets; Warrant Officers of every description; Officers of any of the Civil

Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service hereinafter mentioned.

4. Nature and Extent of Privileges.

In British Columbia a certain quantity of land is granted in lieu of remission of purchase money. In the other above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of service of the Officer as shown in the following scales, viz.:

	Acres.
Field Officers of 35 years' service, in the whole	600
Field Officers of 30 " " " "	500
Field Officers of 15 " " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less in the whole	300
Subalterns of 20 years' service, and upwards in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

In Honduras a remission of purchase money is allowed in the acquisition of lands according to the following scale, viz. :—

	£.
Field Officers of 25 years' service and upwards, in the whole	600
Field Officers of 20 " " "	500
Field Officers of 15 " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less, in the whole	300
Subalterns of 20 years' service and upwards, in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

Naval Officers receive allowances corresponding with their relative rank to Officers in the army as prescribed in Her Majesty's Order in Council of 11th June, 1863.

5. Memorandum of Rank and Service.

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a naval man, from the Lords Commissioners of the Admiralty, and if a military man, from the Office of the General Commanding-in-Chief specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

6. Location Ticket.

As the sole object of the Regulations is to encourage the bona fide settlement of naval and military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. Crown Grant.

At the expiration of two years from the date of such Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the

Governor, but not otherwise, that he is a bona fide settler in the Colony, and has not only continuously resided there since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements there of such description and value as the Governor may be prescribed in any general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

8. Lapse of Claim of Crown Grant not applied for in time.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelvemonth from the expiration of the two years for which it was held, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown.

9. Land not transferable until Grant issued.

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

10. Provision in case of Death.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorised to make a Memorandum available, as he may think proper, in favor of a child or children or other nearest representative if deceased, who will then become entitled to the same right and be subject to the same conditions as attached to the Location Ticket. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. Permanence of the Regulations cannot be guaranteed.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations, nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown land in the Colony.

AT THE COURT AT OSBORNE HOUSE, ISLE OF WIGHT THE FIFTH DAY OF FEBRUARY, 1870.

Present: The Queen's Most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honorable Lords Commissioners of the Admiralty, dated 23rd day of December, 1869, in the words following, viz.:

"Whereas We have had under consideration the subject of the Servants now allowed at the public cost to the Commanders-in-Chief of Your Majesty's Ships and Vessels at the Home Ports; their Secretaries; and the Superintendents of Your Majesty's Dockyards at Home; and whereas We are of opinion that it would be for the advantage of Your Majesty's Naval Service, and a saving of expense to the country, if a composition were granted to such Officers to enable them to provide their own Servants; We humbly beg leave to recommend that Your Majesty will be

graciously pleased, by Your Order in Council to establish the various Commuted allowances proposed in the following table:—

Station.	Rank.	Commuted Allowance
Portsmouth	Com.-in-Chief	£500 0 0
Devonport	ditto	500 0 0
Sheerness	ditto	400 0 0
Queenstown	ditto	250 0 0
Portsmouth	Sec. to Com.-in-Chief	40 0 0
Devonport	ditto ditto	40 0 0
Sheerness	ditto ditto	40 0 0
Queenstown	ditto ditto	40 0 0
Portsmouth	Adm. Superintendent	300 0 0
Devonport	ditto ditto	300 0 0
Sheerness	Captain ditto	125 0 0
Chatham	ditto ditto	125 0 0
Pembroke	ditto ditto	125 0 0

This change to take place from the 1st April next, except in the cases of the recently appointed Commanders-in-Chief at Devonport and Queenstown, and any other Commander-in-Chief who may be appointed before that date.

"And whereas we are further of opinion that the existing Office of Flag-Lieutenant, to the Admirals Superintendent

of the Dockyards at Home is no longer required, and that unnecessary expense is consequently occasioned to the public: We humbly beg leave to recommend that Your Majesty will be graciously pleased, by Your Order in Council, to abolish such Offices from the 1st of April next, or before then in case of any fresh appointment of a Superintendent.

"And whereas We have also had under our consideration the existing regulations on the subject of the Table Money allowed to the Commanders-in-Chief at Home, and Admirals Superintendent of Your Majesty's Dockyards at Home; and being humbly of opinion that it would be for the advantage of Your Majesty's Naval Service, if, when such Officers are on leave, they should not altogether lose their Table Allowances; We beg leave to submit that Your Majesty will be graciously pleased to sanction our proposal, that, from the 1st of October last, Commanders-in-Chief at Home and Admirals Superintendent of Home Dockyards, be allowed half the amount of their Table Money during short leave of Absence when granted by the Admiralty, not to exceed six weeks in the year. The Lords Commissioners of Your Majesty's Treasury have signified their approval of these proposals."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly. (Signed) ARTHUR HELPS.

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-Pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-Pay depend upon actual service.

Admiralty, 14th June, 1871.

Commanding Officers of Her Majesty's Ships are to transmit to the Accountant-General of the Navy and Comptroller of Navy Pay, immediately that either they, or any of the Officers under their command, are discharged to Half-Pay, one of the Returns hereinafter specified, and headed respectively "(A) Foreign Service," "(B) Home Service."

3. The Form already required to be furnished, and specified at page 175 (Appendix) of the Addenda (1868) to the Admiralty Instructions, will suffice for Officers returning to Half-Pay from Foreign Service, amended as per specimen annexed and marked A.

4. A number is to be assigned to each Officer examined, so as to note it on every paper he works out, together with the name of his ship; but he is never to write his name on the papers containing his observations.

No books are to be allowed during the Examination except Tables of Logarithms and the Nautical Almanac, such Dictionaries are not permitted.)

8. Each Junior Officer's log is to be closely written up, and is to be examined and reported upon.

The examination in seamanship, gunnery, and steam is to be conducted by the Officer in Command, assisted by Senior Lieutenant, Gunner, Lieutenant, and Chief Instructor, or other competent Officers. The examination in navigation, Mathematics, &c., is to be conducted by the Junior Instructor, who, where necessary, is to be assisted by the Navigating Officer. In those ships where no Naval Instructor is borne the Officer in Command will appoint a Navigating or other competent Officer to conduct the examination.

If at the time of the written examination two or more ships are in company, it is desirable that they should employ Instructors, so that the examinations should be revised by a stranger, rather than by an Officer belonging to the same ship as the pupils.

When the Examination is concluded, the worked papers are to be examined on board each ship by the Naval Instructor or the Officer who conducted the examination, and is to inform the Captain, for the information of the Admiralty, of the probable results of the examination. The papers are then to be sent to the Flag Ship of Squadron or Station for the information of the Commander-in-Chief, and are to be examined by the Naval Instructor of that or such other Ship as the Commander-in-Chief may direct, who is to be promulgated the results of the examination, which is to be promulgated among the ships on board which the examinations were held. The papers are then to be forwarded to the "Secretary of the Admiralty," with a list of the Index numbers, containing names, the date on which each Officer was examined, and the Class then obtained. The papers are then to be forwarded to the "Secretary of the Admiralty," with a list of the Index numbers, containing names, the date on which each Officer was examined, and the Class then obtained. The papers are then to be forwarded to the "Secretary of the Admiralty," with a list of the Index numbers, containing names, the date on which each Officer was examined, and the Class then obtained.

The Examination, formerly held half-yearly by the Naval Instructor, is to be revised and held in December each year, and the results communicated to the Commander-in-Chief in the usual form printed at page 64 of the Queen's Regulations.

Should any emergency arise, such as "stress of weather," so as to interfere with the authorised days, the Examination is to be held as soon after as circumstances and the Commanding Officer is to report the full particulars of the case.

By Circular No. 73 C.W. of 23rd December, 1873, is cancelled.

By Command of their Lordships,

ROBERT HALL,

Commanders-in-Chief, &c.

Admiralty, 27th May, 1874.

PROVISIONAL EXAMINATION OF MIDSHIPMEN, NAVIGATING MIDSHIPMEN, CLERKS, AND ASSISTANT ENGINEERS.

My Lords Commissioners of the Admiralty have had under their consideration the inconvenience arising from the system now in force at the Home Ports, under which a Midshipman can only be examined in Seamanship for the rank of Lieutenant on a fixed day in each week, whereby a loss of seniority may be incurred in the case of an Officer whose qualifying period of service expired on an intermediate date, and are pleased to direct that for the future the Clause in the Queen's Regulations (Art. 12, p. 64), which in the case of an Officer serving abroad, permits, under certain circumstances, of his being provisionally examined, shall be considered as extending to Officers serving in ships at Home, the Captains of which are empowered, with the aid of other competent Officers, to examine provisionally any such Midshipman as shall make application on the completion of his qualifying period of service, and to grant him a Certificate if successful.

My Lords are further pleased to direct that such extension shall also apply in the case of Midshipmen belonging to ships attached to squadrons at sea, whenever the exigencies of the Service shall render it inconvenient to examine them in the usual manner on the completion of their time.

In the event of a Midshipman succeeding in passing the usual Examination on the next ordinary passing day at the Home Ports, or, in the case of Officers serving in squadrons, on the first opportunity that may be afforded him, his Certificate is to be antedated to the date of his provisional Examination.

This rule is also to apply to Navigating Midshipmen, Clerks, and Assistant Engineers.

By command of their Lordships,

ROBERT HALL.

1. The annexed form of Passing Certificate for the ranks of Lieutenant or Navigating Lieutenant is to take the place of the form of Passing Certificate at present in use.

3. In order, however, to insure a sufficient knowledge of Gunnery and Navigation, candidates for examination in Seamanship abroad, are, if Midshipmen, to produce certificates of proficiency in Gunnery and Navigation, and if Navigating Midshipmen, a certificate of proficiency in Navigation. Such certificates are to certify, and be signed, &c. as follows:—

REGULATIONS FOR THE ENTRY AND EXAMINATIONS OF CANDIDATES FOR COMMISSIONS IN THE ROYAL MARINE ARTILLERY AND LIGHT INFANTRY.

[Under Revision.]

NAVIGATING AND PILOTAGE DUTIES ON BOARD HER MAJESTY'S SHIPS.

CIRCULAR No. 49.—C.

Admiralty, 7th August. 1873.

My Lords Commissioners of the Admiralty, being desirous of employing a certain number of Commanders, Lieutenants, and Sub-Lieutenants to perform the Navigating and Pilotage duties on board Her Majesty's ships, are pleased to make the following Regulations:—

1. Their Lordships propose, in the first instance, to appoint to Navigating Duties five Lieutenants under four years' standing, and twenty Sub-Lieutenants. Officers of these ranks, who are desirous to obtain such appointments, are to send in their applications to the Secretary of the Admiralty.

2. Officers whose applications are approved, will be required to pass the Pilotage examination in the Hydrographical Office, Whitehall. Facilities will be afforded to Lieutenants for preparing for this examination at Portsmouth, or at such other place as their Lordships may from time to time determine. Sub-Lieutenants will receive instruction under the Navigating Officers of the ships in which they are serving.

3. No Lieutenant will be eligible for examination until he has completed one year's service at sea as a Lieutenant, but my Lords will appoint Lieutenants who apply for these appointments to sea-going ships to complete their year's sea time if necessary. Every Sub-Lieutenant who has elected Navigating Duties will, when promoted to the rank of Lieutenant, be appointed to a sea-going ship to serve one year as a watch-keeping officer.

4. Within the first five years of their service, Lieutenants accepting Navigating Appointments will be required to go through a short course of gunnery in the 'Excellent' or 'Cambridge'; and in the Quarterly Returns of gunnery from Her Majesty's ships, it will be reported whether they are competent to drill quarters, and are conversant with the rifle and sword exercises. The Captains of the ships in which they serve will take care that facilities are afforded these officers for keeping up their knowledge on these subjects.

5. Commanders holding Navigating Appointments will receive the pay of their rank. Lieutenants under five

years' standing, and Sub-Lieutenants performing Navigating Duties when duly qualified will receive 2s. 6d. a-day in addition to their pay; Lieutenants over five years', 3s. Lieutenants who have passed for 1st-class ships, 4s.

6. Officers who have elected Navigating Duties will be retained on the Executive List with the letter N, or other symbol, attached to their names.

7. As it is their Lordships' intention that the Navigation and Pilotage of Her Majesty's ships shall be performed, under the Captain's direction, by Officers specially-trained in those duties, such Officers will not, under ordinary circumstances, be expected to share in the general duties of watch-keeping, &c. They are, however, to take the position to which their seniority may entitle them, and are not to be exempt from the performance of the duty of Commanding Officer in the absence of the Captain or other their Superior Officer.

8. On his promotion to Commander, the Officer who has served as Lieutenant for Navigating Duties, and has qualified for first-class ships, may continue to perform Navigating Duties as Commander, or will be considered for other employment with Officers of his rank; and nothing in these Regulations shall interfere with promotion to the higher ranks.

By Command of their Lordships,

ROBERT HALL.

To all Commanders-in-Chief, &c.

ROYAL NAVAL COLLEGE, GREENWICH.

CIRCULAR No. 8.—C.

Admiralty, 30th January, 1873.

Her Majesty by Her Order in Council, dated 16th January, 1873, having sanctioned the founding of a Royal Naval College at Greenwich, my Lords have determined to open the said College on the 1st of February next, at which date the instruction of the Gunnery Lieutenants and the Sub-Lieutenants will commence. The arrangements for the higher courses of study will not be complete till the beginning of the ensuing term on the 1st October, but special provisions have been made to prevent any interruption or disarrangement in the studies of any Class of Students who will hereafter be admitted to the College.

The College, subject to the subjoined Regulations, will be open to Officers of the following ranks:—

1. Captains and Commanders.
2. Lieutenants.
3. Navigating Officers.
4. Naval Instructors.
5. Acting Sub-Lieutenants and Acting Navigating Sub-Lieutenants.
6. Officers Royal Marine Artillery.
7. Ditto Royal Marine Light Infantry.
8. Officers of the Engineer Branch, viz.:—
Chief Engineers.
Engineers.
1st Class Assistant Engineers.
Acting 2nd Class Assistant Engineers.

9. A limited number of Dockyard Apprentices will be annually selected by competitive examination, for admission to the College.

A course of instruction at the College will also be open to a limited number of—

1. Private Students of Naval Architecture or Marine Engineering.
2. Officers of the Mercantile Marine.

It is not intended to provide at Greenwich for the education of the Naval Cadets.

My Lords intend that the Royal Naval College at Greenwich shall be so organised as to provide for the education of Naval Officers of all ranks above that of Midshipman,

in all branches of theoretical and scientific study bearing upon their profession; but my Lords will continue the instruction given in the 'Excellent' Gunnery Ship as heretofore, and arrangements for instruction in practical surveying will also be continued at Portsmouth.

My Lords desire, by the establishment of the College, to give to the executive Officers of the Navy generally, every possible advantage in respect of scientific education; but no arrangements will be made at all prejudicing the all-important practical training in the active duties of their profession.

The object of securing, in the interest of the Naval Service, the highest possible scientific instruction is, in the opinion of my Lords, most effectually to be attained by bringing together in one establishment all the necessary means for the higher education of Naval Officers and of others connected with the Navy.

The number of Students at the College will render it possible not only to carry out instruction by individual tuition, as hitherto, but to secure a staff of eminent professors, to arrange lectures and classes, and to provide chemical and physical laboratories, on a scale which has hitherto been possible in any naval establishment.

Complete courses of study suitable for the different classes of Students admitted will be organised, and will be carried out by professors, lecturers, and instructors. Officers and others admitted as Students will have the advantage of these courses of study, whether they reside or not. But Officers and others who may not become students will, under certain regulations, have free access to separate courses of lectures, the benefit of which it is desired, to extend as far as possible.

The following are the proposed courses of study.

Subjects.

1. Pure Mathematics, including Co-Ordinate and Higher Pure Geometry, Differential and Integral Calculus, Finite Differences, and the Calculus of Variations.
2. Applied Mathematics, viz., Kinematics, Mechanics, Optics, and the Theories of Sound, Light, Heat, Electricity, and Magnetism.
3. Applied Mechanics, including the Theory of Struc-

tures, the Principles of Mechanism, and the Theory of Machines.

4. Nautical Astronomy, Surveying, Hydrography, with Maritime Geography, Meteorology, and Chart Drawing.

5. Experimental Sciences—

- a. Physics, viz., Sound, Heat, Light, Electricity, and Magnetism.
- b. Chemistry.
- c. Metallurgy.

6. Marine Engineering in all its branches.

7. Naval Architecture in all its branches.

8. Fortification, Military Drawing, and Naval Artillery.

9. International and Maritime Law; Law of Evidence and Naval Courts Martial.

10. Naval History and Tactics, including Naval Signals and Steam Evolutions.

11. Modern Languages.

12. Drawing.

13. Hygiene—Naval and Climatic.

A certain latitude in selecting such courses of study as they may prefer will be allowed to Officers voluntarily attending the College. Officers and others required to attend by the Regulations will follow such courses of study as may from time to time be prescribed.

The general organisation of the College will be as follows—

A Flag Officer will be President; he will be assisted by a Captain in the Royal Navy in matters affecting discipline, and in the internal arrangements of the College unconnected with study.

A Director of Studies will, under the President, organize and superintend the whole system of instruction, and the various courses of study.

There will further be—

- A Professor of Mathematics.
- A Professor of Physical Science.
- A Professor of Chemistry.
- A Professor of Applied Mechanics.
- A Professor of Fortification.

Such Instructors in Mathematics and the other branches specified as may be necessary to assist the Professors will be added to the Staff. Lecturers will be appointed to deliver courses of Lectures in Naval Architecture, Metallurgy, Civil and Hydraulic Engineering, Maritime Law, Naval History, and Tactics, and Hygiene.

A Naval Officer will conduct instruction in Nautical Astronomy and Surveying, and there will be two Instructors in Steam.

Such provisions will be made for instruction in French and German and in Drawing, as the numbers of Students desirous of following courses in these branches may render necessary.

The following changes are introduced in the Regulations as regards the time of study in the case of Officers who are required to attend the College.

(a) The time allowed to Acting Sub-Lieutenants to qualify for their Examination in Navigation for Lieutenants will be extended from six weeks to six months.

(b) Gunners Lieutenants will be required to pass a term of nine months (from 1st October to 30th June) in the College at Greenwich before commencing their practical course in the 'Excellent' instead of, as at present, a term of seven months after they have completed it.

(c) Officers, on applying to qualify as Gunners Lieutenants, if they have not already served one year at sea as Lieutenants, will be at once appointed to a sea-going ship, in order to complete the year's service required before they commence their studies.

(d) My Lords propose that successful Candidates for Commissions in the Royal Marine Light Infantry should, before receiving their Commissions, have the advantage of a term of study in the College. They also propose to assign a longer term of study to officers of the Royal Marine Artillery; but the final arrangements with regard to Marine Officers have not yet been concluded.

(e) All acting Second Class Assistant Engineers will in future be sent to Greenwich, after leaving the dockyards, for a period of study before their appointment to sea-going ships.

As regards Officers on half-pay, My Lords are particularly anxious that young Lieutenants should at once, on their promotion to that rank, avail themselves of the advantages of the College before their turn would come for appointment to a ship. The regulations specify allowances which are intended to remove any pecuniary difficulties in attending the College; and special consideration for ap-

pointments will be given to Lieutenants who thus occupy in so useful a manner the time necessarily spent on shore. Arrangements have been made for the admission of Naval Engineer Officers to the College, which will prevent time spent at the College from entailing any pecuniary loss upon them.

The School of Naval Architecture at South Kensington will be absorbed in the Royal Naval College, Greenwich. The regulations for the admission of Engineer Students and of Dockyard Apprentices have been so framed as to provide as nearly as possible the same aggregate time for their instruction as that which is now afforded at South Kensington. Further regulations will be issued by their Lordships in regard to the admission of private Students to the course of study at the College on similar conditions to those now existing at South Kensington.

My Lords have further determined to admit a limited number of Officers of the Mercantile Marine as Students of the College, enjoying the full advantages of the whole course of instruction and tuition by the Educational Staff, while Officers of the Mercantile Marine generally will, on application, be allowed to attend courses of lectures.

The paramount object which My Lords have pursued in the organisation of the College has been to provide the most efficient means for the higher education of Naval Officers adequate to the constantly increasing requirements of the Service; but My Lords also anticipate great advantages from the results likely to accrue from the connection which will be established through the College between men distinguished in the various departments of mathematical, physical, and chemical science, and those practical problems which so vitally interest the navigator, the naval architect, and the naval engineer.

My Lords expect the College to become, not only an educational establishment affording the means of the highest training in theoretical subjects to Naval Officers of all classes, but also a nucleus of mathematical and mechanical science specially devoted to those branches of scientific investigation which have most interest for the Navy.

REGULATIONS FOR ADMISSION TO THE ROYAL NAVAL COLLEGE, GREENWICH.

Acting Sub-Lieutenants and Acting Navigating Sub-Lieutenants.

The arrangements already in force for the examination of Midshipmen for the rank of Lieutenant will in unaltered during the present year, with the following exceptions.

Acting Sub-Lieutenants who have passed their examinations in Gunnery on board the 'Excellent,' but have not yet passed in Navigation, will join the college at Greenwich, on 1st February, 1873, to prepare their examination in Navigation.

Monthly examinations in Navigation to qualify for the rank of Lieutenant will, in future, take place at Greenwich, instead of, as heretofore, at Portsmouth. After 1st February, 1873, Officers will proceed to the college immediately they have passed in Gunnery on board the 'Excellent.'

One month's additional time will be allowed for Acting Sub-Lieutenants to prepare for the examination in Navigation, after which time the Regulations now in force for Officers failing to pass will be put in force. During the period of study at the College, Acting Lieutenants will be borne on the books of the 'Excellent,' and will receive 1s. 6d. a day towards the mess. The following arrangements to take effect from 1st January, 1874:

Midshipmen serving at home, who shall have completed the necessary term of service, and have attained the age of 19, must, within 6 months, apply for permission to be examined for the rank of Lieutenant, and present themselves on board the ship specified on the day appointed for examination in Seamanship.

After having passed such examination, they will proceed to Greenwich to study for 6 months, preparatory to examination in Navigation, still being borne on the rolls of the 'Excellent.' They will receive 1s. 6d. a day towards the mess during the period of their study at the college. During this period, they may present themselves for examination on one of the specified days, if they consider themselves qualified, but failing to pass, they will not be allowed a second examination until the expiration of 6 months' Term of study.

An Officer failing to obtain a Certificate in Seamanship at the appointed examination will be re-examined at the end of 3 months; if he should then fail, he will be given another opportunity at the expiration of a further 3 months.

An Officer failing to obtain a Certificate on board the 'Excellent' after 3 months' instruction will be re-examined at the end of a month.

An Officer failing to obtain a Certificate at Greenwich after 6 months' study will be re-examined at the end of a month.

If an Officer fail to pass in Seamanship on his third examination, or in Gunnery after having been 4 months in the 'Excellent,' or in Navigation after 7 months at Greenwich, he will be discharged from the Service.

Midshipmen serving abroad who shall have completed the necessary term of Service and have attained the age of 19, must, within 6 months, apply for permission to be examined in Seamanship, which examination will be

conducted in accordance with existing regulations, and, having passed, will, on their arrival in England, follow the regulations laid down for Acting Sub-Lieutenants, who have passed in Seamanship at home.

15. Certificates for all subjects will be in three Classes.

The Class of Certificate obtained will be noted against the Sub-Lieutenants' names in the Navy List.

19. The foregoing regulations will apply to Acting Navigating Lieutenants and Acting Navigating Sub-Lieutenants in their respective ranks, with the following exceptions:-

20. They will not be required to pass an examination in Gunnery, and will join the College at Greenwich immediately after they have passed in Seamanship, or on their subsequent arrival in England.

21. During the period of study at the College they will be borne on the books of the Flag Ship at Portsmouth.

22. The examination of the Navigating Officers in Pilotage will take place after the examination in Navigation.

A Prize of Books or Instruments will be bestowed on those Navigating Sub-Lieutenants who obtain First-Class Certificates in Seamanship, Navigation, and Pilotage.

The class of Certificate obtained will be noted against the Navigating Sub-Lieutenants' names in the Navy List.

6. Officers of Royal Marine Artillery and Light Infantry.

1. Two Officers of the Royal Marine Artillery, and six Officers of the Royal Marine Light Infantry below the regimental rank of Lieutenant-Colonel, who have been embarked for not less than two years, may be admitted annually as Students. They will be examined on entry, and may remain two Terms, if the examination at the end of their first term indicates satisfactory progress.

The examination will take place in June in each year, and will be held by the Civil Service Commissioners in London, as well as at the Dockyards, viz., at Chatham, Sheerness, Portsmouth, and Devonport.

Candidates will be admitted between the ages of fourteen and sixteen at the examination in June 1873.

Engineer Students will remain for six years at the Dock-

yards for practical training in the Factories, the Fitting and Erecting Shops, and to receive instruction in Iron Shipbuilding.

They will pass a portion of their time in the Drawing Office and at the Dockyard Schools.

6. All the Engineer Students will be examined, as to their theoretical and practical qualifications, on the completion of their time at the Dockyards, and those found qualified will proceed to Greenwich as Acting Second-Class Assistant Engineers on the 1st October succeeding the examination.

7. Those Engineer Students who fail to pass this examination will be allowed to remain one year longer at the Dockyards, and then be re-examined, when, if they are unable to pass, they will cease to be eligible for the rank of Naval Engineer. The pay of such Students during this last year of probation will be the same as during their sixth year.

8. Acting Second-Class Assistant Engineers will remain at Greenwich for one Term for study. They will be examined on the completion of the Term, and will receive Certificates in three classes. Those whose time will be completed at the Dockyards in January 1874, may, if they desire it, come up for examination in July 1873, and, if found qualified, will join at Greenwich on the 1st October following; those not qualified will remain at the Dockyards until July 1874. A similar course will be adopted until all those now at the Dockyards, and those entered at the examination in December 1872, have left.

11. Four Acting Second-Class Assistant Engineers will be selected from those who take the highest place at the examination, on the completion of their Term, to pass through a further course of scientific instruction if they desire it.

12. These four will be examined at the end of the second Term, and one or more will, at the discretion of the Admiralty, be allowed to remain a third Term, on the completion of which they will be sent to sea as Second-Class Assistant Engineers, and after one year's service at sea they will be considered eligible to fill positions in the Dockyards and at the Admiralty.

13. Acting Second-Class Assistant Engineers will be borne on the books of one of Her Majesty's Ships during their term of study at Greenwich.

14. Those passing the second and third Terms at Greenwich will be attached, during the vacation, between 30th June and 1st October, to the Dockyards or the Steam Reserves, where they will attend trials of new and repaired Engines, and obtain experience respecting the duties they will have to perform at sea.

15. No Acting Second-Class Assistant Engineer who has passed the second or third Term at Greenwich will be allowed to leave Her Majesty's Service within 7 years of the completion of his Term at Greenwich, unless he shall pay the sum of £50l. to defray the charges of his education.

16. Acting Second-Class Assistant Engineers will receive £s. 6d. a day, and 1s. 6d. towards the mess during their first Term of study at Greenwich. If selected for further study during one or more Terms they will receive their full pay of £s. a day, and 1s. 6d. towards the mess.

8. Dockyard Apprentices.

Dockyard Apprentices bound for 7 years will be entered annually between the ages of 14 and 15. The examination will take place in June in each year, and will be held by the Civil Service Commissioners in London, as well as at the Dockyards, viz. at Pembroke, Chatham, Sheerness, Portsmouth, and Devonport. The present limits of age will be adhered to at the Examination in June 1873.

1. Three among those who have passed 5 years at the Dockyards will be selected annually by competitive examination for study at Greenwich. They will remain the 3rd Term, passing the vacation between 30th June and 1st October at one of the Dockyards.

2. While at Greenwich, Dockyard Apprentices will be lodged, and will receive 1s. 6d. a-day towards the mess. They will mess with the Acting Second-Class Assistant Engineers and Engineer Students.

In addition they will receive pay as follows:—

Those in their first year at Greenwich, 21s. 6d. a-week.
2nd and 3rd years 26s. 6d. a-week.

When at their own Dockyards during the vacation they will receive their pay as above, but not the messing allowance. When at other Dockyards, the messing allowance will be granted.

3. Those selected for study at Greenwich, must join with their Parents or Guardians in Bond for the sum of £50l. to serve under the Admiralty for 7 years, if required, after the completion of their apprenticeship.

4. If found well qualified at the completion of the course at Greenwich, they may be sent in one of Her Majesty's Ships for one year, if their Lordships think it desirable, and will then be appointed Assistants to the Foremen of the Dockyards, or to any other post for which they may be considered fit. 7. All Officers on full pay will wear their uniform within the precincts of the College.

All other Officers admitted as Students must occupy rooms in the College and join the appointed mess, unless special permission is obtained to reside outside.
10. Officers not making satisfactory progress will not be allowed to remain as Students at the College.
11. A Special Examination in the higher branches of study taught at the College will be held at the end of every Term, the most successful competitors in which will receive special rewards, as stated below.
This examination will be open to all Officers above the rank of Sub-Lieutenant, but will be entirely voluntary.
The Officer attaining the highest number of marks will be granted 100*l.* a year for 3 years.

REJECTION OF ACTING SUB-LIEUTENANTS AT THE EXAMINATION IN GUNNERY ON BOARD HER MAJESTY'S SHIP "EXCELLENT."

[Circular No. 8 (C) of 30th Jan., 1873, p. 8, d. xi.]

My Lords Commissioners of the Admiralty have taken into consideration the fact that, although failure on the part either of Midshipmen to pass their examination in Seamanship for the rank of Lieutenant, or of Acting Sub-Lieutenants to pass their final examination in Navigation at the Royal Naval College, involves a loss of seniority in some cases to a considerable extent, no such penalty is incurred in the case of rejection at the examination in Gunnery board Her Majesty's Ship "Excellent,"—and hereby dire that for the future one month's seniority shall be forfeited for such rejection.

5. In consideration of the increase in the number of Good Service Pensions, the salaries attached to the offices of Vice-Admiral and Rear-Admiral of the United Kingdom will cease after the next vacancies.

6. Should any Officer holding a Good Service Pension be in receipt of or be appointed to full pay or civil salary, or become entitled to a Civil Pension, exceeding the value of his Good Service Pension, the latter pension to be suspended so long as he receives such pay, or salary, or Civil Pension; and the vacancy thus occasioned may be filled up.

7. When such employment shall have ceased, the Officer will resume a Good Service Pension, although the List be full; in such case the next vacancy will not be filled up.

8. A Captain not to be allowed to retain a Good Service Pension when promoted on the Active List; a Flag Officer to give up his Good Service Pension if he shall become Governor of Greenwich Hospital or Naval Aide-de-Camp to Her Majesty.

9. No Admiral of the Fleet to be allowed to hold a pension, unless conferred for wounds received in the Service.

10. Greenwich Hospital Pensions for Flag Officers to be awarded to old, infirm, wounded, or disabled Officers on the Retired List, of long service, but not to be conferred as a qualification for retirement.

11. No Officer, except Flag Officers, in receipt of a Naval or Greenwich Hospital Pension, to be allowed to retain it after being promoted.

12. No pension, except a pension for wounds, can be commuted.

X. Temporary Provisions.

The following provisions to apply to Flag Officers, Captains, Commanders, and Lieutenants now holding those ranks on the Active List:—

1. All Officers to whom, in the following clauses, an option is given, must signify to Us, in writing, within such time as may be prescribed, in what manner they elect to exercise such option. In the event of their failing so to intimate their wishes, it will be deemed that they have elected the new Regulations laid down in this scheme.

2. The new scales of full pay and allowances to apply to all Officers, unless they request, in writing, within such time as may be prescribed, to be paid according to those now in force, in which case they will continue to receive the old rates of pay and allowances during all their future service.

3. Officers to whom option is given as to half-pay, promotion, and retirement, and who elect to be dealt with under the old Regulations, will retain their present rights, except so far as they are expressly limited by these Temporary Provisions; but in that case, it must be clearly understood that they will have none of the advantages of the new Regulations.

[By Circulars 62 of 1873, 21, of 1874, provision is made for allowing officers to change from Old to New Regulations, if they would not, under the New Regulations, have been compulsorily retired before the date of application to exchange.]

4. Officers to whom the above option is given, and who elect to be dealt with under the new Regulations, will receive half-pay, and will be promoted and retired in accordance with them, but will retain no rights abolished by them, except so far as is expressly laid down in these Temporary Provisions.

5. Officers retired may, at their own request, and after obtaining in each case Our consent, commute their half or retired pay, under the Rules laid down by the Lords Commissioners of Her Majesty's Treasury for administering Act 33 & 34 Vict., cap. 32.

6. Admirals of the Fleet, and Admirals who commanded a ship as Captain or Commander prior to the termination of the War in 1815, to be allowed to remain on the Active List; such Admirals to be eligible for promotion to the rank of Admiral of the Fleet.

7. All other Flag Officers now on the Active List to have the option of being promoted and retired, either under the new Regulations, or under the terms of the Order in Council of March 24, 1866, but with the following modifications in the latter case:—

(a) To be retired at 70, if an Admiral of the Fleet or Admiral; at 68, if a Vice-Admiral; at 65, if a Rear-Admiral; whether or not they have hoisted their flag or have been employed at the Admiralty; provided also, that Officers promoted to Active Flag rank, subsequently to 24th March, 1866, will be subject to the new scale of age for retirement when promoted to the rank of Vice-Admiral.

(b) To be retired as soon as 10 years have elapsed since their flag was hauled down, or (if they have not hoisted their flag) since their service as Captain ceased.

(c) When so retired, the names of those who have hoisted their flags, or have been employed at the Admiralty, will, if they should desire it, be retained on the Active List according to seniority, until such time as they would have been compulsorily retired under the Order in Council of 24th March, 1866; but they will not be entitled to rise above the rank of Admiral or Retired Admiral. Their names to be supplementary to the established numbers of the List, and to be printed in italics; and when ultimately removed from the List by death or otherwise, the vacancies so caused not to be filled up.

(d) Flag Officers so retired retain their Good Service Pensions.

(e) It shall be lawful for Her Majesty, in cases of distinguished service, to confer the rank of Retired Admiral of the Fleet on any present Flag Officer retired under the above conditions, provided he shall be qualified for that rank by seniority, and according to these Regulations; provided that there shall not be already three Retired Admirals of the Fleet.

8. Flag Officers now on the Active List who elect to be retired under the new Regulations, to be promoted according to seniority to the rank of Admiral on the retired list, but without increase of retired pay.

9. The new requirement of service for promotion to the active rank of Vice-Admiral not to be enforced with regard to Rear-Admirals now on the Active List.

10. Rear-Admirals now on the Active List, who elect or are allowed to be retired at once under the new Regulations, to be entitled to 67*½*%, instead of 60*½*% a year, as retired pay, subject to the deduction specified in the scale, but without the addition allowed for extra service.

11. Until the Active List of Admirals shall have been reduced to 7, only one in every two vacancies caused by retirement, or promotions consequent thereon, to be filled up.

[See Order in Council, 6th August, 1875.]

12. Until the Active Lists of Vice-Admirals and Rear-Admirals shall have been reduced to 15 and 25 respectively, only one in every three vacancies caused by retirement, or promotions consequent thereon, to be filled up.

[See Order in Council, 6th August, 1875.]

13. All vacancies caused by death to be filled up as they occur.

14. The Officers now holding the appointments of Vice-Admiral and Rear-Admiral of the United Kingdom, and First and Principal Naval Aide-de-Camp to Her Majesty, if retired as Admirals under the new Regulations, to receive an addition to their retired pay, not greater than the salary of their office; but the whole amount not to exceed the half-pay of an Admiral of the Fleet.

15. The new requirements of service for promotion to the rank of Rear-Admiral not to be enforced with regard to Captains now on the Active List, who are as present qualified by service for promotion under the old Regulations.

16. All Captains now on the Active List, of more than 8 years' standing, to be allowed the option of accepting, as to promotion and retirement, either the new Regulations, or those of Her Majesty's Order in Council of 24th March, 1866, but with the following modifications in the latter case:—

(a) Not to be allowed to remain on the Active List of Captains after the age of 60, or after 7 years have elapsed since their service as Captain ceased;

(b) When promoted to the Active Flag List to be subject to the new Regulations in all respects,

except that they will only be entitled, on retirement, to half-pay, according to the terms of the Order in Council of 24th March, 1866.

17. All Captains now on the Active List, of less than 8 years' standing, to be allowed the same option, except that they will in no case be allowed to remain on the Active List after the age of 55.

18. Until the Active Lists of Captains, Commanders and Lieutenants, shall have been reduced to 150, 200 and 600 respectively, only one in every four vacancies caused by retirement, and promotions consequent thereon, to be filled up. Vacancies caused by death to be filled up as they occur.

[See Order in Council, 5th February, 1872, 5th August, 1875, altering this paragraph.]

19. No further additions to be made to the List of Reserved Flag Officers.

20. The new requirements of service for promotion not to be enforced with regard to Commanders and Lieutenants now on the Active List, who are at the present time qualified by service for promotion under the old Regulations.

21. Such Commanders and Lieutenants now on the Active List, as are not at the present time qualified by service for promotion, will be promoted under the new Regulations.

22. All Commanders and Lieutenants now on the Active List, who may be retired under the provisions of this scheme, to be allowed the option of retiring on the terms of the new Regulations, or on the retired scale provided by Her Majesty's Orders in Council of 1st August, 1860, 9th July, 1864, and 24th March, 1866. In either case, however, they will be retired at the respective ages of 50 and 45, or when they have not served for 5 years, but they will retain their present privilege as to rising in rank.

23. The advantages conferred by the Order in Council of 26th June, 1867, on some of the Reserved Captains (F. G. List) to be extended to all such Captains; these Officers to be placed, according to seniority, as vacancies occur, on the Retired List, under Orders in Council of 24th April, 1847, 25th June, 1851, and 26th June, 1867; and to rise to Flag Rank according to their seniority as Captain.

24. Until the present Active Lists shall have been reduced to the proposed numbers, any Officers may, with their consent, and at Our discretion, be retired: if above 40 years of age, on the terms of the new Regulations, if under 40 years of age, on the active half-pay of their rank.

All present Rules and Regulations, except in so far as they are expressly altered or limited by these General or Temporary Provisions, shall be deemed to remain in force.

SERVICE REQUIRED TO QUALIFY OFFICERS FOR PROMOTION TO FLAG RANK ON THE ACTIVE OR RETIRED LISTS.

ORDER IN COUNCIL, No. 11.—C.

At the Court at Osborne House, Isle of Wight,
the 4th day of August, 1875.

Present:

THE QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of August, 1873, in the words following, viz. :—

"Whereas in Your Majesty's Order in Council of 22nd February, 1870, governing the promotion and retirement of Flag Officers and others of Your Majesty's Fleet, clause six of section two appoints as follows :—

"Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear-Admiral, if before retirement they had served the time to qualify them for promotion."

"And whereas we are of opinion that this condition may be modified, we humbly propose to Your Majesty that the clause above recited be cancelled, and the following substituted :—

"Captains who have been, or who may in future be, retired from that rank under Your Majesty's Order in Council of 22nd February, 1870, to be entitled to rise by seniority to the rank of Retired Rear-Admiral if they have served three years as Captain in command of a Ship of War at sea."

[See Order in Council, 4th August, 1875, cancelling this.]

"And whereas clause five of section two of Your Majesty's said Order in Council is as follows :—

"To qualify a Captain whose seniority brings him in turn for advancement to the Active List of Flag Officers, he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea: Such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired."

"And whereas in section five, which defines 'Harbour Service,' clause two contains the following sub-clause :—

"(a) Service in Harbour Ships or their Tenders (with the exception of the Harbour Ships and Tenders at Ascension, Port Royal, Hong Kong, and Rio de Janeiro and at such other Foreign Ports as we may determine), and Service in First Reserve (Coast Guard) Ships, after the first three years of such Service, such first three years to reckon as Sea Service."

"And whereas we are of opinion that the above-recited clauses may render it unduly difficult for Captains who, as Lieutenants qualified in Harbour Ships as Gunners Lieutenants, and also in some other special cases, to obtain the amount of Service required to qualify them for promotion to Flag Rank.

"We therefore humbly propose to Your Majesty that the sub-clause above-recited of the second clause of the fifth section of Your Majesty's said Order in Council be cancelled, and the following sub-clause substituted :—

"(a) Service of an Officer when borne on the books of any Harbour Ship, or of any First Reserve (Coast Guard) Ship subject to the following exceptions :—

"1. Three years served in any Harbour Ship or First Reserve (Coast Guard) Ship, or in any Tender to such Ship, as Lieutenant or Commander, or in those ranks combined, shall count as Sea Service, but not as Sea Service in a Ship of War at sea."

"2. Three years served either before or after 1st August, 1873, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender to such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at sea."

"This shall not apply to any Officer who retired before 1st August, 1873."

"3. Service subsequent to 1st August, 1873, in Tenders to Harbour Ships and to First Reserve (Coast Guard) Ships at Home, and in Harbour Ships Abroad, and their Tenders, shall in such cases as we may direct count as Service in a Ship of War at sea."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

PROMOTION OF COMMANDERS AND LIEUTENANTS AND RETIREMENT OF SUB-LIEUTENANTS.

[These provisions are modified by Order in Council, 4th August, 1875.]

At the Court at Osborne House, Isle of Wight.

On the 5th day of February, 1873.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board, a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th December 1871, in the words following, viz.:

"Whereas Your Majesty, by Order in Council of 22nd February, 1870, was graciously pleased to establish Regulations for the Promotion and Retirement of Officers of the Royal Navy: And whereas we are of opinion, in view of the small number of promotions that have taken place during the past year, that it is expedient to provide for the immediate advancement of a limited number of the present Commanders and Lieutenants, and also to diminish the restrictions on the promotion of Commanders, Lieutenants, and Sub-Lieutenants, imposed by Your Majesty's aforesaid Order in Council, until such time as the Active List of Captains, Commanders, and Lieutenants shall be reduced to the numbers thereby established: And whereas we are further of opinion that it is expedient to make other amendments in the temporary provisions of the said Order in Council, and also, that it is necessary to establish regulations for the retirement of Sub-Lieutenants:

We would, therefore, most humbly submit to Your Majesty—

1. That we be empowered to promote ten Commanders to the rank of Captain, and ten Lieutenants to the rank of Commander, from this present date.

2. That until the list of Captains is reduced to one hundred and fifty, we be authorized to promote Officers to vacancies caused by retirement, according to the following scale:

- (a). One Commander in every vacancy which now exists, or which shall hereafter arise, on the List of Captains, due to the retirement of Admirals.
- (b). One Commander in every two vacancies which now exist, or shall hereafter arise, on the List of Captains, due to the retirement of Vice-Admirals, Rear-Admirals, or Captains.
- (c). One Lieutenant in each vacancy arising on the List of Commanders from the above promotions.

3. That we be further authorized, until the List of Commanders is reduced to two hundred, to promote one Lieutenant in every two vacancies now existing, or in future arising from the retirement of Commanders.

4. All vacancies arising from deaths, resignations, &c., to be filled up as they occur.

5. That until the List of Sub-Lieutenants is reduced to two hundred and fifty, we be authorized to confer promotion on any Sub-Lieutenant who is, in our opinion, worthy of advancement, although such promotions may cause the List of Lieutenants to be temporarily in excess of the numbers authorized by Your Majesty's aforesaid Orders in Council.

6. Captains who were promoted to that rank before the 1st April, 1870, and who elected the new regulations for retirement to be allowed, if physically unfit, or if they have not served for seven years, on retirement, an amount of retired pay not less than that to which they would have been entitled to receive under the regulations which were in force prior to the 1st April, 1870.

7. Sub-Lieutenants to be compulsorily retired at the age of forty, or at any age if physically unfit for service.

8. Until the List of Sub-Lieutenants is reduced to two hundred and fifty, any such Officers to be allowed, with their consent and at our discretion, to retire irrespective of age.

9. Retired Pay to be granted as follows:—After three years' seniority, 3s. 6d. per diem, an additional 6d. being given for each complete year beyond three served as Sub-Lieutenant until the maximum is reached, viz., 6s. per diem.

10. Officers who, in our opinion, are not deserving of receiving retired pay on the above scale, to be granted such low rate of pay as we may think fit to award them.

11. Service for retired pay to be calculated in accordance with the provisions of Your Majesty's Order in Council of 22nd February, 1870, relating to Flag Officers, Captains,

Commanders, and Lieutenants, time during which a Sub-Lieutenant may be on half-pay after he has served three years in that rank to reckon in the proportion fixed by the Order in Council.

12. Sub-Lieutenants to be allowed, at their own request and with our consent, to commute their retired pay under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for administering the Act, 34 and 35 Vic., cap. 66.

13. The existing rules as to half-pay to Sub-Lieutenants while on the Active List to remain in force.

We therefore most humbly submit that Your Majesty will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions hereinafter accordingly.

ARTHUR HELPS.

CIRCULAR No. 10.—G.

At the Court at Osborne House, Isle of Wight.

The 5th day of August, 1875.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the third of August, one thousand eight hundred and seventy-five, in the words following, viz.:

"Whereas we have had under our consideration the effects of Your Majesty's Orders in Council of twenty-second February, one thousand eight hundred and seventy, and fourth August, one thousand eight hundred and seventy-three, in so far as they relate to the retirement and promotion of Flag Officers, Captains, Commanders, and Lieutenants of Your Majesty's Navy, and whereas large reductions of these lists have been thereby effected, which, though highly satisfactory in one point of view, have resulted in a great stagnation of promotion. We are of opinion that it is expedient to provide temporarily for a more uniform flow of advancement to these ranks; to relax slightly the rules as regards the age at which Flag Officers and Captains may be optionally retired, and to modify still further the restrictions respecting the advancement to Flag Rank of Officers on the Retired List and promotions on that List.

We would therefore most humbly submit to your Majesty:—

"1. That we be empowered for the present to promote annually seven Captains to Flag Rank, effecting this by promoting to Flag Rank as heretofore in vacancies caused by death and retirement, and by supplementing any vacancies short of seven at the end of each year so long as a maximum number of sixty-eight Flag Officers is not exceeded."

"Adjusting the Flag Ranks thus:—

- 3 Admirals of the Fleet.
- 10 Admirals.
- 20 Vice-Admirals.
- 35 Rear-Admirals.

—

"Promotions to the List of Admirals to be in the proportion of one to two in vacancies caused by retirement, the number is reduced to ten, and in addition, to the List of Vice-Admirals and Rear-Admirals to be in the proportion of one Vice-Admiral to every two Rear-Admirals added to the list; should there be more than seven vacancies in any year the excess not to be filled up in that year, provided the list of Flag Officers is kept up to fifty."

"2. That, for the present, we be also empowered to promote annually twelve (and should vacancies occur as many as fifteen) Commanders to the rank of Captain, effecting this by filling every vacancy and supplementing any vacancies short of twelve at the end of each year, so long as a maximum number of one hundred and seventy-five Captains be not exceeded; should there be more than nine

vacancies in any year, the excess not to be filled up in that year.

"3. That, for the present, we be also empowered to promote annually twenty (and should vacancies occur as many as twenty-five) Lieutenants to the rank of Commander, effecting this by filling every vacancy, and supplementing any vacancies short of twenty at the end of each year, so long as a maximum number of two hundred and twenty-five Commanders be not exceeded; should there be more than twenty-five vacancies in any year the excess not to be filled up in that year, provided that the list is kept up to two hundred.

"4. That, for the present, we be authorised to sanction the optional retirement of Flag Officers and Captains at the following ages, viz. :—

" Admirals and Vice-Admirals . . .	55
" Rear-Admirals	50
" Captains	45

"Such optional retirement to be subject in each case to our approval, and to be restricted to three Flag Officers and six Captains annually, power being reserved to us, with the

sanction of the Lords Commissioners of Your Majesty's Treasury, to extend this option to a larger number hereafter should such a course appear desirable.

"5. That one step in rank, according to seniority, be granted to all Rear-Admirals and Captains who may have been, or who may hereafter be, placed on the Retired List, under the provisions of Your Majesty's Order in Council of twenty-second February, one thousand eight hundred and seventy, irrespective of any qualifying service; such advancement not to carry with it any increase of retired pay.

"We further beg to state that the Lords Commissioners of Your Majesty's Treasury have given their assent to the cost of these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased by, and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

SERVICE ON COMMITTEES, &c.

At the Court at Windsor,

the 18th day of May, 1870.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honorable the Lords Commissioners of the Admiralty, dated the 18th of May, 1870, in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 22nd February, 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, We would humbly propose to Your Majesty:

"1st. As regards service of Officers on Committees or Commissions of Enquiry in connection with naval matters of importance, we are of opinion, that, considering the value of such enquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-Pay, and Retirement, though not to reckon as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-Pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the Active List, until he ceases to be in such civil employment that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

"3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four vacancies

which may be caused by Retirement, or Promotion consequent on Retirement, until the Lists may be reduced to the numbers authorized by Your Majesty's above-named Orders in Council; and we would beg to point out that provision for making such promotion in the ranks of Captain, Commander, and Lieutenant, was contained in the Order of Council of 22nd of February, 1870.

"4th. As regards the promotion on Retirement of Staff Commanders and Paymasters, whereas it is laid down by Your Majesty's Order in Council of 26th June, 1867, that Staff Commanders having served 20 years in the ranks of Navigating Lieutenant and Staff Commander shall receive, when retired, the rank of Retired Captain, and that Officers having served 15 years in those ranks shall retire with the rank of Retired Commander; and by Your Majesty's Order in Council of 9th July, 1864, it is laid down that Paymasters who may have completed 20 years' service, including Acting Paymaster's time, and not more than 4 years' time as Assistant Paymaster, shall be retired with the rank of Paymaster-in-Chief: And whereas by Your Majesty's Order in Council of 22nd February, 1870, it has been provided as to Commanders and Lieutenants placed on the Retired List, that these Officers shall be granted the rank of Retired Captain and Retired Commander only at our discretion,—we are of opinion that it will be for the benefit of your Majesty's Service that similar conditions should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers should no longer be entitled to claim the respective ranks of Retired Captain, Retired Commander, and Paymaster-in-Chief, when removed from the Active List, but that such promotion should, in addition to the above-mentioned requirements of service, be governed also by qualifications of good and meritorious service: We therefore humbly submit that in future, such Promotions on Retirement be made at our discretion. We beg further to represent that, so far as financial arrangements are affected, the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the above-mentioned proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed: And the Right Honorable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed)

ARTHUR HELM.

"Whereas we have had under our consideration the position of Inspectors-General and Deputy Inspectors-General of Hospitals and Fleets in Your Majesty's Fleet, with reference to the provisions of Your Majesty's Order in Council of 22nd February, 1870, and especially to the provisions that Service shall mean Service on Full Pay, and whereas Inspectors-General are not called upon to serve except in charge of Naval Hospitals at home; and whereas it is provided by the Order in Council of the 7th August, 1869, that no Deputy Inspector-General of Hospitals and Fleets shall be promoted to the rank of Inspector-General of Hospitals and Fleets, unless he shall have served five years as a

RETIREMENT OF MEDICAL OFFICERS.

CIRCULAR No. 12.—G. W.

Admiralty, 6th March, 1875.

MEDICAL OFFICERS OF THE NAVY.

My Lords Commissioners of the Admiralty having had under their consideration the position of the Medical Officers of the Navy, are pleased, under the authority of Her Majesty's Order in Council of 4th February, 1875, to establish the following regulations:—

1. Surgeons on entry to have the same relative rank as Paymasters, Chief Engineers, and Naval Constructors, namely, to rank with Lieutenants under eight years' seniority, and to wear uniform corresponding to such relative rank.
2. Staff Surgeons to be denominated "Fleet Surgeons," and Staff Surgeons Second-class simply "Staff Surgeons;" the distinction in rank between these two grades to be denoted by a small difference in the uniform of the Staff Surgeon, who, instead of three stripes of gold lace round the sleeve of the coat, which the Fleet Surgeon will wear, will wear two stripes of gold lace with a stripe of narrow gold braid between.
3. Inspectors-General to be compulsorily retired at the age of 60; to be allowed 2l. per day, provided they shall have completed the period of service now required to entitle them to the maximum Half-pay of their rank; should they not have completed such period of service, they will be retired at the rate of Half or Retired Pay specified in the Order in Council of 22 Feb., 1870.
4. Deputy Inspectors-General to be compulsorily retired

at 60; if in the first six of their rank, to be allowed 33s., others 30s. per diem, provided that they shall have completed the period of service now required to entitle them to the maximum Half-pay of their rank; should they not have completed such period of service they will be retired at the rate of Half or Retired Pay specified in the Order in Council of 22 Feb., 1870.

5. Fleet Surgeons and Staff Surgeons to be placed on the same scale of retirement as Chaplains and Naval Constructors, Secretaries, and Paymasters; that is, the maximum to be 400l. per year instead of 400l.
6. Fleet Surgeons to have the option of retiring after 20 years' Full Pay service in all ranks at 15s. per day, and after 25 years' Full Pay service at 21s., subject in each case to their Lordships' approval, but of those now on the list not more than 10 to retire under this clause in each year (the Officers having the option according to seniority), unless their Lordships should approve (with the consent of the Treasury) of a larger number so retiring. Applications from Officers wishing to retire under this clause should be lodged at the Admiralty before the 30th November in each year, in order that they may be dealt with, according to seniority, before the end of the year.

GOOD SERVICE PENSIONS.

ORDER IN COUNCIL, No. 17.—P.

At the Court at Osborne House, Isle of Wight,
the 9th day of August, 1872.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 8th of August, 1872, in the words following, viz.:—

"Whereas by Your Majesty's Order in Council, dated the 22nd day of February, 1870, certain rates of Half-Pay were established for Captains in Your Majesty's Navy, and certain regulations laid down for the grant of Good Service

Pensions to Officers of that rank: And whereas we are humbly of opinion that it would be for the advantage of Your Majesty's Naval Service to alter some of the conditions under which Good Service Pensions are now held by Captains, and to reduce the number of such Pensions, increasing at the same time the Half-Pay of all Officers of that rank: We do, therefore, beg leave to recommend that Your Majesty will be graciously pleased by Your Order in Council to grant, from the 1st day of October, 1872, an addition of 2s. a day to each rate of Half-Pay provided for Captains; to declare the paragraphs 3, 6, and 7, of section IX., of the said Order in Council shall no longer apply to Captains' Good Service Pensions, and that, subject to the temporary provisions hereinafter stated, the following be

regulations be established with regard to such Pensions, in addition to the other regulations in the said Order in Council, which remain in full force :—

1. Captain's Good Service Pensions to be limited in number to 12, each of £150 a-year, and to be awarded to Officers on the Active List for distinguished service at sea, preference being given, in cases of special gallantry, to Officers who have commanded a ship in action against the enemy.

2. The emolument of the Pension to be drawn by the Officer irrespective of the receipt of Full-Pay, or Half-Pay, or Civil Salary.

And we further beg leave to recommend the following temporary provisions, namely, until the number of Captains now holding Good Service Pensions be reduced to 12, one only in every two vacancies created amongst the present pension holders to be filled up; and the emolument of any Good Service Pension, granted subsequently to the 1st day of April, 1870, not to be drawn by Officers on Full-Pay, or in receipt of Civil Salary. The Lords Commissioners of Your Majesty's Treasury have signified to us their concurrence in the proposals."

Her Majesty having taken the said Memorial into consideration, was pleased by and with the advice of Her Privy Council to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ORDER IN COUNCIL, No 7.—P.

At the Court at Windsor,

the 5th day of May, 1873.

Present :

The QUEEN'S Most Excellent Majesty in Council,

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the

Admiralty, dated the 3rd of May, 1873, in the words following, viz. :—

"Whereas Your Majesty was graciously pleased, by Your Order in Council, dated the 9th day of August, 1872, to reduce the number of Good Service Pensions for Captains of Your Majesty's Navy, and to direct that the emoluments of the Pension might be drawn irrespective of the receipt of Full Pay, or Half Pay, or Civil Salary :

"And whereas, in the said Order in Council, there was a temporary provision sanctioned by Your Majesty, to the effect that until the number of Captains holding Good Service Pensions is reduced to twelve, the emolument of any Good Service Pension granted subsequently to the 1st day of April, 1870, shall not be drawn by Officers on Full Pay, or in receipt of Civil Salary :

"And whereas, on reconsideration of the matter, we are humbly of opinion that it would be desirable to cancel the said temporary provision from the 1st day of April, 1873, thus dating back to the commencement of the present financial year the arrangement which would probably not come into operation until its close :

"We do, therefore, beg leave to recommend that Your Majesty will be graciously pleased by Your Order in Council to cancel the said temporary provision, and to declare that on and after the 1st day of April last, the emolument of a Good Service Pension may be drawn by a Captain, irrespective of the receipt of Full Pay, or Half Pay, or Civil Salary.

"The Lords of Your Majesty's Treasury have signified their concurrence in this proposal."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed ; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

COAST GUARD. GENERAL ORDER.—N.

Admiralty, 10th July, 1872.

My Lords Commissioners of the Admiralty having been informed that a feeling exists among certain Officers of the Coast Guard that, by the Order in Council of the 22nd of February, 1870, they are entitled to the same pay as Officers of corresponding rank in the Royal Navy; the whole question relative to rank, pay, and pension of Officers serving in the Coast Guard has been referred to the Law Officers of the Crown, who have given their opinion as follows:—

- 1st. That by the Coast Guard Act of 1856, Officers employed in the Coast Guard are not entitled to the same rates of pay which are or may be given to Officers of their respective ranks in the Navy.
- 2nd. That the Coast Guard Act of 1856 does not entitle Officers of the Coast Guard to count service in the Coast Guard towards increase of pay, &c., in the same manner as service in Her Majesty's Ships at sea.
- 3rd. That the Navigating Officers employed in the Coast Guard are not entitled to the increased pay, &c., given by the Order in Council of the 22nd

February, 1870, to Navigating Officers in Her Majesty's Fleet.

4th. That Chief Officers of Coast Guard cruisers are not entitled to receive the minimum pay given to Navigating Lieutenants by Order in Council of the 22nd of February, 1870.

5th. That 2nd Class Chief Officers of the Coast Guard are to be considered of the rating of a distinct class from the rating of First Class Warrant Officer in the Navy, and are not entitled to the increased pay and pension given to the latter by the Order in Council of the 22nd February, 1870.

6th. That the rights of pay and pension of Officers employed in the Coast Guard may be regulated by Orders in Council.

Their Lordships are pleased to circulate this decision for general information.

By Command of their Lordships,

NAVAL RETIREMENT PREVIOUS TO 1870.

FLAG OFFICERS.

1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 90, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice-Admirals, and 51 Rear-Admirals: this reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but they will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150l. each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service, such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

1866.

1. Compulsory retirement to be extended to all the Executive Lists.

2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers, at present on the Active List, who may be retired under these Regulations, will retain all the privileges of rising in rank and pay which they are now entitled; but no Flag Officer who has not hoisted his flag will be considered eligible for the appointments of Vice- and Rear-Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 56:—

Admirals of the Fleet and Admirals	21
(But not to be more than three Admirals of the Fleet at one time.)	
Vice-Admirals	22
Rear-Admirals	42
Total	85

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their flag, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above, whether they have served or not.

CAPTAINS.

1847.

THE plan of Retirement, published in the London Gazette of 1st Sept., 1845, and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

C. 1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14s. 6d. Half-pay List as may be willing to accept it, with the pay of 1l. 5s. per diem, and the corresponding pension to their widows, under the usual restrictions.

D. 2nd. An addition of 7s. 6d. per day to be given to applicants, by Seniority, from the 12s. 6d. and 10s. 6d. Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the flag by Seniority

had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110l. per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1l. List to be filled up, in turn of Seniority, by Officers then accepting the 18s. per diem; but no new admissions to the 1l. 5s. List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1l. 5s. per diem, and the remaining 75, 1l. per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

2 G 2

1851.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reductions shall be effected as follows, viz.—

- B. 1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains will rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.
- E. 2nd. By keeping up the Retirement of 1846 to the number of 300, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captain's List for ten years, to be eligible for retirement. The Retirement will be so kept up to 300 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.
- 3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

1860.

All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:

If on 10s. 6d. Half-pay List when retired 18s. per diem.
 If on 12s. 6d. " " " 20s. " "
 If on 14s. 6d. " " " 21s. " "

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20s. per diem.

Captains now on the 14s. 6d. Half-pay List not to be affected by these arrangements unless by their own desire.

1864.

1. The Active List of Captains to be reduced from 350 to 300.
- T. 2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of 60 without having served in their present rank, shall be extended to Captains who may attain the age of 60 and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:
- If on 10s. 6d. Half-pay List when retired 18s. per diem
 If on 12s. 6d. " " " 20s. "
 If on 14s. 6d. " " " 21s. "
- Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 26s. per diem, subject, however, to the proviso contained in Paragraph 8.
3. The above system of retirement to be extended to Captains who may have attained the age of 55, provided they be willing and desirous to accept the same, subject to the proviso contained in Paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.
4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several rates of 18s. or 20s. a-day, according to their standing on the List, provided they

shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of fifteen years; and, if less than that period of service, at the rate of 18s. a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in Paragraph 8.

5. A limited number of Captains who may have attained the age of 60, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flags, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a-day; subject, however, to the proviso contained in Paragraph 8.

7. The increased rate of 26s. per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August, 1860, to be allowed more than the pay of 20s. a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July, 1864. Those at present on the Active List who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorized by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25s. a-day, in accordance with the Order in Council of 9th July, 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July, 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two out of every three vacancies caused by age retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

COMMANDERS.

1840.

- H. This List consists of 60 of the Senior Commanders on the List, who have the option of receiving the Retired Rank of Captain, with the Half-pay of 10s. 6d. per diem, being the lowest rate of Half-pay allowed to a Captain. Their widows are allowed pensions of 75s. per annum if otherwise entitled thereto.

1851.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1. By selecting 50 Commanders to be Captains, as above specified.

2. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council

of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within twenty years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (*This List was abolished in May, 1863.*)

4. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)

5. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

1856.

1. That the List of Captains on the Reserved List, established by Order in Council of 25th of June, 1851, be increased from 80 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

2. That the List of Retired Captains (established by Order in Council of 10th August, 1840, and increased by Order in Council of 25th June, 1851) be increased temporarily from 100 to 250, and permanently to 300. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thenceforward one Officer will be promoted in each vacancy.

1860.

V. All Commanders on the Active List who have attained the age of 60, or who may hereafter attain that age, to be placed on a Retired List, with the rank and title of Retired Captain, and to receive Half Pay, according to their length of Sea Service, on the scale hereinafter mentioned.

V. Commanders on the Active List, who have not been employed either afloat, in command of Revenue Vessels, in the Coast Guard, or as Mail or Transport Agents, within a period of fifteen years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea Service, also on the same scale as hereinafter mentioned; such Officers to be permitted to assume the rank and title of Retired Captain on reaching the age of 60, without further addition to their Retired Pay.

3. The same plan of retirement, with its corresponding benefits of rank and Retired Pay, to be extended to Commanders who may have attained the age of 55, provided they will be willing and desirous to accept the same.

4. 4th. No promotion of Mates to be Lieutenants will hereafter be made by brevet; but whereas in case of war, or of emergency, Her Majesty may be pleased by her Order in

Council to call such officers from the Reserved List into active service, Her Majesty has been pleased to approve that such Officers as may be so employed shall be in all respects entitled to the pay and emoluments of their respective ranks on the Active List.

1856.

Further, as regards Lieutenants, this Order in Council provides that the Reserved List, consisting of 60 Commanders (established by Order in Council of 25th June, 1851) be increased to 100; such increase to be effected by selecting from the Active List of Lieutenants a number not exceeding 15 in the present, and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

Men are not allowed their Pensions for any time during which they reside out of Her Majesty's dominions, except with the special permission of the Admiralty.

Time during which a man has held a Bad or Indifferent character does not count for pension.

Men discharged the service for misconduct forfeit all claims to pension, and men whose general character has not been good can be awarded reduced pensions.

Commutation of Pensions is not allowed.

In all cases of injuries gratuities may be given in lieu of Injury Pensions, or in addition to Service or Disability Pensions, at the discretion of the Admiralty.

All Pensions are held during good behaviour, and may be forfeited for misconduct, to be judged of by the Admiralty.

GREENWICH HOSPITAL PENSIONS.

These Pensions are the "Age" and "Special Pensions." They are given entirely at the discretion of the Admiralty, and are not granted to any person whose character whilst in or after leaving the Navy has not been good. They are given to Naval Pensioners only (i. e., to Seamen, Marines, Coast Guard Naval Pensioners, Yard, Craftsmen, and Riggers of Dockyard); but Civil Pensioners with over 10 years' service in the Navy, and in certain other cases, are eligible for the Special Pensions.

Age Pensions are given only to Life Pensioners.

A Naval Pensioner is eligible for the Age Pension of 5*l.* a day on attaining the age of 55, if he has been in receipt of his pension for 5 years; and for the increase of such age pension to 9*l.* a day at the age of 65, if he has been in receipt of his Naval Pension for 10 years.

The Age Pension is given in addition to the Naval Pension, whatever the amount of the Naval Pension.

Special Pensions are given, at the discretion of and under Regulations framed by the Admiralty, to men unable to contribute materially to their own support, and vary in amount and duration according to each man's degree of disability, and the other circumstances of his case; the amount of the fund from which these Pensions are given is limited to 20,000*l.* a year.

They are tenable in addition to Naval and Age Pensions subject, however, to the limits expressed in the following List:—

Class I. Naval Pensioners with Life Pensions.—

If unable to maintain themselves . . . Pension (including Age as well as Naval Pension) made up to 1*l.* 3*d.* to 1*l.* 6*d.* a day.

If in receipt of Temporary Naval Pension, Pension awarded up to 1*l.* 3*d.* to 1*l.* 6*d.* a day.

If unable to maintain themselves . . . Pension awarded up to 1*l.* 3*d.* to 1*l.* 6*d.* a day.

If able to contribute in a small degree to their own support . . . NIL.

Classes III. and IV. Men who have not less than 5 years' service counting towards pension, and who have been, within the last 5 years, discharged or invalided on account of disease or wounds contracted or received in the service, and whose disability is clearly the result of such disease or wounds.

Men with less than 5 years' service counting towards pension who have been discharged or invalided on account of disease or wounds clearly attributable to the service, and whose present disability is clearly the result of such disease or wounds.—

If in receipt of Temporary Pensions, Pension made up to 1*l.* 3*d.* to 1*l.* 6*d.* a day.

Class V. Special cases.

If unable to maintain themselves . . . Pension awarded of 1*l.* a day.

If able to contribute in a small degree to their own support . . . Pension awarded of 6*d.* to 9*d.* a day.

Men ruptured on duty, and suffering from the effects of such rupture.—

If unable to maintain themselves . . . 6*d.* to 9*d.* a day.

If able to contribute in a small degree to their own support . . . 6*d.* a day.

Men who contributed to the funds of Greenwich Hospital before 1 January, 1830.—

Under 5 years' contribution . . . 6*d.* a day for one year.

Over 5 years' ditto . . . 6*d.* a day for Life.

All persons who contributed while in the Navy to the funds of Greenwich Hospital before 1 January, 1830, for 5 years and upwards, are eligible for pensions of 3*l.* 8*s.* a year, provided they are not in receipt of other pensions from Greenwich Hospital.

Except under very special circumstances the minimum pension will be awarded in every case.

Men discharged for syphilis (unless Life Pensioners), or whose general character has been bad or indifferent, or who have forfeited service by R. against their names within the last 10 years of their time, are ineligible for special pensions, as are men in workhouses, unless removed by their friends.

Men eligible for the benefits of Greenwich Hospital are admitted to Naval Hospitals when their cases require treatment, or may be granted special allowances (not to exceed, however, including all other pensions, 1*l.* 6*d.* a day) in lieu of treatment, but permanent admission into a hospital is not allowed.

SPECIAL PENSIONS TO CONTRIBUTORS TO GREENWICH HOSPITAL FUNDS PREVIOUS TO 1830.

AT THE COURT AT WINDSOR,

Present:

THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

WHEREAS there was this day read at the Board, a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 22nd of October, 1875, in the words following, viz.:—

"Whereas by the fifth section of an Act passed in the twenty-ninth year of Your Majesty's reign, chapter eighty-nine, entitled 'An Act to provide for the better government of Greenwich Hospital,' it is, amongst other things, enacted that it shall be lawful for Your Majesty in Council, from time to time, by Order in Council, to appoint such Pensions as seem fit to Officers of Your Majesty's Navy;

"And whereas we have had under our consideration the cases of those Warrant Officers who, as Warrant Officers or as Seamen, contributed to the funds of Greenwich Hospital for full five years previous to the first day of January, 1830;

"And whereas we are humbly of opinion that they, as well as all other persons who so contributed, should participate in the benefits of the said Hospital, by being granted Special Pensions chargeable thereto;

"We do humbly submit that Your Majesty will be graciously pleased by Your Order in Council to sanction the grant, at our discretion, of Special Greenwich Hospital Pensions of three pounds and eight shillings a year each to all Warrant Officers and other persons who, while serving in the Royal Navy or Marines, contributed to the funds of that institution for full five years previous to the first day of January, 1830, provided they are not in receipt of any other Pension chargeable to the said funds; are not maintained in any Hospital at the expense of Greenwich Hospital; and are not inmates of workhouses.

"The Pensions to commence from the date of Your Majesty's Order in Council sanctioning the same, and to be irrespective of the limit of £20,000 a year fixed for Greenwich Hospital Special Pensions by Your Majesty's Order in Council of the 15th of December, 1874."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

GRATUITIES TO WIDOWS OF MEN SLAIN, KILLED, OR DROWNED, WHILST SERVING IN THE ROYAL NAVY.

Under the Provisions of the Act 28 and 29 Vic. cap. 89, Widows of Petty Officers and Seamen of the Royal Navy, and of Non-commissioned Officers and Privates of the Royal Marines, slain, killed, or drowned in the service of the Crown, subsequent to the date of the passing of the above-mentioned Act, may be allowed a gratuity equal to one year's full wages according to the rating of their late hus-

hands at the time of their death, exclusive of any badge or other extra or additional pay.

All correspondence on this subject should be addressed to the Accountant-General of the Navy, Admiralty (Greenwich Hospital Branch), New Street.

GRATUITIES TO PARENTS AND CHILDREN OF MEN SLAIN, KILLED, OR DROWNED, WHILE SERVING IN THE ROYAL NAVY.

Order in Council of 4th Feb., 1875.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the second of February, one thousand eight hundred and seventy-five, in the words following, viz. :—

"Whereas Your Majesty was graciously pleased to direct, by Your Majesty's Order in Council of the ninth of September, one thousand eight hundred and sixty-five, that the widows of petty officers and seamen of the Royal Navy, and of non-commissioned officers and privates of the Royal Marines, slain, killed, or drowned in the service of the Crown, be allowed a gratuity out of the funds of Greenwich Hospital equal to one year's full wages, according to the rating of their late husbands at the time of their death, exclusive of any badge or other extra or additional pay; and whereas we are of opinion that it is desirable to extend the gratuity to the children of seamen and marines who have lost their lives in the manner before described, when such children are total orphans, and to the aged parents of such men, when it can be proved that they have been dependent upon their late sons' allotment. We humbly submit that Your Majesty will be graciously pleased to authorise the payment in such cases, of a sum or sums not exceeding the amount of the gratuity which would be payable to the widow, if living, the total expenditure in any one year not exceeding the sum of five hundred pounds."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

IV. The services of the father upon which the claim is founded will be ascertained at the Admiralty, and due notice will be given without further application, should the child be selected for admission into the School.

V. Boys are eligible for admission between 10 and 13 years of age; they must be physically fit for sea-service, able to read an easy sentence, and possess a knowledge of the first four rules in arithmetic.

VI. Applications will not be received until the candidates are 10 years of age, nor after 11 years of age, except under very special circumstances.

"VII. Boys will be discharged from the General Division on the first day of the month succeeding that in which they shall attain thirteen years of age, unless they volunteer, with the consent of their parents or guardians, to enter the Royal Navy as boys, in which case, if they be reported physically fit, they will be retained in the school until fifteen years of age, and then entered for continuous service in the Royal Navy.

At the age of thirteen, the boys in this division of the school will be required to enter into an agreement jointly with their parents or guardians, to enter the Royal Navy at the conclusion of their tuition, in such capacities as they may be found best qualified to fill. If they then be reported physically fit, they will be retained in the school until fifteen and a half years of age, otherwise they will be discharged.

"XI. Should there not be a sufficient number of boys qualified to fill the positions of pupil teachers, writers, and ship stewards' boys in the Royal Navy, from the selected division, boys from the general division, who may volunteer, and who are able to pass the necessary examination will be appointed as may be required.

"XII. The education of the boys in the general division will comprise the usual elements of a sound English education, alternating with practical seamanship, and other industrial occupations designed to prepare them for a seafaring life.

PRIZE MONEY.

BY THE QUEEN.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date We were graciously pleased to annul, from and after the Twentieth Day of September next, Our Royal Proclamation of the Nineteenth Day of May One thousand eight hundred and sixty-six, regulating, according to the Scheme set forth therein or recognized thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially appointed by the Terms of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being desirable, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the Manner of Prize Money.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in right of a prize, as also of the captor, under circumstances

to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows:—

videlicet—
That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed: that is to say—

When there is but one flag officer he shall have the entire one thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers: commodores of the first class and captains of the fleet to share as flag officers: Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture

or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belong to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorized by Our said commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

The first captain to the admiral and commander-in-chief of Our fleet, and also the first captain to any flag officer appointed to command a fleet of ten ships of the line of upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect of his superior commission or offices.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag

officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, navigating lieutenant commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag, one-tenth of the entire net proceeds, except that if the single capturing ship be a rated ship having a commander under the captain the commander shall take a portion of the one-tenth part as if he were commander of a sloop according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants, staff commanders, and navigating lieutenants, commanding respectively Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts, and each lieutenant commanding, staff commander commanding, or navigating lieutenant commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commodores of the second class, and field officers of marines (artillery or light infantry) or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains; and field officers of marines (artillery or light infantry) or of land forces serving as marines, and doing duty as rank of major, to share as commanders of sloops. And We further direct, that after provision shall have been made for the flag share (if any), and for the portion of the commanding officer or officers, and others as above specified, the remainder of the net proceeds shall be distributed in ten shares, so that each officer, man, and boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board or absent on duty in a prize (who it is Our will and pleasure shall be the only absentees entitled to share) at the time of any such capture, seizure, &c., as aforesaid, and every person present and assisting shall receive shares, or a share, according to his class, as set forth in the following scale:—

paid out of the proceeds and bounties standing in the Naval Prize Account to the credit of the Prize.

To all Commanders-in-Chief, &c.

At the Court at Windsor, the 5th day of December, 1865.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Naval Agency and Distribution Act, 1864, it is enacted (among other things) that the several shares of any money in the several cases in the said Act enumerated distributable among the officers and crew of any of Her Majesty's ships-of-war shall be paid to the persons entitled thereto, in such manner and subject and according to such restrictions, conditions, and provisions as might from time to time be directed by Order in Council;

And whereas it is by the said Act also enacted that Her Majesty in Council may from time to time make such orders as may seem meet for the better execution of the said Act:

Now, therefore, Her Majesty, by virtue of the powers in this behalf, by the said Act, or otherwise, in Her vested, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

Provisionary.

1. This Order shall commence from and immediately after the thirty-first day of December, one thousand eight hundred and sixty-five.

2. The Order in Council of the first day of November, one thousand eight hundred and sixty-four, under the said Act, is hereby repealed; but not so as to revive any regulation, practice, or other thing thereby abolished, or to affect the past operation of that Order, or the validity of anything done thereunder.

3. Terms used in this Order have the same respective meanings as in the said Act.

Payment of Prize Money into Bank, &c.

4. Gazette Notice.

5. Before any money distributable as aforesaid is actually distributed, notification shall be given by advertisement inserted in the 'London Gazette,' under the direction of the Admiralty.

Prize Remittances.

6. For the purposes of the provisions of this Order respecting Prize Remittances, the proper certifying authority shall be (in the several cases hereinafter mentioned) the following, namely:—

7. As a place where there is not any resident naval cashier, paymaster, or accountant, payment of a share of any prize money shall be made in the United Kingdom and at Sierra Leone on a remittance bill, and at other places out of the United Kingdom in such manner as the Admiralty from time to time direct.

9. The amounts so paid shall be repaid to the respective departments in the same manner as at present, subject to such alterations as the Lords Commissioners of Her Majesty's Treasury and the Admiralty from time to time direct.

10. A remittance bill shall not be paid without a certificate from the proper certifying authority that the holder of the duplicate of the authority issued to the paying officer is the person named as payee in the duplicate.

11. Payment shall only be made to the payee personally, unless on any occasion the payee is unable from illness or bodily infirmity to appear personally, in which case payment on that occasion shall be made to the person producing—

(1.) The duplicate authority, together with the payee's order in writing, signed and witnessed, for payment to that person; and—

(2.) A certificate from the proper certifying authority of the payee's being unable from illness or bodily infirmity to appear personally; or—

(3.) A like certificate from the payee's legally qualified medical attendant;

provided the paying officer does not doubt the authenticity of the order or the truth of the certificate.

12. Payment shall not be made unless the paying officer is satisfied of the title of the claimant.

13. If on any application for payment the paying officer entertains any doubt as to the claimant's title to payment, he shall inquire into the matter, and may require from the claimant such statutory declaration or declarations of the claimant alone or with any other person or persons as the paying officer thinks requisite.

14. On paying a prize remittance bill, the paying officer shall take a receipt on the authority for payment addressed to him, and shall certify thereon (where so required) to his having satisfied himself of the title of the claimant.

15. Every certificate under this Order shall state the character in which each person certifying subscribes the same.

Assignments by Warrant Officers.

16. Any assignment made by a warrant officer of any prize money shall be void, unless it truly expresses the consideration money actually paid by the person in whose favour it is made to the person making it, and upon any such assignment there shall be paid so much money only as appears to have been actually paid as consideration for the same, with interest thereon, at five per centum per annum.

Prize Orders of Subordinate Officers, Seamen, and Marines.

17. In this Order the term "subordinate officer, seaman, or marine," includes every person belonging to Her Majesty's naval service, or being a supernumerary attached thereto, except commissioned and warrant officers, and assistant engineers of the second class.

18. The share of any subordinate officer, seaman, or marine, of any prize money, shall not be paid to any person other than such subordinate officer, seaman, or marine himself, or the person named in an order drawn by him as hereafter in this Order prescribed; but this restriction shall not apply to any money (being such a share or part thereof) remaining unpaid on the promotion of a subordinate officer to the rank of commissioned officer, or of a seaman to the rank of warrant officer.

19. Every such order shall be drawn on a printed form issued for the purpose by the Accountant General of the Navy.

21. Every such order shall be signed by the drawer in the presence of the person or persons who is or are to certify according to the directions subjoined to the form of order.

22. Every such order shall be irrevocable during the life of the payee, unless in special circumstances the Admiralty think fit to allow of revocation.

23. Every such order shall be absolutely revoked by the death of the payee, so that no interest therein shall pass to the payee's personal representatives.

24. Nothing in this Order shall affect any order drawn by a subordinate officer, seaman, or marine, before the first day of January, one thousand eight hundred and sixty-five.

25. If at any time a person formerly licensed as an agent or his representative has a lawful claim against the share of any subordinate officer, seaman, or marine, of any prize money, in respect of advances made by such agent before the first day of January, one thousand eight hundred and sixty-five, the claim shall be duly discharged under the direction of the Admiralty, as nearly as may be as if the said Act had not been passed.

Unclaimed and Forfeited Share.

26. If the share of any person of any prize money is not

duly claimed within six years after it is payable to him, it shall be deemed unclaimed and shall be dealt with accordingly.

27. Notwithstanding that any such share has been forwarded or is unclaimed, the Admiralty may, if they see good cause, pay the same out of the naval prize cash balance.

Closing of Accounts.

28. All accounts relative to any prize-money (whether the same became distributable before or after the commencement of this Order) shall be deemed finally closed at the expiration of forty years from the date of distribution.

Persons of Unsound Mind.

29. Where it is made to appear to the satisfaction of the Admiralty that any person entitled to a share of any prize-money is of unsound mind (though not found lunatic by inquisition), the whole or any part of such share may be paid over under the direction of the Admiralty to the wife or relative or other person having the care and maintenance of such person, to be applied for his maintenance and benefit.

Repayment from Greenwich Hospital.

30. All sums from time to time certified by the Accountant-General of the Navy to have been paid to claimants and others proving themselves entitled to shares of any prize-money, which was, before the first day of June, one thousand eight hundred and twenty-nine, paid into Greenwich Hospital, shall from time to time be repaid under the direction of the Admiralty out of the property held for the benefit of Greenwich Hospital.

Annual Account.

31. An account showing all the receipts and expenditure on account of prize-money made up to the thirty-first day of March in each year, and signed by the Accountant-General of the Navy, shall be annually laid before the House of Commons.

And the Lords Commissioners of Her Majesty's Treasury and the Lords Commissioners of the Admiralty are to give the necessary directions herein as to them may respectively appertain.

CIRCULAR NO. 33.—L.M.M.

Admiralty, 9th May, 1872.

(SHIPS' AGENTS.)

(Naval Agency and Distribution Act, 1864.)

The Lords Commissioners of the Admiralty have observed that the provisions of the Naval Agency and Distribution Act, 1864 (37 and 38 Vict., cap. 34), relating to the appointment of Ships' Agents, have not in all cases been complied with; and they desire to call the attention of Naval Officers to this Act generally, and especially to Sections 4 and 5, which impose a duty on the Commanding Officers of Her Majesty's Ships.

2. Section 4 is as follows:—"Each of Her Majesty's Ships of War shall at all times while in Commission have, for the purposes of this Act, an Agent styled the Ship's Agent, to be appointed in the first instance as soon as may be after the Ship is put in Commission, and afterwards from time to time as a vacancy in the office or other occasion may require;"—and Section 5. "The Ship's Agent shall be appointed from time to time at pleasure by the Commanding Officer of the Ship for the time being, by an instrument signed and attested in the form given in the schedule to this Act."

The schedule contains the form of appointment of Ship's Agent.

3. As great inconvenience has occasionally arisen from the want of a properly constituted Ship's Agent in this country, my Lords desire that, upon a Ship being put in

Commission, the Officer appointed to the command shall, without delay, appoint a Ship's Agent in accordance with the provisions of the above-recited Act, and shall report the name of such Agent (as also the name of any substituted Agent) to their Lordships' Secretary.

4. In the event of its being found necessary to institute proceedings against any Vessel or property, the Commanding Officer will take care that all costs and expenses incurred in such proceedings are paid either by himself, or by arrangement with the Ship's Agent. He will also forward to the Ship's Agent all the necessary documents to enable him to claim the bounties or proceeds, if any, to which the Captors are entitled, or re-payment of any expenses which may have been incurred in their behalf.

CIRCULAR No. 71.—L.M.

Admiralty, 7th November, 1874.

(COSTS OF PROSECUTION IN SLAVE CAPTURES, OR UNDER THE KIDNAPPING ACT, 1872.)

The attention of my Lords Commissioners of the Admiralty having been called to the inadequacy of the provision made to meet the expenses incurred by Commanding Officers of Her Majesty's Ships in conducting prosecutions under the Kidnapping Act, 1872, their Lordships are pleased to direct that Circular No. 2, of 6th January, 1874 (Costs of Prosecution in Slave Captures), shall be cancelled, and that the following Regulations shall be substituted for those contained therein.

"1. In case any proceedings shall have been instituted in

any Court of Vice-Admiralty or Mixed Commission by, or on behalf of any of Her Majesty's Ships in respect of any of the matters enumerated in the 12th Section of the Naval Agency and Distribution Act, 1864, and the Commanding Officer of such Ship shall be unable himself to pay the legal expenses attending the prosecution, or to negotiate a bill for the amount on the Ship's Agent, he will be at liberty to demand from the Paymaster of his Ship an advance of public money for the purpose. The amount of such advance, which must not exceed 100*l.*, is to be debited by the Paymaster on the Ship's Ledger against the pay of such Commanding Officer, who can reimburse himself by drawing on the Ship's Agent for the amount when opportunity shall occur.

"2. In case any proceedings shall have been instituted by or on behalf of any of Her Majesty's Ships in respect of matters under the Kidnapping Act, 1872, the Commanding Officer will be at liberty to obtain from the Paymaster of his Ship an advance of public money for the purpose. The amount of such advance, which must not exceed 200*l.*, will be charged as an Imprest against such Commanding Officer until the Treasury (should they so decide) shall repay the same under the 19th Clause of the said Act.

"3. It is desirable that the approval of the Commander-in-Chief or Senior Officer on the Station should be obtained before such application of public money; but should the delay necessary to obtain such approval be in any case inconvenient, the advance may be made on the sole authority of the Commanding Officer of the Ship, the case being afterwards reported to the Commander-in-Chief or Senior Officer."

By Command of their Lordships,

VERNON LUSHINGTON.

A. B., am desirous of partaking in the Advantages with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled. And that such Share or Shares of the Admiral or Admirals aforesaid, to which he or they shall not be entitled on Conditions hereinbefore expressed, shall go and belong

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata stantis*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively; and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars in which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at Carlton House, this Twelfth Day of July, One Thousand Eight Hundred and Nineteen, in the Fifty-ninth Year of His Majesty's Reign.

GOD SAVE THE KING.

TREASURE PLACED ON BOARD H.M.'S SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1881.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading

or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of April last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board any of Our Ships and Vessels: We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six hundred Leagues, shall be fixed at the Rate of One per Cent., both for Gold and Silver; and We do hereby establish and declare, That the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of April last, and the Rules and Regulations thereby established, shall continue in full Force.

Admiralty, 8th October, 1841.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1841, granting an allowance for Treasure deposited on board Her Majesty's Ships for Custody only, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

REGULATIONS FOR THE EXAMINATION OF OFFICERS, MEN, AND BOYS FOR ADMISSION INTO THE ROYAL NAVY AND MARINES.)

Art. 410, p. 182, of Addenda to Queen's Regulations.

Then a Medical Officer is directed to examine any person admission into the Naval Service, or into the Royal Marines, he is first to observe whether he has any marks of rashes, or injuries of the bones of the head, whether his sight or hearing is defective, whether he is deformed, or has an impediment of speech, or weakness of intellect, and should any of these or other mental or physical defects exist to such an extent as might, in the opinion of the Examining Officer, disqualify him for the efficient discharge of his duty, he is at once to report him unfit without requiring the examination further.

On the contrary, should the person present no outward appearance of unfitness, he is to be directed to divest himself of his clothes; and the Medical Officer is then to examine himself, by a careful inspection of the entire cutaneous surface, that it is not only in itself free from disease, but that it shows no evidence or sign of the existence of any internal complaint or constitutional derangement.

He is to ascertain that there is a proper and just proportion between the different members of the body, that there is no general weakness or deformity, that the limbs are of equal length, strong, and well developed, that there are no visible scars of previous fracture, depression, or disease of the skull, of head, nor adherent cicatrices, that the eyes are clear, intelligent, and expressive of health, the eyesight good, the hearing perfect in both ears, that there is no defect of form of the bones of the nose, and that the teeth are strong, and sufficient in number.

The chest should be carefully examined in reference to its size and capacity, and the condition of the heart and lungs ascertained by percussion and auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained organs, or predisposition to hernia from whatever cause.

The Examining Officer shall next direct the person to stand, and slowly raise his arms until the hands meet above his head; he is then to perform the various movements of shoulder, elbow, and wrist joints; to flex and extend, rotate and pronate the forearm; to flex and extend the wrist and thumbs; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five seconds.

On the examination of the lower extremities, the person is made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the limbs, and to show that the movements of the various joints are freely and rapidly performed.

Persons of whatever class, or age, who are found to be suffering under any of the undermentioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service:

1. Weak constitution arising from imperfect development or weakness of the physical powers of the body, or chronic disease, constitutional depravity, wounds or scars.

2. Chronic eruptions on the skin or scalp; syphilis, prior or constitutional; gonorrhoea; extensive marks of scurvy, leeching, or blistering, or of issues. Marks of recent or old disease are to be reported to the Commanding Officer.

3. Malformation of the head, with a dry, harsh, divergent hair of the scalp, fracture or depression of the skull, disordered intellect or imbecility, epilepsy, or impediment of speech.

4. Blindness or defective vision in one or both eyes, fistula, strabismus, and ptosis.

5. Impaired hearing, or discharge from one or both ears, or thickening of the lining membrane of the external

6. Disease of the bones of the nose or of its cartilages, and polypus.

7. Disease of the throat, palate, or tonsils; unsound teeth, offensive breath from constitutional causes, unhealthy gums, scrofulous disease of the glands of the throat or neck, external cicatrices, whether from scrofulous sores or suicidal wounds.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, flattening of the sub-clavicular regions, phthisis, hæmoptysis, bronchitis, dyspnoea, aphonia, chronic cough, or other symptoms of tubercular exudation into the pulmonary tissues.

9. Swelling or distension of the abdomen, undue obesity, disease or enlargement of the liver, spleen, or kidneys. Rupture, weakness or distension of the abdominal rings; stricture of the urethra, incontinence of urine or urinary fistula.

10. The non descent of one or both testicles, varicocele, hydrocele, and sarcocele.

11. Fistula or fissure of the anus, hæmorrhoids, condylomata, or prolapsus of the rectum.

12. Paralysis, weakness, impaired motion, or contraction of the upper or lower extremities from whatever cause; aneurism, a varicose state of the veins, especially of the leg. Chalky deposits, bunions, distortion, deformity, or malposition of the fingers or toes; nodes; flat-footedness.

13. Distortion of the spine, of the bones of the chest or pelvis, from injury or constitutional defect.

No person is to be admitted into Her Majesty's Service unless he has had smallpox, or has been vaccinated, and should the vaccine cicatrix not be considered satisfactory, he is to be reported fit only on condition that he immediately submits to the operation.

As it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or boy for the Service; observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicissitudes of the Service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical Officer, are to be entered on a list in the Medical Journal of the ship, in the Nomenclature Returns from Hospitals and Marine Infirmarys, and in the Weekly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disability contracted or sustained since his entry,—or, on going on foreign service.

CIRCULAR No. 34.—N.

Admiralty, 4th August, 1875.

(EXAMINATION OF SECOND CLASS BOYS ON ENTERING THE NAVY.)

My Lords Commissioners of the Admiralty are pleased to issue the following Regulations as to the entry of Second Class Boys for Her Majesty's Navy:

1. Second Class Boys are only to be finally entered in the United Kingdom and by the following Officers, viz:—
Commanding Officers of Training Ships.

Captains of District Ships.

Commanders of Drill Ships.

Captains of the Flag Ships at Sheerness and Queens-town.

Commanding Officers of the "Fusard" at Greenwich.

And of the "Nankin" at Pembroke.

2. Boys may be provisionally entered by Officers of the Coast Guard, the Recruiting Officers of Marines, and any other Officers specially authorised by their Lordships,

440 ENTRY AND DISCHARGES OF PETTY OFFICERS,

sending them to the nearest District or Training Ship to be there finally entered.

3. Every Boy previous to being entered must satisfy the Examining Officers—

I. That he is of robust frame, intelligent, of perfectly sound and healthy constitution, free from any physical defects or malformation, and not subject to fits.

II. That he is able to read and write. The lowest test by which a Boy should be entered is to be able to read a passage of two ordinary lines of one syllable, and sign his name legibly.

III. That he is between the ages of 15 and 16½ years.

IV. That his height and measure are sufficient, the same being as follows:—

Boys between 15 and 16½	Height (without shoes).	Measurement round the Chest.
15½ ..	4 ft. 10½ ins.	29 ins.
16 ..	4 ft. 11½ ins.	29½ ins.
16½ ..	5 ft. 1 in.	30 ins.

Boys, however, who do not quite reach the standard of height and measurement may, if in all other respects desirable, be entered, with the special permission of their Lordships.

V. Every Boy must bring with him a Certificate of Birth, or a Declaration made by his Parents or Guardians before a Magistrate to show that he is of the proper age; and also the consent in writing of his Parents or Guardians, or nearest relatives if he be an Orphan, to his entering the Navy and engaging to serve until he shall have completed 10 Years' Continuous Service from the age of 18.

4. Boys are not to be received from Reformatories or Prisons.

5. The Examining Officers on board a District Ship will be the Captain or Commander, a Lieutenant or Navigating Lieutenant, and a Medical Officer; on board a Training Ship, the Commander (or in his absence an Officer of that rank to be appointed by the Commander-in-Chief), a Lieutenant or Navigating Lieutenant, and a Medical Officer; when, however, a Boy has been already passed by a Naval Medical Officer, he is not to be medically examined a second time, unless the Commanding Officer of the Training Ship to which he is sent shall think it necessary, and in such case the Boy is to be examined by a Board of three Medical Officers. The Medical Examination is, in all cases, to be conducted as laid down in Article 410 of the Addenda.

6. If the Examining Officers are of opinion that the Boy is in every respect fit for the Service, the engagement to serve continuously in Her Majesty's Navy until he has completed 10 Years' Service from the age of 18 is to be read and explained to him, and if he voluntarily agrees to its terms, he is then, in the presence of a witness, to sign his engagement, and to be entered on the books of the Ship.

7. The Examining Officers will also fill up the Form and Certificate attached to the Engagement, and will sign the same, and will transmit the document to the Accountant-General of the Navy.

8. Articles 1, 2, 3, and 4 of Chapter IX. of the Queen's Regulations and Articles 93 and 94 of the Addenda are hereby cancelled.

9. Circular No. 30—N, of the 30th April, 1873, is hereby cancelled.

(ENTRY OF APPRENTICES IN HER MAJESTY'S DOCKYARDS.)

With reference to Circular No. 8, C, of the 30th January last, sanctioning Regulations for the Royal Naval College at Greenwich, my Lords Commissioners of the Admiralty are pleased to direct that the following Regulations for the entry of Apprentices in Her Majesty's Dockyards shall be substituted for those now in force:—

2. Vacancies for appointments as Apprentices in Her Majesty's Dockyards at Chatham, Sheerness, Portsmouth, Devonport, and Pembroke are open to public competition.

3. The Lists of Candidates for these situations are kept by the Superintendents of the Dockyards named in paragraph 2, to whom all applications must be sent in before the last of May in each year.

4. Candidates must not be under the age of 14 years, nor above the age of 15 years on the first day of the Examination. Proof of age will be required by the production of a Certificate of Birth, an Extract from Baptismal Register, or by Declaration before a Magistrate. Evidence of respectability and good character must also be produced on a form which will be furnished by the Civil Service Commissioners or by the Superintendents of the several Dockyards.

Candidates will not be admitted for examination at Dockyards until they have been pronounced fit for Her Majesty's Service by the Medical Officers of the yard. A deficiency in these requisites will not exclude candidates who may be pronounced by the Medical Officers to be generally calculated to make efficient workmen. All candidates must produce certificates to the satisfaction of the examining Medical Officers that they have been vaccinated, or they will be revaccinated before they can be considered eligible for examination.

The examination will commence on the first Tuesday of each year, and will be held by the Civil Service Commissioners in London as well as at the several Dockyards.

The following will be the subjects of examination, and the maximum number of Marks for each subject:—

Arithmetic	350

Physical Qualifications: Height, Weight, Girth of Chest, and Strength	300
Total	1450

Candidates will be subjected to a preliminary examination in the first four subjects, and should they fail in any the four, they will be at once rejected. Those who pass preliminary examination will then undergo a competitive examination, and the candidates who display a competent knowledge of all the above subjects will be eligible for appointment in the various Trades, according to their position on the Examination Lists at the several Dockyards.

Apprentices will be bound by Indenture to serve for five years, and no candidate will be entered unless some friend is able and willing to undertake the duty of the second party to the Indenture as to the support, &c., of the Apprentice during his apprenticeship. Board wages only be allowed in the case of boys whose fathers are dead or have been killed in the service, and when it can be proved the family are in distressed circumstances, or in any very special cases.

On the expiration of their period of service Apprentices will receive a certificate of their character and conduct, the progress they have made in their trade and in the knowledge of the subjects prescribed for Dockyard Apprentices.

1. The Pay of Apprentices serving in the Dockyards is as follows:—

Sixth year	10	6 "
Seventh year	12	0 "

2. Three from among those who have passed five years in the Dockyards will be selected annually by competitive examination for study at the Royal Naval College at Greenwich. They will remain there three terms, passing vacation each year between the 30th June and the 1st October at one of the Dockyards.

3. Those selected for study at Greenwich must join with their parents or guardians in a bond for the sum of £250 to serve under the Admiralty for seven years if required at the completion of their Apprenticeship.

4. While at Greenwich, Dockyard Apprentices will be paid, and will receive 1s. 6d. a day towards the mess, and will mess with the Acting 2nd Class Assistant Engineers and Engineer Students.

They will receive pay as follows:—

Those in their first year at Greenwich	21	0 a week.
Second and third years	22	6 "

When at their own Dockyards during the vacation, they will receive their pay as above, but not the messing allowance. When at other Dockyards, the messing allowance will be granted.

15. If found well qualified at the completion of their course at Greenwich, they may be sent to sea in one of Her Majesty's Ships for one year if the Lords Commissioners of the Admiralty think it desirable, and will then be appointed Assistants to the Foremen of the Dockyards, or to any other post for which they may be considered fit. In cases where their Lordships do not consider it desirable to send them to sea, they will be at once appointed to situations as above at the several Dockyards.

16. N.B. The above Regulations will be generally followed, but their Lordships reserve to themselves the right to modify them from time to time as they may consider desirable.

17. The Regulations contained in Art. 91, page 364, of the Appendix to the Addenda to the Queen's Regulations and Admiralty Instructions, and the Printed Regulations on this subject issued to the Dockyards, dated the 1st August, 1867, are hereby cancelled.

Temporary Provisions.

18. At the examination, which will be held in June, 1873, candidates will be admitted who are not less than 13 years and 9 months and not more than 15 years of age on the first day of the examination.

19. The Dockyard Apprentices who would under the former Regulations return to South Kensington on 1st October next will proceed to Greenwich on that date, to complete their course of study. They will be lodged while at Greenwich, and will receive 1s. 6d. a day towards the mess.

They will also receive pay as follows:—

	s.	d.
Those in the fifth year of their apprenticeship	21	0 a week.
Those in the sixth and seventh years and after the completion of their apprenticeship, while as students	22	6 "

REGULATIONS AS TO DISCIPLINE OF LAND FORCES EMBARKED AS PASSENGERS ON BOARD HER MAJESTY'S SHIPS.

CIRCULAR No. 10.—LMM.

Admiralty, 10th February, 1874.

REGULATIONS AS TO DISCIPLINE OF LAND FORCES EMBARKED AS PASSENGERS ON BOARD HER MAJESTY'S SHIPS.

Her Majesty, by Order in Council of 19th December, 1873, having been pleased to sanction the following Regulations as to the discipline of Land Forces embarked as Passengers on board Her Majesty's Ships, the Lords Commissioners of the Admiralty are pleased to direct the Captains of Her Majesty's Ships to govern themselves accordingly.

At the Court at Windsor,
the 12th day of December, 1873.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board, a Memorial on the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of December, 1873, in the words following, viz. :—

"Whereas it is provided by Section 88 of an Act passed the twenty-ninth year of Your Majesty's reign, entitled an Act to make Provision for the Discipline of the Navy," follows:—

"Her Majesty's Land Forces, when embarked on board any of Her Majesty's Ships, shall be subject to the provisions of this Act to such extent and under such Regulations as Her Majesty, Her heirs and successors, by any Order or Orders in Council, shall at any time or times direct."

"Whereas Your Majesty was graciously pleased by Your Order in Council of the 22nd day of February, 1870, to approve the establishment of certain Regulations for the maintenance of order and discipline on board Your Majesty's Ships in which Your Majesty's Land Forces may be embarked; and whereas we are of opinion that it would be to the advantage of Your Majesty's Naval and Military Forces to amend the above-named Regulations in some particulars, we humbly beg that Your Majesty will be graciously pleased by your Order in Council to cancel the said Regulations, and in their place to sanction the following:—

"1. Whenever any of your Majesty's Land Forces, or any Royal Marines formed into a separate corps or battalion, shall be embarked as passengers in any of Your Majesty's ships, the officers and soldiers shall from the time of embarkation strictly observe the laws and regulations established for the government and discipline of Your Majesty's Navy, and shall for these purposes be under the command of the Senior Officer of the ship as well as of the Superior Officer of the Squadron, if any, to which such ship may belong.

"2. If any officer or soldier shall commit any act against the good order and discipline of the ship in which he is embarked, the Commanding Officer of the

ship may, by his own authority, and without reference to any other person, cause him to be put under arrest, or to be confined as a close prisoner, and shall thereupon, if he thinks the case requires it, transmit a report, in writing, of the charges against such officer or soldier to his superior officer, or if there be no senior officer present, to the Commander-in-Chief of Land Forces, in order that the offender may be brought before a Military Court-Martial.

"3. If any officer or soldier commits any act which in the opinion of the Commanding Officer of the Troops requires a trial by Court-Martial, such Commanding Officer shall, with the concurrence of the Captain of the ship, cause him to be disembarked on the first opportunity, or to be removed to a transport ship, and be there proceeded against according to military law. No Military Court-Martial shall be held on board any of Your Majesty's ships in commission.

"4. If any private soldier shall commit any act against the good order and discipline of the ship, the Commanding Officer of the ship, if he thinks the case requires the infliction of any summary punishment for which by the Regulations of Your Majesty's Navy a warrant is necessary, shall apply for the concurrence, in writing, of the Commanding Officer of the troops as to the nature and amount of such punishment, if any, to be inflicted, and upon obtaining such concurrence, in writing, shall, by warrant under his hand, sentence the offender to suffer such punishment accordingly. The sentence shall in all respects conform to the provisions contained in the Naval Discipline Act, 1868, relating to summary punishments awarded by Commanding Officers. If the Commanding Officer of the troops shall decline to give his concurrence as aforesaid, he shall state his reasons in writing, and deliver the same to the Commanding Officer of the ship.

"5. The Commanding Officer of the troops, upon receiving a notification in writing to that effect from the Commanding Officer of the ship, may, in respect of minor offences committed by any of the troops embarked, award such summary punishments as are permitted by the Regulations of Your Majesty's Navy to be awarded without a warrant. Your Majesty's Secretary of State for War and His Royal Highness the Field Marshal Commanding-in-Chief have signified their concurrence to these Regulations."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

MISCELLANEOUS CIRCULARS, &c.

[The Regulations for Good Conduct Medals are under revision.]

CIRCULAR No. 78.—P.

Admiralty, 16th December, 1874.

LONG SERVICE AND GOOD CONDUCT MEDALS AND GRATUITIES.

1. The Lords Commissioners of the Admiralty having had under their consideration the Regulations for the Award of Long Service and Good Conduct Medals and Gratuities laid down in the following Circulars, viz. :—

No. 18, N. of 15th February, 1870, Articles 5, 6, 7, 8, 9, 10, and 11.

No. 4, P. of 13th February, 1872,

No. 15, P. of 10th March, 1873,

are pleased to direct that those Regulations be cancelled; and that the following rules are in future to be observed:

2. Recommendations for Medals and Gratuities are henceforth to be made entirely irrespective of the complements of Her Majesty's Ships, or the strength of the Divisions of Royal Marines and Coast Guard, it being the intention of the Lords Commissioners of the Admiralty that there should not be any bar, except a man's own conduct, to his obtaining those distinguishing marks of their Lordships' approbation.

3. The word "Exemplary" is to be used for describing the character of men with reference to their being granted Medals and Gratuities.

4. This word is to be entered, *in red ink*, annually, on the 31st of December, and on discharge from Ships and Marine Quarters, by the Commanding Officers of Her Majesty's Ships and Vessels, and by the Commandants or Commanding Officers of Royal Marines, on the Parchment Certificates of such men as have up to that time shown themselves deserving of the character.

5. A notation of "Exemplary" character having been awarded is to be made at the same time against the names of such men in the Service and Conduct Book, with a statement that they have fulfilled all the conditions required by this Circular.

6. No man shall be considered entitled to the character of "Exemplary" unless he has borne the character of "Very Good" throughout the whole of his previous service; except that during the first five years of a man's time, one year of "Good" conduct may be allowed to reckon as "Very Good."

7. No man shall be considered entitled to the character of "Exemplary" if he has been, during the year for which the character is given in the Second Class for Conduct or has been imprisoned, or confined in cells, or has been deprived of a badge, or has been placed below the privileged class for leave.

8. Reduction to the Second Class for Conduct, or Imprisonment, during any portion of a man's time, shall render him absolutely ineligible for Medal or Gratuity.

9. In the event, however, of a man, who would be excluded under the above regulation, having shown highly exemplary conduct in action, or otherwise, he may be recommended for special consideration.

10. Men who have for ten consecutive years been given the character of "Exemplary" under these conditions, may be recommended for Medals at any period of their service after the completion of such ten years.

11. A man to whom a Medal has been awarded will be liable to be deprived of it summarily by Warrant for subsequent misconduct, subject to the ultimate approval of the Commander-in-Chief, or Senior Officer of the Station, or Commandant, or Commanding Officer of Royal Marines; the deprivation to take place publicly, and to carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. The Medal to be returned to the Secretary of the Admiralty.

12. A man may be deprived of his Medal without being deprived of any Good Conduct Badge, but *not vice versa*.

13. Men who have for fifteen consecutive years been given the character of "Exemplary" under the foregoing conditions, may be recommended, on their discharge to Pension, for Gratuities in addition to their Medals.

The Scale for Gratuities shall be as follows:—

Chief Petty Officers and Non-commissioned Officers of Royal Marines in Class 1., having served as Chief and First Class Petty Officers, and as Staff-Sergeants and Sergeants of Royal Marines, for not less than ten years 20

First Class Petty Officers, and Sergeants of Royal Marines in Classes II., III., and IV., having served as such for not less than ten years 15
Second Class Petty Officers, and Corporals and Bombardiers of Royal Marines, having served as such for not less than seven years 10
Leading Seamen, having served as such for not less than five years 7
Able Seamen; and Gunners, Privates, Musicians, and Buglers of Royal Marines; and others not excluded by paragraph 14. 5

14. Neither Medals nor Gratuities will in future be bestowed on Ordinary Seamen, Third Class Writers, Third Class Signalmen, Second and Third Class Domestic, Ships' Stewards' Assistants, Assistant Sick Berth Attendants, and boys of every description.

15. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such one of the lower rates, with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award to him.

16. Lists of Men recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the accompanying form, by the Commanders-in-Chief and Senior Officers at Home and Abroad, the Commandants of Royal Marines, and the Divisional Officers of Coast Guard, on the first day of the third month of each Quarter; and as soon as their Lordships' approval has been received, the Medals and Gratuities are to be presented before the Ship's Company, by the Captain of the Ship; and, in the case of Royal Marines, by the Commandants on Parade.*

17. These Regulations are to come into operation on the 1st day of January, 1875, and are to apply to all persons of the ratings herein mentioned borne on the Books of Her Majesty's Ships and Vessels; and in the Coast Guard afloat and on Shore; and to Royal Marines at Divisions as well as Embarked.

Temporary Provision.

18. In the cases of men now in the Service, time served before the 1st of January, 1875, with "Very Good" character, will be allowed to reckon as "Exemplary" for Medal and Gratuity, provided their conduct has been such as to render them deserving of being considered "Exemplary" under paragraphs 6 and 7 of this Circular.

By Command of their Lordships,

ROBERT HALL.

FORM No. 245.

A List of Men belonging to, who are recommended for Good Conduct Medals or Gratuities, under the provisions of Circular No. P of

Date of recommendation.

Name in Full.	Rating.	Whether recommended for Medal or Gratuity, or both.	Length of Service with continuous "Exemplary" Character.

Copies of the Men's Certificates of Service are to accompany this List, in the same form as for Long Service Pension.

* Note.—Circular letter of 8th February, 1875, cancels the order for recommendations to be sent in quarterly only, and directs (1) that men may be recommended for the awards as soon as they become eligible for them; (2) that a Return is to be made from ships paying off of the names and addresses of any men who were recommended, from Foreign Stations, for Medals and Gratuities, but who had not received them up to the time of their arrival in England.

Should a Marine be recommended, a Certificate of his service, signed by the Commandant of the division to which he belongs, is to be transmitted with this recommendation. But should a Seaman, or Petty Officer, be elected for the rewards in question who has previously served in the Royal Marine Corps, his Certificate of discharge is to be sent up.

CIRCULAR No. 20.—P.

Admiralty, 26th April, 1875.

LONG SERVICE AND GOOD CONDUCT MEDALS AND GRATUITIES.

A question having been raised as to whether men who do not wish to complete their time for Long Service Pension are to be considered eligible for "Long Service and Good Conduct" Medals, under the provisions of Circular No. 8 P. of 16th December, 1874; my Lords Commissioners of the Admiralty desire me to acquaint you, for general information, that the award of these medals after only ten years of "exemplary" conduct was sanctioned in order to recognise publicly the merits of deserving men who were serving for Long Service Pensions, by enabling them to wear this distinguishing mark of their Lordships' approbation while in the Service, and as an encouragement to them to emulate their good example; but it was not intended that men should be at liberty to receive the medal and then to leave the Navy or Marines, without completing a "Long Service" for which the medal was specially established.

2. My Lords are therefore pleased to direct, that medals are only to be granted to such men as may continue to serve for Long Service Pension, and that, in the event of a man who has been granted a medal declining to go on serving to complete such time, he shall surrender the medal on his discharge, unless he has completed 15 years' service, in which case he may retain it.

3. Men invalided out of the Service, and consequently unable to complete 20 or 21 years, will be allowed to retain their medals.

4. Questions having also been raised as to the effect of the instructions mentioned in Article 7 of the above-mentioned Circular on a man's claim to medal and gratuity, my Lords wish it to be distinctly understood that these punishments except reduction to 2nd class for conduct and imprisonment, whether inflicted singly or cumulatively, do not necessarily render a man ineligible for medal or gratuity.

They only prevent him from being given the character of "exemplary" for the year in which they were inflicted, after the 1st January, 1875; or prevent his character being considered as "exemplary," under Article 18 of the Circular, before that date.

As 10 consecutive years of "exemplary" character (or of "very good" before 1st January, 1875, equal to "exemplary") are required to render a man eligible for medal, 15 years for gratuity, it follows that no man who has not so punished can be eligible for at least 10 or 15 years the year of his last punishment.

Moreover, in order to be eligible, he must have been given "very good" character for the year in which the punishment was inflicted; because no man can be granted a medal or gratuity unless he is "exemplary," and no man can be considered "exemplary," under Article 6 of the Circular in action, if he has not had "very good" character throughout the whole of his previous service, except the one year of "good" allowed to reckon as "very good" in the first five years of a man's time; that is, of time which reckons towards pension.

The infliction of any of the punishments mentioned in Article 7 of the Circular in question, after a medal has been awarded, entails forfeiture of the medal; but if "very good" character is given for the year in which the punishment takes place, the medal may be restored after 10 consecutive years of "exemplary" character after the year which the medal was taken away.

5. In the case of a man who has joined the Navy or Marines from the Army, the general character given to him on his discharge will be taken as his character throughout the whole of his Army Service, subject, however, to the

rules as to 10 consecutive years of "very good" or "exemplary" character after punishment laid down in this Circular.

6. "Fair" character during any portion of a man's service, entirely excludes from medal or gratuity.

By Command of their Lordships,

ROBERT HALL.

To all Commanders-in-Chief, &c.

CIRCULAR LETTER.—P.

Admiralty, 2nd August, 1875.

SIR,—Cases having come under the notice of My Lords Commissioners of the Admiralty in which "exemplary" character for medal has been awarded to men who, in their previous service, have been reduced to the second class, or have received characters below that of "good;" I am commanded by their Lordships to acquaint you that such an award of character, being contrary to the provisions of Circular No. 78 P., of the 16th December, 1874, and No. 20 P., of 26th April, 1875, must be altered forthwith to "very good," and you are to give the necessary directions accordingly.

2. My Lords have also been informed that some Commanding Officers consider, with reference to Article 4, Paragraph 3, of Circular No. 20 P., of 1875, that although men have been disqualified for medal in the first ten years of their service, yet by awarding them the character of "exemplary" from the 1st of January, 1875, they commence from that date to reckon towards the medal to be earned in the remainder of their service, provided the same high character shall be maintained.

3. This also is entirely contrary to the provisions of the Circulars in question, and Commanding Officers should clearly understand that certain conditions referred to in Articles 6, 7, and 8 of Circular No. 78 P., of 1874, permanently exclude men from being given "exemplary" character.

4. The character given in such portion of a boy's service as does not reckon for pension has no effect on his claim to medal and gratuity; but that given in such portion of a boy's service as does reckon for pension, must not be inferior to "good," in order to give him a claim to medal and gratuity under Article 6, of Circular No. 78 P., of 1874.

5. A complete history of badges should be given on the copy of the parchment certificate of service transmitted with applications for medals, showing the dates of deprivation and restoration.

6. If it is desired that men who have received medals should also be given gratuities, separate application should be made for the latter on the men being recommended for pension.

I am, Sir, your obedient servant,

ROBERT HALL.

CIRCULAR No. 54.—P.

Admiralty, 23rd July, 1874.

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

Her Majesty has been graciously pleased, by her Order in Council, dated the 7th instant, to establish a Silver Medal for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

2. This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £20) in the cases of Chief and First-class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities, by the Lords Commissioners of Her Majesty's Treasury, is not exceeded.

3. My Lords desire that you will take the necessary measures for making the same generally known to the Petty Officers, Seamen, and Royal Marines of the several ships and divisions under your orders.

4. As these awards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, my Lords desire that great care may be taken that the cases of the men recommended to their notice come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

By Command of their Lordships,

ROBERT HALL.

REGULATIONS FOR ENTRY OF OFFICERS IN THE ROYAL NAVAL RESERVE.

ORDER IN COUNCIL, MARCH 1, 1864.

At the Court of Windsor,

the 1st day of March, 1864.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas by the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, Her Majesty was empowered to avail herself of the services of a certain number of Officers of the Merchant Service of the United Kingdom, and of the Colonies and Dependencies of Great Britain, as Officers of Reserve to the Royal Navy; and whereas certain Regulations have been made under the said Act, and in pursuance of the said Act and of the said Regulations made thereunder, a considerable number of such Officers have been enrolled as Officers of Reserve; and whereas by the Officers of Royal Naval Reserve Act, 1863, twenty-six and twenty-seven Victoria, chapter sixty-nine, it is enacted as follows, viz.:-

"1. It shall be lawful for Her Majesty to accept from time to time the offer of any persons who have been, are, or shall be Masters, Mates, or Engineers of Ships in the Merchant Service aforesaid, or of other British Ships not belonging to Her Majesty, or of any persons who have been Commissioned Officers, Masters, or Engineers in the Indian Naval Force of Her Majesty, or in the Naval Force of the East India Company, to serve as Officers of Reserve to the Royal Navy, upon such terms and conditions as to Her Majesty may from time to time seem fit.

"2. The Lord High Admiral, or the Commissioners for executing his office, hereinafter called the Admiralty, may enrol as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time deem expedient, under and subject to such rules, orders, and regulations as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for training or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

"3. Such persons so enrolled as Officers of Reserve shall be entitled to receive such pay and allowances as the Admiralty, with the consent of Her Majesty in Council, may from time to time appoint; and if any such person is disabled or receives any hurt or wound in actual service, he shall be entitled to the same allowance or pension in respect thereof as an Officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances; and if any such person is killed in action, or dies from any wound or accident resulting from the performance of his duty, his widow (if any) shall be entitled to the same pension as the widow of an officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances.

"4. It shall be lawful for Her Majesty to continue the services of all persons who have been enrolled as Officers of Reserve to the Royal Navy before the passing of this Act, and the services of all such persons shall be deemed to be continued by Her Majesty as if this Act had not been passed, unless and until Her Majesty thinks fit to discontinue the same.

"5. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, as far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any part of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), 'to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy,' shall be repealed;

but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, as Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine:

Now, therefore, Her Majesty is pleased to direct that the said Regulations appended to this Order shall take effect from the date hereof.

ARTHUR HELPS.

REGULATIONS REFERRED TO IN THE FOREGOING ORDER.

QUALIFICATIONS FOR THE ORDER OF THE BATH.

Extract from Supplementary Statutes of 24th June, 1861.

It is ordained that the Military Division of the Third-class, or Companions, may be increased to six hundred and ninety, and shall not, except under special and temporary exigencies, exceed that number; and that no person shall be nominated thereto who doth not actually hold at the time of his nomination a Commission in our Army or Marines, or in our Indian Military Forces, or of above the rank of Major, or a Commission in our Navy, or in our Indian Naval Forces, or of above the rank of Commander, or a Commission of equivalent or higher rank in the Commissariat Service of our Army or Indian Military Forces, or in the Medical Service of our Army, Navy, or Indian Military and Naval Forces; nor shall any person be admitted into this Division unless his services have been marked by the especial mention of his name in despatches, as having distinguished himself by his valour and conduct in action

against the enemy, in the command of a ship of war, or of our troops, or at the head of a Military Department, or as having by some Active Service, under his immediate conduct and direction, contributed to the success of any such action; provided, nevertheless, and We do hereby declare that this last-mentioned regulation shall not be applicable to Commissariat and Medical Officers, and instead thereof, We further declare, that no Commissariat or Medical Officer shall be competent to be an ordinary member of the Military Division of the Second and Third Classes of the said Order, unless it shall appear to us that by his meritorious services in actual war, in providing for the wants of our Army, or of our Indian Military Forces, or in taking care of the sick or wounded Officers, Soldiers, and Seamen of our Army and Navy, or of our Indian Military and Naval Forces, he has deserved such distinction.

REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign-Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited to the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to

ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared by the Royal Sign-Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the 'Gazette,' stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's license and permission do not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of

honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Foreign Office, May 10th, 1855.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services should be addressed, as the case may be, to the Commander-in-Chief, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formalities.

2. Any British Subject is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An Officer, Soldier, Marine, or Sailor must, however, first obtain permission from the Commander-in-Chief, or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, Jan. 1870.

CLARENDON.

THE VICTORIA CROSS.

VICTORIA B.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some special engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an scroll, bearing this inscription, "For Valour."

Secondly. It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatso-

ever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:-

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines

not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such force, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourthly, It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-

Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifthly, In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not offer a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at Our Court at Buckingham Palace, the twentieth of January, in the nineteenth year of Our said Majesty, and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command.

THE ALBERT MEDAL.

WARRANT REVOKING a WARRANT dated the 7th March, 1866, Instituting A NEW DECORATION to be styled "THE ALBERT MEDAL," and instituting in lieu thereof TWO NEW DECORATIONS, to be styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS," and "THE ALBERT MEDAL OF THE SECOND CLASS."

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS a Warrant was given under our Royal Sign Manual, bearing date the 7th day of March, 1866, in the 29th year of Our reign, intituled "a Warrant instituting a new Decoration, to be styled 'The Albert Medal,'" and such Warrant was in the terms following, that is to say,—

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea, and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss, and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour: Now, for the purpose of attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—It is ordained that the distinction shall be styled "The Albert Medal," and shall consist of a gold oval-shaped badge or decoration, enameled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor erect, in gold, surrounded with a garland in bronze, inscribed in raised letters of gold "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort,

and suspended from a dark blue ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

Secondly.—It is ordained that the Medal shall be suspended from the left breast.

Thirdly.—It is ordained that the names of those on whom We may be pleased to confer the decoration shall be published in the 'London Gazette,' and a registry book kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received the medal, again performs an act which, if he be not received such medal, would have entitled him to it, such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended, and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the date of this Instrument, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives; and that such award shall be made only on recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him to be so decorated, his name shall forthwith be erased from the registry of individuals upon whom the said Medal shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited and every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be erased on account of such transgression. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

And WHEREAS it has been represented to Us, that seamen and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are of a character sufficiently daring and heroic to bring them under Our Warrant above cited, and are yet without some distinguishing mark of Our Royal favour. And whereas, We, taking into Our consideration that it is expedient to reward such mariners and others who perform such actions to prevent loss of life from shipwreck and

perils of the sea, are pleased in place of the Decoration created by Our Warrant of the 7th March, 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

First.—It is ordained, that one of the said two Decorations shall be styled "The Albert Medal of the First Class," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor orct in gold, surrounded with a garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue ribbon of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained that the other of the two distinctions shall be styled "The Albert Medal of the Second Class," and shall consist of the like shaped enamelled badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

It is ordained that each Medal shall be suspended from the left breast.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended; and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March, 1866, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—It is ordained, that the Albert Medal of the First Class shall be confined to cases of extreme and heroic daring, and that the Albert Medal of the Second Class shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve the Albert Medal of the First Class.

Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

Given at Our Court at St. James's, this twelfth day of April, one thousand eight hundred and sixty-seven, in the thirtieth year of Our reign.

By Her Majesty's command,

S. H. WALPOLE.

HUMANE SOCIETY'S MEDALS.

CIRCULAR No. 11.—C.

Admiralty, 19th March, 1869.

HUMANE SOCIETY'S MEDALS.

The Royal Humane Society having made arrangements for reducing the size of their Medals, in future,—in order to admit of their being worn,—and for granting Clasp and bars for subsequent acts of bravery, in cases where a Medal

has been already granted,—my Lords Commissioners of the Admiralty are hereby pleased to notify to the Officers and Men of Her Majesty's Navy and Marines their permission to Officers and Men to wear such Medals and Clasps when awarded by the Humane Society.

By Command of their Lordships,

W. G. ROMANNE.

To all Commanders-in-Chief, &c.

LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

(To take effect from the 1st October, 1870.)

This notice is issued by the Secretary of State for the colonies, for the information of officers wishing to retire on Her Majesty's naval or military service, for the purpose of settling in those colonies, which offer privileges to at class of settlers in the acquisition of Crown lands.

1. Colonies which offer Privileges.

The only Colonies which now offer land privileges to naval and Military Officers are British Columbia and Honduras.

2. Officers entitled to Privileges.

The Officers to whom such privileges are offered are (a) naval Officers of the Military Branch, of all grades not lower than that of Sub-Lieutenants; (b) Military Officers of all grades not lower than that of Subalterns of seven years' standing; (c) Regimental Staff Officers; and (d) Medical Officers of both Services, of not less than five years' standing.

3. Officers not entitled to Privileges.

The Officers not entitled to land privileges are, Naval and Military Chaplains; Commissariat Officers; Subalterns under seven years' standing; Medical Officers of less than five years' standing; Midshipmen; Cadets; Warrant Officers of every description; Officers of any of the Civil

Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service hereinafter mentioned.

4. Nature and Extent of Privileges.

In British Columbia a certain quantity of land is granted in lieu of remission of purchase money. In the other above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of service of the Officer as shown in the following scales, viz.:

	Acres.
Field Officers of 25 years' service, in the whole	600
Field Officers of 20 " " "	500
Field Officers of 15 " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less in the whole	300
Subalterns of 20 years' service, and upwards in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

In Honduras a remission of purchase money is allowed in the acquisition of lands according to the following scale, viz. :—

	£.
Field Officers of 25 years' service and upwards, in the whole	600
Field Officers of 20 " " "	500
Field Officers of 15 " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less, in the whole	300
Subalterns of 20 years' service and upwards, in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

Naval Officers receive allowances corresponding with their relative rank to Officers in the army as prescribed in Her Majesty's Order in Council of 11th June, 1863.

5. Memorandum of Rank and Service.

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a naval man, from the Lords Commissioners of the Admiralty, and if a military man, from the Office of the General Commanding-in-Chief specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

6. Location Ticket.

As the sole object of the Regulations is to encourage the *bona fide* settlement of naval and military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. Crown Grant.

At the expiration of two years from the date of such Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the

Governor, but not otherwise, that he is a *bona fide* settler in the Colony, and has not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

8. Lapse of Claim of Crown Grant not applied for in time.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelvemonth from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown.

9. Land not transferable until Grant issued.

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

10. Provision in case of Death.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorised to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. Permanence of the Regulations cannot be guaranteed.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.
